2021-2022 PRODUCTION SEASON

WELCOME BACK!
The students and faculty of the University of Wyoming Department of Theatre and Dance are thrilled to welcome you, our patrons, back for in-person theatre and dance performances this production season!

Last year, we committed to creating and presenting work despite the challenges created by the pandemic, social distancing, and theatres remaining closed. We learned new technologies and ways of interacting on stage to help us stay connected with each other and with you.

We approach an ambitious new production season with gratitude for the opportunity to share again together in the magic of live performances. We proceed bearing in mind the very real necessity to protect the health and safety of our company members and patrons, and mindful that the future is still somewhat uncertain.

Come join us for the first WYO/Op Open Stage offerings to support diverse voices! We hope to have a confirmable date, a continuation of the story of the "Radium Girls," whose sacrifice made workplaces safer, a collaborative production with UW Symphony of two full-length ballets from the Ballet Russe, a dynamic Company Dance Company performance; and an original new comedy about the interplay of perception and reality.

BECOME A FRIEND OF THEATRE & DANCE
We invite you to renew your vital support of our programs or to join ranks with some very special people who are an integral part of our success by becoming one of the 2021-2022 Friends of Theatre & Dance. Your contributions help us to succeed and continue our tradition of excellence.

Donations strengthen our programs; help us to bring in guest artists and produce student work; and provide support for our students to compete for top honors at prestigious regional and national festivals. Your support also helps our graduates to enter and compete in important graduate programs and to fund researching work in their profession.

A donation at the Patron level ($50) or above entitles you to early seat selection, acknowledgement in programs, and an invitation to our donor receptions. Giving at higher levels may also entitle you to complimentary tickets, access to special events, and other exclusive extras.

UW Theatre & Dance welcomes your support at any level. Become a 2021-2022 Friend of Theatre & Dance today!
