**So that we can get to know you better, please answer these questions as fully as possible in the form of an essay and attach them in a Word document.**

1. Introduce yourself to us. How would your friends describe you? What kinds of people do you seek out? If you could only pick 1-2 adjectives to describe yourself, what would they be and why?
  2. What are your biggest strengths academically and personally? (can include anything that comes to mind)
  3. What are areas you are seeking to improve in academically and personally?
  4. Travelling internationally is sometimes unpredictable. How adaptable are you? (Specific examples would be especially helpful!)
  5. What kindled your interest in visiting London? Do you have any specific goals during the trip? What do you hope to gain from this trip?

How do you anticipate meeting the cost (\$2,500) of this program? (The WUE and the NE Good Neighbor are not applicable to study abroad programs. Please meet with Financial Aid to verify the amount of monies available to you.)
