<p><b>Session Title and Abstract: AcademyOne – Digital Articulation Services for Wyoming Students:</b> This session will provide an overview of a suite of solutions aimed at seamless student transfer and enhancing the student's experience across Wyoming's institutions of higher education. The recently implemented and continued solution is a result of a collaborative effort across the University of Wyoming, all of the community colleges and the Wyoming Community College Commission. The solution vendor, AcademyOne, will provide an overview of the student web portal and other solutions to address student mobility and the impact of academic credit portability as students navigate towards completion of their degree or certificate. AcademyOne has substantial experience working with other state systems in their efforts to provide seamless transfer experiences for students and is bringing that wealth of industry knowledge to Wyoming.</p> <ul style="list-style-type: none"> <li>○ <b>Session Goals and Learning Objectives:</b> The goals for this session are to provide an overview of the integrated solutions and benefits, including the student portal, and functionality such as transfer check, articulation, reverse transfer, and guided pathways planned between partner institutions.</li> </ul>
