WHAT IS IT LIKE BEING A TRANSFER STUDENT AT UW

Being a transfer student here at UW is very cool! I had some good experiences at my last college where I earned my associates. Moving on to university here was a big change but it was a great change. I have loved learning a new school and furthering my education. I am so glad that I chose to earn my next degree here at the University of Wyoming.

ADVICE FOR NEW TRANSFERS

If I had to give just one piece of advice to a transfer student, it would be to not be afraid to ask questions. I wish someone would have told me that when I was transferring. I know now that anyone and everyone wants to help you! Everyone at UW is so inviting and friendly, especially at the beginning of the year. There's a lot of new things for a transfer student and it's hard to absorb it all. Asking questions is totally acceptable for everyone!

FAVORITE RESOURCE ON CAMPUS

Favorite FREE Perks of being a Full-Time UW Student: Half Acre Gym access, Coe Library access, free admission to UW sporting events (football, volleyball, or soccer!), and Microsoft Office applications.

WHAT I WAS NERVOUS ABOUT

I was very nervous and excited about transferring to UW. First, I was nervous about being at such a big school and how everything was going to be different. I had just figured out junior college and now I had to learn a university? I quickly learned that everyone was so friendly and willing to help me every time I turned around. I was very excited to be in a bigger town; Laramie is about six times the size of my hometown and I was excited to be somewhere new with a Walmart and some great restaurants. Laramie didn't disappoint! The campus is gorgeous, and I love to sit in Prexy's Pasture and do some studying or take a walk downtown through all the little shops and stores! Overall, I had no reason to be nervous and every reason to be excited about transferring to University of Wyoming.

FAVORITE PLACES AROUND CAMPUS

There are some amazing places to eat in Laramie! I have explored and found my favorites and you need to try them too. On campus, my favorite is to get coffee and a bagel at a shop in one of the buildings. Either the classroom building or the library; they're both on the way to my classes in the mornings. Off campus, I love love love Corona Village (they also have a fast food joint called Andale Rapido)! Its so yummy and very fairly priced. Another favorite of mine is Born in a Barn. It's downtown and they have some killer wings and burgers! Be prepared to eat a lot when you go there.
