Konesko, Co-Producers

Directed by Anne Mason
Starring, Lead Actress, Dr.
Cecilia Aragón

OCTOBER 22 - 23, 2021
7:30 p.m.
UW BCPA Thrust Theatre

Our WYOpen Stages initiative, which
features diverse voices and performers,
kicks off with a staged reading of LAS
PAJARITAS.

The story follows Lita, Anita, and Taylor, a
close-knit, multigenerational family of
Chicana women who live in the same
apartment.

As Taylor returns from her first year of
college, the women struggle to understand
one another, their evolving relationships,
and the competing demands of duty and
cultural identity.
