Dear Trustees Education Initiative Breakthrough Innovation Team,

On Tuesday, October 3, 2017, the [Trustees Education Initiative Coordinating Council](#) met to discuss Proposal 2017-05: Enterprise for Elevating Educational Excellence (UW-E4). This meeting and the discussion therein followed a detailed review of the proposal by each member of the Council.

Coordinating Council feedback regarding Proposal 2017-05 was:

- This is a very innovative proposal that will require a great deal of work and a great deal of patience. There will be challenges.
- There is concern for how many educators this model would produce for the investment.
- Recruitment is the key element and strongest piece of this proposal. Selling the profession and encourage talented youth (STEM and others) to consider a profession as an educator will require intensive recruitment efforts.

The Coordinating Council took the following action on the proposal: Returned for Revision

- Please revise the budget to include an Administrative Director.

The deadline for submitting revisions based on the Coordinating Council Action on 2017-05 is:

- 10 a.m., Monday, October 9, 2017 by email to rwatts3@uwyo.edu

We thank you for the expertise, energy, and time you committed to developing this proposal for consideration by the University of Wyoming Trustees Education Initiative.
