   A) June minutes stand approved as circulated.

III) Approve August agenda
   A) August agenda stands approved as circulated.

IV) Special Business
   A) Scholarships for Fall 2019
      i) Senator (Jason) Gonzales – committee is waiting on Communications Committee to send out survey link; will award 10 scholarships
   B) $10,000 moved to permanent funds 6/2019
   C) Confirmation of new senators
      i) No quorum at start of meeting
         (1) Motion to move to September made by Senator Blevins
            (a) Seconded by David Keto
            (b) Passed
         ii) Latecomers resulted in quorum after Administration Reports
            (1) Motion to return to confirmation made by Senator Keto
               (a) Seconded by Senator McKenna
               (b) Passed
         iii) Motion to confirm new senators made by Senator Blevins
               (1) Seconded by Senator Stratton
               (2) Passed unanimously
      iv) Brianna Casey, Advising Career & Exploratory Studies, Academic Affairs Seat #7
      v) Glory Taylor, Mathematics & Statistics, Academic Affairs Seat #8
      vi) Davin Fifield, Custodial Svcs, Administration Seat #17
      vii) Debbie Allred, Athletics Business Office, Office of the President Seat #31
      viii) Natawsha Mitchell, Multicultural Affairs, Student Affairs Seat #36

V) Administration reports
   A) Division of Administration
      i) No representative present
   B) Human Resources - interim Associate Vice President Mark Bercheni
      i) WyoCloud
         (1) Payroll went live last month (last phase of WyoCloud implementation)
            (a) Biweekly payroll proceeding mostly smoothly, with rare issues of timely supervisor approvals
            (b) Monthly payroll went well – only 2 errors
         (2) LinkedIn Learning
(a) Access though Employee LearnCenter
(b) Can build employment and personal skills
(c) Open to any benefitted employee
   (i) Can link to current LinkedIn account if employee wishes and has one
   (ii) Over 13,000 courses

ii) Goal is to maximize employee benefits – leadership programs, employee appreciation and assistance programs

iii) Benefits Fair scheduled for November, during open enrollment

iv) Questions:
   (1) Why aren’t employer paid benefits and time off earned in that pay period are not on new paystubs?
      (a) HCM went live with Oracle’s template for paystubs. HR is working on getting employer-paid benefits added to paystub and easier to find in HCM. Absences are very fluid and new tracking allows for real-time monitoring, so may not add to paystub.
   (2) Is there any way to currently see your monthly accrual rate in WyoCloud? For instance, if you take and earn, it adjusts real time, so you don’t see how much you are currently accruing.
      (a) Isn’t in there right now, but they can look at adding it.
   (3) Will there be any deep dives on accessing and finding LinkedIn training? Right now, people only see a few classes on the portal.
      (a) There will be a deep dive next Thursday (8/15/2019 and they can add this information to the agenda. You can currently sort by area/competencies and that will take you to more class listing; can also search for classes.
   (4) Thank you for purchasing this program, it’s a great employee benefit; what success metric are you using to decide if we keep it funded?
      (a) Looking at usage after three years – is usage growing or waning? The goal is to maximize use of the ~2800 licenses available (claimed by employees logging in through Employee LearnCenter) and number of classes taken. HR will transfer transcripts weekly.
   (5) Reiterating that employees do need to know when they’re accruing vacation at the next level.
   (6) Is there a plan for hiring a permanent HR director?
      (a) It’s up to Vice President Mai. There is no current plan but they do plan on doing a search.
   (7) How do you get a license for LinkedIn Learning? Just by signing up for a class?
      (a) Registering through Employee LearnCenter with first login.
   (8) Employees used to be able to see previous months’ vacation/sick leave accruals in HRMS? If you’re close to the cap it’s currently hard to see if you’re going to go over and lose time.
      (a) You can’t see it in HCM, as it’s now real-time/live. Platform allows for very limited flexibility – you can modify approval processes or turn elements on/off, but can’t modify what is in the various modules. Can maybe pull a report to get that information.
   (9) Does LinkedIn tie to performance evaluations? If employees don’t want to use it, will they be penalized?
      (a) No, you don’t have to use it if you don’t want to. If your supervisor adds classes to your goals, you will get docked if you don’t take them.

C) Academic Affairs
   i) No one present

VI) Guests and Special Programs
   A) Climb Wyoming – Manuela Hofer-McIntyre, from Laramie office
      i) Thank you for the generous donation from Cornhole tournament.
         (1) $800
      ii) In business for 30+ years; founded in Cheyenne by two women as a summer programs for single underage moms; soon began receiving grants to expand program throughout WY
(1) Now have 6 total offices around the state
   (a) Laramie office has served ~300 women since 2014

iii) Professional job/career training and placement for low income single moms of all ages needing help getting first jobs or returning to the job market
   (1) Job training, but also childcare assistance, parenting classes, budgeting, assist with obtaining interview clothing, etc.

(2) Two sessions a year, about 10 women each session

iv) Business liaison finds available jobs and trainings in the area
   (1) Not only office work, also medical fields, HVAC, and CDL, among others
   (2) Try to match careers with women
       (a) Do evaluations with employers and women and follow them for first 8 weeks of placement

v) Doesn’t just help women – children do better in school if their mom is happier/healthier, women form a support network with each other

vi) Starting new program at end of August – professional office careers training with UW’s IT center and LCCC

VII) Old Business

VIII) Liaison Reports

A) ASUW – not present

B) Faculty Senate
   i) Ken Chestek – Faculty Senate Chair
      (1) Working on UniRegs – academic workload, post-tenure review
      (2) Thread on faculty list serve regarding WyoCloud HCM, financial management, transition
          (a) Mostly non-actionable complaints, but specific complaints were passed on to David Jewell and his team
              (i) They’ve been very receptive and helpful, offering solutions

(3) Presidential search committee
   (a) On committee with President Wheeler
   (b) Just starting, but is the process seems to be very open, with a large search committee composed of a wide range of faculty, staff, and student representation
   (c) Initial phase – casting a wide net to get both academic and private industry candidates

(4) Questions
   (a) What was the biggest specific complaint regarding WyoCloud that David Jewell’s office is working on?
      (i) HCM is new and having expected bugs; the financial management is not new and several departments aren’t able to generate the management reports they want. They are aware of these and seem to be working on it.

C) Advisory Council on Diversity, Equity, and Inclusion
   i) Kathy Kirkaldie has agreed to stay on this committee
   ii) Senator Mitchell offered to sit on this committee
      (1) President Wheeler will speak to both volunteers

D) Athletics Planning Committee (Cathy Moen)
   i) No report
