Subject: Coming Soon: Einstein Bros. Bagels & Caribou Coffee Shop

Student Affairs and Dining Services are excited to share that construction has begun on a new Einstein Bros. Bagel & Caribou Coffee shop in the atrium of the Michael B. Enzi STEM building. A construction wall to decrease noise, increase safety, and minimize construction dust has been installed in the Enzi STEM atrium this week. We hope to complete as much demolition as possible prior to the start of classes.

Einstein Bros will provide fresh-baked bagels, specialty sandwiches, and individually crafted coffee beverages. [You may visit the Einstein's menu here](#) and the [Caribou Coffee menu here](#).

Einstein Bros and Caribou Coffee will be your coffee and bagel destination in the vibrant Lewis Street STEM Corridor of campus. A grand opening will be the first week of classes this fall 2019.

Stay tuned for more updates. We appreciate your patience as we build the newest coffee shop at UW.
Sincerely,
