This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation, and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

Agricultural Business - International Ag Option Program Notes:

- An approved international experience or internship is highly recommended. Please consult with an academic advisor.
- * A **single language** must be taken for three (3) semesters or 12 hours to fulfill the foreign language requirement for the program.
- Students taking American Sign Language to fulfill the language requirement of the major will have to take other courses to fulfill the USP H requirements. • If a student wishes to use their elective hours to contribute to a minor in foreign language (18 hours beyond the 12 required), six (6) credits of international social sciences, business and economics requirements can be waived. Discuss with an academic advisor.

***** The major requires students to earn **18 hours of upper division credit in Agricultural Economics (AGEC)** not including the courses necessary to fulfill the C2 and C3 requirements

NOTE: General Bulletin and Degree Audit indicate that six hours of social sciences courses are required, three of which should be SOC 1000 or POLS 1200. But none of the six show up in the plan. Advise

ISSUE: These courses are not on the list of required courses for 2015-16; should it be a recommended upper division AGEC elective?
