2. Approval of ASUW Budget Increase Request, Lowe

ASUW President Joel Defebaugh provided background information to the Board regarding the request for the Board to approve $70,000 from the ASUW reserve account, with the monies being used to provide a concert to the students in the arena auditorium free of charge. ASUW President Defebaugh stated that the ASUW Reserve currently holds $420,192, which is $120,192 over the ceiling. Senate Bill #2378 which supported the spending of $70,000 out of the Reserve for an event to be held in spring of 2013 was passed by the ASUW Senate by a vote of 23-4 on Tuesday, November 27, 2012.

ASUW President Defebaugh stated that there have been comments from students regarding the use of the funds and whether there is a better initiative on campus the students could support. He noted that this event will be part of ASUW’s celebration of its 100th Anniversary and is intended to give something back to all the students of the University. Also, it was felt by the Senate that the experience of a campus wide concert in the Arena Auditorium is a worthy investment, and this event will have an immediate impact on all currently enrolled UW students.
Trustee Marsh moved to approve the request that ASUW be permitted to allocate $70,000 from the ASUW Reserve account to be spent in Fiscal Year 2013 for expenses related to a major concert on the campus; second from Trustee Fear. There was no further discussion and the motion passed unanimously.
