

Friday, October 14th from 8:30 AM – 4:30 PM

UW Conference Center (UWCC)
Attached to the Hilton Garden Inn

Conference Objective:

To bring together stakeholders who have collaborative interests to engage in a thought provoking discussion on key energy topics currently at play in Wyoming, the region and the nation.

Goals of Conference:

Facilitate robust discussion and education of current critical topics, address the role of technology as it may affect or drive public policy and identify opportunities for solution building in the public interest.

Solicit input for issues warranting attention for securing a sustainable natural resource future.

Collaboration of the College of Law's Center for Law and Energy Resources in the Rockies with affiliated groups and the legal community, with the hope of enhancing collaborative relationships.
