* Income-Eligibility Chart

Funding for the Student Success Services program is provided by the U.S. Department of Education. The USDE requires proof that funds are serving those for whom they are intended. For that reason, documentation of your eligibility status is required.

If the TAXABLE INCOME (not adjusted gross income) on your income tax form is less than the amount shown on the chart below, you are considered income-eligible. Taxable income above these guidelines does not necessarily eliminate you from qualifying for our program.
