Joe Meyer is currently BLM District Manager for Northwest Colorado. Prior to moving to Colorado BLM he was the Casper Field Office Manager from 2008 to 2014. Meyer was formerly the Assistant Field Manager for resources at the Casper Field Office. Joe received a bachelor’s degree in Watershed Management/Resource Management with emphasis in Soil Science from the University of Wisconsin, Stevens Point. Joe has over 30 years of government service including several years as a Hydrologic Technician for the United States Geological Survey. He joined the BLM in 1989.

Mike Robinson is the Project Manager for the Converse County Oil and Gas Project Environmental Impact Statement and Planner for the Bureau of Land Management (BLM), Department of the Interior stationed in the Casper Field Office in Wyoming. He is new to this position but has been involved in project management and permitting for nearly 12 years ranging from small oil and gas roads and pipelines to larger projects such as golf course expansions and BLM resource management plans for entire field offices.

Friday, October 24
