

Day Parking Price Update

The University of Wyoming Day Lot, located east of Half Acre, as well as the University of Wyoming metered parking prices are changing. Parking in the day lots and at the metered parking is now \$1.50/hour. The Parkmobile app can help you by sending expiry reminders by phone and the option to add additional time from your phone through the smartphone when parking in the day lot.

The Day Lot and the metered parking is open to anyone and is a great option for parking on campus for short periods of time. These parking locations are a convenient and flexible parking option for all campus visitors, students, and employees.

Daily parking permit prices are also changing. The day permits are now \$5.50/day. You can purchase these permits online or at the Transit & Parking Services office.

These changes are effective on 7/1/17. For more information on day parking [click here](#).
