* According to AOSA Rules a 400 seed TZ is required for the germination test to determine dormancy.			
1 All prices pertain to clean samples. If extra time is required to complete purity, an hourly rate will be used.			
2 Dormancy determination is priced as part of the germination test (on all species that have dormancy)			
3 Price is for a 200 seed TZ test, 400 seed TZ test is double the rate shown
