

**ARTICULATION AGREEMENT FOR  
ANTHROPOLOGY  
BETWEEN EASTERN WYOMING COLLEGE  
AND UNIVERSITY OF WYOMING**

**OVERVIEW:**

This formal program articulation agreement is made and entered into by Eastern Wyoming College, hereinafter referred to as EWC and the University of Wyoming, hereinafter referred to as UW. By this agreement EWC and UW express a shared commitment to increasing opportunities for student access to and success in higher education.

**PURPOSE:**

This agreement provides students who have completed the **Associate of Arts** degree with articulated coursework in Social Science the opportunity to complete a **Bachelor of Arts in Anthropology** degree at UW. Any EWC student who has earned an Associate of Arts degree with coursework that adheres to the guidelines within this agreement is guaranteed that UW will: 1) apply the relevant general education credits; 2) accept designated major related credits; and 3) give the student UW class standing consistent with the articulated curriculum herein and in a manner consistent with the treatment of native UW students in the Bachelor of Arts degree.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

EWC students maintaining continuous enrollment under this agreement and following the curriculum plan in place under the EWC catalog of record will matriculate to the UW academic program in place for that catalog year. A break in enrollment that is not a summer semester may cause the student to be readmitted under a different catalog year. In that case, this articulation agreement may not remain valid.

Criteria for acceptance into the UW College of Arts and Sciences will be consistent with the criteria outlined in the institutional articulation agreement between EWC and UW.

EWC, upon request of students, will provide verification of completed courses to UW through its Office of Registration and Records.

Transfer students from EWC will have access to financial aid, scholarships, and student services on a similar basis as native students.

UW will apply the same academic progress and graduation standards to EWC transfer students as are applicable to native UW students in the same catalog year.

**Section II: Program Plan**

While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at EWC meet general education requirements at UW under the statewide block transfer articulation agreement. Students falling under this program articulation agreement will be responsible for successfully completing the additional program core requirements as noted in section below.

**ARTICULATION AGREEMENT SIGNATURE PAGE**

In signing this document, all parties agree to honor both the spirit and intent of this program-level articulation of an Associate's degree in Social Sciences from Eastern Wyoming with a Bachelor's degree in Anthropology from the University of Wyoming. Students who follow the attached curriculum and complete all the agreed-upon requirements will be able to graduate with degrees from both institutions in a timely manner.

This agreement is made and entered into in the academic year 2015-2016 and remains in force unless a new articulation agreement is signed by all parties. The agreement is subject to annual review to assure currency with the respective degree requirements, and may be amended at any time, affecting students from the date of the amendment forward. Should either party desire to discontinue this agreement, advance notification of one year will be required and students enrolled under the Agreement who remain continuously enrolled will be allowed to complete the program as articulated.

			<b>TOTAL</b>	<b>13</b>			<b>TOTAL</b>	<b>16</b>
							<b>TOTAL DEGREE HOURS</b>	<b>60</b>

#### Transfer Recommendations and Notes:

\*\*ANTH 2000 is offered through UW Outreach as the Communication II course

\*\*STAT 2050 Fundamentals of Statistics may be taken instead of STAT 2070

A field school or guided independent research project is highly recommended in the summer of the second year. Course recommendations include:

ANTH 4140 Fieldwork in Wyoming Archaeology 2-6 hours

ANTH 4140 Callacpuma Archaeological Project 2-6 hours

ANTH 4140 Croatia Field School 2-6 hours

Consult faculty about alternative ethnographic and archaeological field school opportunities.

### Transfer Recommendations and Notes:

\*\* ANTH 2000 should be taken in the Fall Semester of the Junior Year if it was not taken as the Communications II course in the Spring Semester of the Freshman Year at Eastern Wyoming College.

Elective courses are expected to complement the student's interests in anthropology.

Additional coursework in biological science, earth science, or statistics/mathematics is recommended

An internship or guided independent study research project is highly recommended in the summer of the junior year. Course recommendations include:

ANTH 4970 Internship 1-12 hours

ANTH 4975 Undergraduate Practicum in Anthropology 1-4 hours

A study abroad experience is highly recommended for the junior year. Consult your advisor about programs and courses.

This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the University Catalog and consult with their academic advisor to plan accordingly.

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U.
