

JORDAN JOCHEMS

Transfer Peer Mentor

Major: Agroecology & Agribusiness

Hometown: Cody, WY

WHERE I TRANSFERRED FROM

I transferred from NWC in Powell, Wyoming. It was a small community college that was a great start to University life.

FAVORITE THINGS ABOUT UW

I love Campus Ventures (CV) and am currently serving on the CV leadership team. It has been a great way to meet new friends and build a solid community.

HOW I CAN HELP

I have set time in my schedule specifically to talk with transfer students. Whether you have questions about classes and campus resources, are stressed about university life, or just need a familiar face to talk to, I will be available. As a transfer student myself, I want to support and encourage students like myself so that they can passionately reach their full potential as a Cowboy. Let me know how I can help! I am always a call or text away.

PERSONAL INTERESTS

I enjoy all forms of outdoor recreation and mountain activities. When I am not outside rock climbing or kayaking, I can be found deep in a good book.

WHAT I WAS EXCITED ABOUT

I was most excited about learning from established and respected professors in an esteemed program (UW has the best agroecology program in the nation!). I was also excited about attending football games at War Memorial Stadium, GO POKES!

WHAT I WAS NERVOUS ABOUT

When I transferred I was nervous about the academic pressure that is put on students in a university setting. But once I got to campus, I made many connections through different organizations that introduced me to like-minded friend groups and who offered academic help.

CAMPUS INVOLVEMENT

I am involved in many different campus activities. From sports teams to RSOs.

WHAT IT IS LIKE BEING A TRANSFER STUDENT AT UW

UWYO makes the process very easy with resources like the transfer success center. However, it can be hard at times because you might not know many people at first. It will be okay though, because you make friends fast.
