# Early Bird Tutoring - Coe Library

STEP is now offering early bird tutoring for certain classes during the day.

- Early Bird Tutoring is structured as group tutoring - which means you may be working with other students at the table. Tutors may not be able to give you one-on-one attention, but will fairly distribute their time with all students they're working with.
- Students may stay as long as they'd like, but may be asked to work solo for periods of time to foster independent learning
- One-on-one tutoring begins at 5:00pm during STEP's regular hours.
