      Tammy Mack, Teresa Hansen
   d. Proxy

III. Approve November Minutes
   a. Approved as circulated

IV. Approve December Agenda
   a. Approved as circulated

V. Special Business
   a. No special business

VI. Administration Reports
   a. Division of Administration
      i. Legislative session
         1. Joint Appropriation session next week
            a. Neil & David will do a presentation
            b. $2.5 million recurring for staff salary
            c. $1 million and match $1 million in fundraising for athletics
            d. $1 million towards the Science Initiative programming (not building)
            e. 4 pots of funds
               i. $10 million if we raise $10 million for merit-based scholarships
               ii. $5 million if we raise $5 million for Ag education
               iii. $1 million if we raise $1 million for Breaking Through
               iv. $1 million to drill for potable water – would eliminate our need to purchase treated water from the city
            f. Question
               i. Only matching fund that is ongoing is the athletic
               ii. Science Initiative funding is in addition to the usage fee
b. Human Resources
   i. HCM deep dive tomorrow in CR 129 at 1:00 to 2:30
      1. Navigation overview, how to navigate in HCM
      2. Strongly encourage people to attend
   ii. Townhall meeting covering the Great Colleges to work for survey discussion topics that were sent out
      1. Would like to request that people from different areas on campus (i.e. different departments) to sit together during the townhall.
      2. Please review the report before the townhall starts.
      3. The idea is to get input from all segments of the campus community as to what the important topics are and help identify potential individuals/departments/governing bodies/etc. to work on a solution.
      4. You may not agree with the group decision on what to discuss you will have the opportunity to answer the same questions as an individual.
   iii. Also working on HCM go-live.
      1. Think things are in excellent shape
      2. Getting really good feedback
      3. Recruitment is out there now
      4. Employee Learning Center is live
         a. 3 required trainings
            i. Numbers would indicate that a huge number of people getting into the system and a huge number completing the training
            ii. Question
               1. What are the ramifications if the employees did not complete the training?
                  a. Office of Diversity sending out communications to supervisors and personal outreach to those people who haven’t completed.
                  b. Most likely will be a performance issue that will come up during evaluations.
               2. Has the President read the full report from the Great Colleges to work for results?
                  a. No one is sure, but probably. If not suggesting it shouldn’t hurt.
               3. Question about something from the staff list serve
               4. Has a certain Foundation employee completed the ADA required training?
               5. How is payroll going in HCM
                  a. Multiple assignments are a problem that is still being worked on.
b. Trying to ensure that approvals are being done correctly given multiple assignments and varying hours and days worked.

c. Too soon to tell if HCM will go live in January.

6. People have questions about the market breakout for their job salary.
   a. Long term maybe we don’t use the matrix and uses the market. We don’t know and it’s not something that will be fixed overnight.

c. Academic Affairs
   i. Congratulations for a successful Holiday Market
   ii. Searches
      1. Dean for Ag & Health Sciences still ongoing
         a. Early next week announce results
         b. AHC Director search will be going on through Spring
   iii. Work on Academic Regulations are moving through
       1. Academic Department heads will be talking about a new requirement from HLC in reaction to Department of Education
          a. Qualifications for instructional personnel
             i. HLC will audit everyone conducting classes who are below a certain level.
             ii. Will have to justify what qualifies the person to be teaching if they don’t have the appropriate degrees & certificates.
       2. The Provost is emphasizing the need for Department heads that their staff need to be able to participate in professional development experiences, even if phones have to go to voice mail, staff need to be allowed the opportunity and time to attend deep dives and training.
   iv. The Provost offices really want feedback on if these changes are happening in academic departments.

VII. Guests and Special Programs
    a. Emily Monago – Diversity, Equity, and Inclusion Office
       i. Survey development
          1. Work will start on survey starting in mid-December
          2. Survey will be open until Dec. 22nd
       ii. Strategic Plan
          1. Have they made progress in 5 years?
   iii. Question
       1. Student employment on campus

VIII. Liaison Reports
