TWELVE LRDP RECOMMENDATIONS

Theme: *Unified Campus in All Respects*

- Creating a Hierarchy of Open Spaces and Green Linkages
- Connecting East, Central and West Campus
- Creating a Critical Mass of Academic Uses on Central Campus *
- Expanding the West Campus Academic Core
- Allowing for Future Expansion of the Research and Business Park
- Enhancing Fraternity Mall
- Redeveloping Summit View Apartments Area
- Enhancing Areas Adjacent to Prexy's Pasture
- Creating a Simplified, Clear Pedestrian & Vehicular System
- Enhancing the Visitor Experience
- Creating Well-Defined Campus Edges and Entries
- Establishing Comprehensive Signage and Wayfinding

* *Includes future site of LCCC on 22nd Street north of new Art Facility*

ELEVEN IMPLEMENTATION STRATEGIES

- Dedicate approximate rights-of-way and footprints for promenades, malls, open spaces, and transportation and utility corridors prior to any additional campus development
- Develop circulation, utilities and incremental expansion of central services within the Capital Facilities Plan (CFP)
- Complete site and incremental central service improvements as integral to individual building projects
- Create detailed plans for particular subareas of campus
- Create an expanded gift catalog listing small items and large-scale projects
- Pursue opportunities for land acquisition and development
- Ensure operational and maintenance efficiency
- Implement and periodically review the LRDP
- Continue collaborative project teams for design and construction
- Update the UW Instructions to Architects and Engineers (Nov. 2007) to reflect the LRDP
- Adopt and implement the LRDP Design Guidelines
