

No More Committee Meeting

May 1, 2021

China Jude has moved on from UW, Taylor Stuemky was promoted in this vacancy

Violence Prevention Coordinator position is currently vacant (campus partner presentations April 30, May 7, May 11 – reach out to Libby Thorson if you want to be included)

Campus climate survey from 2018 is guiding the SMRT team's strategic plan

- Addressing barriers to reporting – acknowledging that reporting has been very low
- Build out comprehensive preventative training
- Improve knowledge and access to campus and community resources
- Address the link between alcohol and sexual violence

2023 will be the next Campus Climate survey (b/c green dot implementation + COVID)

Points of contact for Staff Senate:

- Increased training for staff who are likely first points of contact
- Male and masculinity focused programming
- Bystander and alcohol awareness training
- Before campus climate survey starts, No More team will be trying to pull together info about other surveys asking related questions

Green dot:

- 509 employees trained by spring 2021
- employee overviews will be offered during the summer
- BOT will participate in a staff overview
