(d) Upon any partial redemption of any maturity of any of the Series 2016 Bonds, Cede & Co., or its successor, in its discretion may request the Issuer to issue and authenticate a new Series 2016 Bond or shall make an appropriate notation on the Series 2016 Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Series 2016 Bond must be presented to the Paying Agent prior to payment.

The principal of the Series 2016 Bonds shall be payable in lawful money of the United States of America, without deduction for exchange or collection charges, at the Principal Corporate Trust Office of the Paying Agent upon presentation and surrender of such Series 2016 Bonds. Payment of interest on any Series 2016 Bond shall be made on each interest payment date to the Owner thereof at the close of business on the Record Date, the fifteenth day of the calendar month (whether or not a Business Day), next preceding such interest payment date for such interest payment date by check mailed by the Paying Agent on such interest payment date to such Owner at his address as it last appears on the registration records kept by the Paying Agent. Any such interest not so timely paid or duly provided for shall cease to be payable to the Owner thereof at the close of business on the Record Date and shall be payable to the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of such Special Record Date shall be given to the Owners of the Series 2016 Bonds not less than 10 days prior thereto by first-class mail to each such Owner as shown on the registration records on the date selected by the Paying Agent, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. If the principal of any Series 2016 Bond is not paid on the maturity or redemption date, interest shall accrue upon the unpaid amount of principal at the rate on such Series 2016 Bond from the date of such presentation until such principal shall have been paid in full.

Interest on all Series 2016 Bonds shall be computed on the basis of a 360-day year of twelve 30-day months.
Section 3.03. Prior Redemption of the Series 2016 Bonds. The Series 2016 Bonds may be redeemed only in Authorized Denominations.

(a) Optional Prior Redemption. The Series 2016 Bonds maturing on and after June 1, 2027 shall be subject to redemption prior to maturity, at the option of the Issuer, on June 1, 2026 or any date thereafter in whole or in part at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the redemption date.

In the event that less than all of the Outstanding Series 2016 Bonds are redeemed, the Series 2016 Bonds will be redeemed from any maturities specified by the Issuer. If less than all of the Series 2016 Bonds of a single maturity are to be redeemed, they will be selected by lot in such manner as the Paying Agent may determine.

(b) Notice of Prior Redemption. Notice of any prior redemption, mandatory or optional, shall be given by the Paying Agent on behalf of the Issuer by mailing a copy of the redemption notice by first-class postage prepaid mail, not less than 30 nor more than 45 days prior to the redemption date to the Owners of the Series 2016 Bonds to be redeemed at their addresses as shown on the registration records kept by the Paying Agent. Such notice shall specify the number or numbers of the Series 2016 Bonds to be so redeemed (if less than all are to be redeemed), the redemption price to be paid and the date fixed for redemption; and such notice shall further state that on the redemption date there will become and will be due and payable upon each Series 2016 Bond or portion thereof ($5,000 or any integral multiple thereof) so to be redeemed at the Paying Agent (designated by name) the redemption price, and that from and after such date interest on the Series 2016 Bonds or portions thereof called for redemption will cease to accrue. Notice having been given in the manner hereinabove provided, the Series 2016 Bonds or bonds so called for redemption shall become due and payable on the redemption date so designated and upon presentation thereof at the Paying Agent, the Issuer will pay the Series 2016 Bonds or bonds so called for redemption. No further interest shall accrue on the principal of any such Series 2016 Bond (or portion thereof) called for redemption from and after the redemption date, provided sufficient funds are on deposit with the Paying Agent on the redemption date. Except as provided in Section 3.02 of this Series 2016 Bond Resolution, upon surrender of any Series 2016 Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof, at no expense to such Owner, a new Series 2016 Bond or bonds of Authorized Denominations equal in aggregate principal amount to the unredeemed portion of the Series 2016 Bond surrendered.

(c) Partial Redemption of Series 2016 Bonds. The following procedures shall be followed if the Series 2016 Bonds are partially redeemed either through the optional or mandatory sinking fund redemption provisions, if any described herein.

If less than all of a maturity of the Series 2016 Bonds is to be redeemed, the Issuer shall select the Series 2016 Bonds to be redeemed, from the Outstanding Series 2016 Bonds of such maturity and series not previously called for redemption, in proportion as nearly practicable to the principal amounts of the Series 2016 Bonds of such maturity and
series owned by each Owner, subject to the Authorized Denominations applicable to the Series 2016 Bonds. In such event, the Series 2016 Bonds to be redeemed will be determined by the Issuer, using such method as it deems fair and appropriate. If the Series 2016 Bonds of any series are registered in book-entry-only form and so long as DTC or a successor securities depository is the sole registered Owner of the Series 2016 Bonds of such series, partial redemptions will be done in accordance with DTC procedures. It is the Issuer’s intent that redemption allocations made by DTC be made in accordance with these same proportional provisions. However, the Issuer has no duty to assure and can provide no assurance that DTC will allocate redemptions among Beneficial Owners on such a proportional basis. The portion of any registered Series 2016 Bonds of a denomination of more than $5,000 to be redeemed will be in the principal amount of $5,000 or any integral multiple thereof.

Section 3.04. Registration of Bonds; Persons Treated as Owners. The Issuer shall cause the records for the registration, transfer and exchange of the Series 2016 Bonds as provided in this Resolution to be kept by the Paying Agent which is hereby constituted and appointed the Paying Agent of the Issuer with respect to the Series 2016 Bonds. Upon surrender for transfer of any Series 2016 Bond at the Principal Corporate Trust Office of the Paying Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Paying Agent and duly executed by the Owner or his attorney duly authorized in writing, the Issuer shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees a new Series 2016 Bond or bonds of Authorized Denominations of the same maturity for a like aggregate principal amount as the Series 2016 Bond surrendered for transfer. Series 2016 Bonds may be exchanged at the Principal Corporate Trust Office of the Paying Agent for a like aggregate principal amount of Series 2016 Bonds of other Authorized Denominations of the same maturity. The execution by the Issuer of any Series 2016 Bond of any Authorized Denomination shall constitute full and due authorization of such denomination, and the Paying Agent shall thereby be authorized to authenticate and deliver such Series 2016 Bond. The Paying Agent shall not be required to transfer or exchange (a) any Series 2016 Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Series 2016 Bonds and ending at the close of business on the day such notice is mailed or (b) any Series 2016 Bond so selected for redemption in whole or in part after the mailing of notice calling such Series 2016 Bond or any portion thereof for prior redemption except the unredeemed portion of Series 2016 Bonds being redeemed in part.

Series 2016 Bonds surrendered for payment, redemption or exchange, and Series 2016 Bonds purchased from any moneys held by the Paying Agent hereunder or surrendered to the Paying Agent by the Issuer or the University, shall be promptly canceled and returned by the Paying Agent to the Issuer for retention and later destruction in accordance with the laws of the State.

The person in whose name any Series 2016 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal of or interest on any Series 2016 Bond shall be made only to or upon order of the Owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2016 Bond to the extent of the sum or sums so paid.
The Paying Agent shall require the payment by the Owner requesting exchange or transfer of Series 2016 Bonds of any tax or other governmental charge required to be paid with respect to such exchange or transfer and such charges shall be paid before such new Series 2016 Bonds shall be delivered.

Section 3.05. Filing Manual Signatures. Pursuant to Section 21-17-418(c) of the University Securities Law and to W.S. 16-2-101 through W.S. 16-2-103, the President, Treasurer and Secretary of the Issuer and the Treasurer of the University shall each forthwith file with the Secretary of the State his or her manual signature certified by him or her under oath if any of the Series 2016 Bonds are executed with the facsimile signature of any such person.

Section 3.06. Execution of Bonds. Each Series 2016 Bond shall be executed in the name and on behalf of the Issuer, shall be signed with the facsimile or manual signature of the President of the Issuer, attested by the facsimile or manual signature of the Secretary of the Issuer, and countersigned by the facsimile or manual signature of the Treasurer of the Issuer. The seal of the Issuer shall be printed, engraved, stamped or otherwise placed on each Series 2016 Bond. The Treasurer of the University shall by facsimile or manual signature endorse a certificate upon each Series 2016 Bond that the same is issued pursuant and according to law, does not exceed any lawful debt limit of the Issuer, and does not constitute an indebtedness within the meaning of any constitutional or statutory provision or limitation, and the seal of the Issuer shall be printed, engraved, stamped or otherwise placed on said certificate on each of the Series 2016 Bonds. The President of the Issuer, Secretary of the Issuer and Treasurer of the Issuer and the Treasurer of the University shall, by the execution of a signature certificate, adopt as and for their signatures any facsimiles thereof which appear on the Series 2016 Bonds.

Section 3.07. Use of Predecessor’s Signature. The Series 2016 Bonds bearing the signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the Issuer, notwithstanding that before the delivery thereof and payment therefor any or all of the individuals whose signatures appear thereon shall have ceased to fill their respective offices. Each of the President of the Issuer, the Secretary of the Issuer and the Treasurer of the Issuer and the Treasurer of the University, at the time of the execution of a signature certificate pertaining to the Series 2016 Bonds by each of those officers, may adopt as and for his own manual or facsimile signature the manual or facsimile signature of his predecessor in office if such manual or facsimile signature appears upon any of the Series 2016 Bonds.

Section 3.08. Bond Form. Subject to the provisions of this Resolution, each Series 2016 Bond shall be in substantially the form set forth in Exhibit B to this Resolution, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Resolution, or be consistent with this Resolution and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.
ARTICLE IV

USE OF BOND PROCEEDS

Section 4.01. Disposition of Bond Proceeds. The proceeds of the Series 2016 Bonds, upon the receipt thereof, shall be accounted for in the following manner and priority and are hereby pledged therefor:

(a) Bond Fund. First, there shall be credited to the 2016 Bond Account hereby created within the Bond Fund heretofore created and hereby ordered to be continued, all moneys received, if any, as accrued interest on the Series 2016 Bonds from their sale by the Issuer from the date of the Series 2016 Bonds to the date of their delivery to the Purchaser, and any premium from such sale, to apply to the payment of interest on the Series 2016 Bonds in accordance with Section 5.05 hereof.

(b) 2011A Escrow Account. Second, $8,272,451.67 of the proceeds derived from the sale of the Series 2016 Bonds, except as herein otherwise expressly provided, shall be deposited into a separate escrow account, which account is created and shall be under the control of the Escrow Agent in accordance with the terms of the Escrow Agreement, to be known as the “University of Wyoming, Facilities Refunding Revenue Bonds, Series 2011A Escrow Account” (the “2011A Escrow Account”), an amount sufficient, together with any other moneys available therefor, to establish any initial cash balance remaining uninvested and to buy the federal securities designated in the Escrow Agreement for purchase by the Issuer and credit to the 2011A Escrow Account with the Escrow Agent, for the payment of a portion of the Series 2011A Bonds, pursuant to the Escrow Agreement.

Section 4.02. Maintenance of the Escrow Account. The Escrow Account shall be maintained by the Escrow Agent in an amount at the time of the initial deposits therein and at all times subsequent at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in federal securities, to pay the principal of, premium, if any, and interest due in connection with the advance refunding of the Refunded Bonds, both accrued and not accrued, as the same become due, whether at maturity or upon prior redemption thereof as set in the Escrow Agreement.

Section 4.03. Use of Escrow Account.

(a) Moneys shall be withdrawn by the Escrow Agent from the Escrow Account in sufficient amounts and at such times as may be necessary to permit the payment, without default, of the principal of and premium, if any, and interest due on the Refunded Bonds as provided in the Escrow Agreement.

(b) Any moneys remaining in the Escrow Account after provision shall have been made for the payment in full of the Refunded Bonds shall be applied to any lawful purpose as the Issuer may direct.

Section 4.04. Insufficiency of Escrow Account. If for any reason the amounts in the Escrow Account shall at any time be insufficient for the purpose of Section 4.01 hereof, the Issuer
shall forthwith, from the first moneys legally available therefore, deposit in such account such additional moneys derived from Net Pledged Revenues as shall be necessary to permit the payment in full of the principal of, premium, if any, and interest due in connection with the Series 2016 Bonds, as herein provided.

Section 4.05. Purchaser Not Responsible. The Purchaser of the Series 2016 Bonds, any associates thereof, and any subsequent Owner of the Series 2016 Bonds shall in no manner be responsible for the application or disposal by the Issuer or by any of the officers, agents and employees of the Issuer or the University of the moneys derived from the sale of the Series 2016 Bonds or of any other moneys herein designated.

ARTICLE V

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 5.01. Pledge Securing Bonds. Subject only to the right of the Issuer to cause amounts to be withdrawn and paid on account of Operation and Maintenance Expenses as herein provided, the Gross Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this Article other than the Rebate Account or under Section 4.01 hereof is hereby pledged to secure the payment of the Bond Requirements of the Series 2016 Bonds. This pledge shall be valid and binding from and after the date of delivery of the Series 2016 Bonds, and such moneys, as received by the Issuer and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act, and the lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the Issuer (except Parity Bonds), and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

Section 5.02. Income Fund Deposits. So long as any of the Series 2016 Bonds shall be Outstanding, as to any Bond Requirements, the entire Gross Pledged Revenues, including Federal Direct Payments, upon their receipt from time to time by the Issuer, shall be set aside and credited immediately to the Income Fund heretofore created and hereby ordered to be continued. Any moneys received from any source other than Gross Pledged Revenues for the payment of Operation and Maintenance Expenses, or any part thereof, or for any other purpose for which the moneys accounted for in the Income Fund may be used, may be deposited into the Income Fund for such purpose or use.

Section 5.03. Administration of Income Fund. So long as any of the Series 2016 Bonds shall be Outstanding, as to any Bond Requirements, the payments shall be made from the Income Fund as provided herein in Sections 5.04 through 5.12, in such order.

Section 5.04. Operation and Maintenance Expenses. A first charge on the Income Fund, from time to time not less infrequently than semiannually each Fiscal Year, there shall be set aside in and credited to the Operation and Maintenance Fund heretofore created and hereby ordered to be continued, moneys sufficient, together with any other moneys available therefor, to
pay Operation and Maintenance Expenses as they become due and payable, and thereupon they shall be promptly paid. Any surplus remaining at the end of the Fiscal Year and not needed for Operation and Maintenance Expenses shall be transferred to the Income Fund and shall be used for the purposes thereof, as herein provided.

Section 5.05. Bond Fund Payments.

(a) Pursuant to Section 4.01(a) hereof, there shall be established within the Bond Fund, the 2016 Bond Account. The moneys credited to each account of the Bond Fund under this Section 5.05 shall be used on a pro rata basis to pay the principal of and interest on the Outstanding Series 2016 Bonds and other Parity Bonds as the same become due.

(b) Subject to the aforesaid provisions, from any moneys remaining in the Income Fund, i.e., from the Net Pledged Revenues, there shall be credited to the 2016 Bond Account within the Bond Fund heretofore created and hereby continued the following amounts:

(i) **Interest Payments.** Five Business Days prior to June 1, 2017, an amount necessary, together with any other moneys from time to time available therefor from whatever source, including, without limitation, the moneys, if any, provided in Section 4.01(a) hereof, to pay the maturing installment of interest on the Outstanding Series 2016 Bonds becoming due on June 1, 2017, and thereafter, five Business Days prior to each December 1 and June 1, the amount necessary to pay the respective maturing installment of interest on the Outstanding Series 2016 Bonds and five Business Days prior to each interest payment date with respect to any other Outstanding Parity Bonds, the amount necessary to pay the maturing installments of interest on such Parity Bonds, except to the extent any other moneys are available therefor.

(ii) **Principal Payments.** Five Business Days prior to each principal payment date, an amount necessary, together with any other moneys from time to time available therefor from whatever source, to pay the maturing installment of principal of the Outstanding Series 2016 Bonds, and five Business Days prior to each principal payment date with respect to any other Outstanding Parity Bonds, the amount necessary to pay the maturing installments of principal whether at maturity or on a redemption date of such Parity Bonds, except to the extent any other moneys are available therefor.

Section 5.06. Reserve Fund Payments. The Series 2009 Bonds, the Series 2010 Bonds, the Series 2011 Bonds, the Series 2012 Bonds and the Series 2016 Bonds shall not be secured by any reserve fund. Concurrently with the payments into the Bond Fund required by Section 5.05 hereof, there shall be credited, on a pro rata basis, to any reserve fund that may be created for the issuance of Additional Bonds secured by a reserve fund (collectively, the “Reserve Funds”), an amount sufficient to accumulate, together with any other moneys from any other source available therefor, and to maintain the Reserve Funds as a continuing reserve in an amount not less than the appropriate reserve requirement for any of the Parity Bonds (other than the Series 2009 Bonds,
Series 2010 Bonds, Series 2011 Bonds, Series 2012 Bonds and the Series 2016 Bonds) covered thereby (collectively, the “Reserve Requirements”) to meet possible deficiencies in the Bond Fund. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph, available Net Pledged Revenues shall be credited or paid to the Reserve Funds (or any other issuer of any Surety Bond with respect to any Parity Bonds secured by the Reserve Funds) pro rata, based upon the aggregate principal amount of any such Parity Bonds then Outstanding; provided, however, that compliance with the provisions of this sentence shall not cure any Event of Default caused by non-compliance with the first sentence of this section. No payment need be made into the Reserve Funds so long as the moneys therein shall equal not less than the appropriate Reserve Requirement for any of the Parity Bonds covered thereby. The moneys in the Reserve Funds shall be accumulated, and, if necessary reaccumulated, and maintained as a continuing reserve to be used only to prevent deficiencies in the payment of the Bond Requirements of the Parity Bonds (excluding the Series 2009 Bonds, Series 2010 Bonds, Series 2011 Bonds, Series 2012 Bonds and Series 2016 Bonds) resulting from the failure to deposit into the Bond Fund sufficient funds to pay such Bond Requirements as the same accrue. No payment need be made by the Issuer into the Reserve Funds if the Issuer has secured a Surety Bond to fully fund the Reserve Requirements. Any Surety Bond deposited to the credit of the Reserve Funds shall be valued at the amount available to be drawn or otherwise paid pursuant to such Surety Bond at the time of calculation.

Amounts contained in the Reserve Funds and any Surety Bond used to satisfy the Reserve Requirements shall be utilized solely to pay the Bond Requirements on the Parity Bonds. Should any deficiency exist in the Bond Fund, all cash held in the Reserve Funds shall be withdrawn, up to the amount of the deficiency, prior to any payment being made under any Surety Bond. In the event of withdrawal of cash or payment under any Surety Bond to pay the Bond Requirements on the Parity Bonds, the Issuer shall either (a) replenish the Reserve Funds as required by Section 5.08 hereof or (b) reinstate the Surety Bond to the Reserve Requirements within one year of the date of payment on the Surety Bond, or any combination of (a) and (b) so that cash and any amounts remaining available for payment under the Surety Bond will be at least equal to the Reserve Requirements. To the extent any Surety Bond or bonds are to be reinstated, such reinstatement shall occur prior to the replenishment of any cash withdrawn from the Reserve Funds to pay the Bond Requirements.

Section 5.07. Termination of Deposits. No payment need be made into the Bond Fund or the Reserve Funds if the amount in the Bond Fund and the moneys in the Reserve Funds total a sum at least equal to the entire amount of the Outstanding Parity Bonds, as to all Bond Requirements, to their respective maturities, or to any redemption date on which the Issuer shall have exercised or shall have obligated itself to exercise its option to redeem prior to their respective maturities any Parity Bonds, and interest both accrued and not accrued, in which case moneys in those accounts in an amount, except for any interest or other gain to accrue from any investment of moneys in Federal Securities pursuant to Article VI hereof from the time of such investment or deposit to the time or respective times the proceeds of any such investment or deposit shall be needed for such payment, at least equal to such Bond Requirements shall be used together with any such gain from investments and deposits solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those accounts and any other moneys derived from the Gross Pledged Revenues may be used in any lawful manner determined by the Issuer.
Section 5.08. Defraying Delinquencies. If at any time the Issuer shall for any reason fail to pay into the Bond Fund the full amount above stipulated from the Net Pledged Revenues, then an amount shall be paid into the Bond Fund at such time firstly from the appropriate Reserve Fund or secondly pursuant to payments under the Surety Bond of any issuer, pro rata, in an amount equal to amounts resulting from the difference between that paid from the Net Pledged Revenues and the full amount so stipulated. The money so used shall be replaced within one year from the revenues thereafter received from the Gross Pledged Revenues not required to be otherwise applied by Sections 5.04 through 5.06 hereof. The moneys in the Bond Fund and any reserve fund established for a series of Additional Bonds shall be used solely and only for the purpose of paying the Bond Requirements of the Additional Bonds, respectively; but any moneys at any time in excess of the Reserve Requirements in the respective Reserve Funds may be withdrawn therefrom, transferred from time to time to the Bond Fund, and used for the redemption of the Parity Bonds as they become due at maturity, on any payment date, or as they otherwise are made available for payment by purchase in the open market or otherwise; and also any moneys in the Bond Fund and in the Reserve Funds in excess of accrued and unaccrued Bond Requirements to the respective maturities or designated redemption date of the Outstanding Parity Bonds may be used in any lawful manner as provided in Section 5.07 hereof.

Section 5.09. Capital Fund Payments. Subject to the aforesaid provisions, from any moneys remaining in the Income Fund, there annually shall continue to be set aside and credited to the Capital Fund heretofore created and hereby ordered to be continued, not less frequently than annually by the last day of each Fiscal Year, an amount at least equal to 2% of the Net Pledged Revenues for the next preceding Fiscal Year, or such greater amounts as the Issuer may determine, to accumulate, to reaccumulate and to maintain the Capital Fund as a continuing reserve in an amount of not less than $500,000 (the “Minimum Capital Reserve”). No payment need be made into the Capital Fund so long as the moneys therein shall equal not less than the Minimum Capital Reserve. Moneys accounted for in that account, as may be determined from time to time by the Issuer, but subject to any limitations herein or in any other contract pertaining to such account, may be withdrawn in such priority for one, all or any combination of the following:

(a) **Capital Costs.** To pay the costs of constructing or otherwise acquiring any betterments, enlargements, extensions, or any other improvements of the Facilities, or any part thereof, authorized by law.

(b) **Major Maintenance Costs.** To pay the costs of extraordinary and major repairs, renewals, replacements, or maintenance items pertaining to any properties of the Facilities of a type not recurring annually or at shorter intervals and not defrayed as Operation and Maintenance Expenses.

(c) **Operation and Maintenance Expenses.** To defray Operation and Maintenance Expenses, if such payment is necessary to prevent any default in the payment of such expenses, or otherwise.

(d) **Securities Requirements.** To pay any Parity Bonds if such payment is necessary to prevent any default in the payment of such securities, or otherwise.
In any Fiscal Year, regardless of whether at any time theretofore the Minimum Capital Reserve has been fully accumulated in the Capital Fund, if there shall be accounted for therein an amount which is less than the Minimum Capital Reserve, there shall be set aside and credited to the Capital Fund not less infrequently than annually by the last day of the Fiscal Year an amount at least equal during the Fiscal Year to 2% of the Net Pledged Revenues for the next preceding Fiscal Year, or a sufficient amount so that the moneys accounted for in the Capital Fund shall equal then not less than the Minimum Capital Reserve, at the option of the Issuer, whichever is less.

**Section 5.10. Rebate Account.** Subject to the foregoing provisions, but subsequent to the payments required by Sections 5.04 through 5.09 hereof, money remaining in the Income Fund shall be used by the Issuer to make deposits to the Rebate Account heretofore created and hereby ordered to be continued at the times and in the amounts specified in the Tax Compliance Certificate, to the extent necessary to comply with the Issuer’s covenant under Section 8.29 hereof. Amounts on deposit in the Rebate Account shall not be subject to the lien and pledge of this Resolution to the extent that such amounts are required to be paid to the United States Treasury. The Issuer shall cause amounts on deposit in the Rebate Account to be forwarded to the United States Treasury, at the address provided in the Tax Compliance Certificate, at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Account are insufficient for the purposes thereof, the Issuer shall transfer moneys in the amount of the insufficiency to the Rebate Fund, to the extent permitted by Section 5.07 hereof, from the Reserve Funds and the Bond Fund. Upon receipt by the Issuer of an opinion of nationally recognized municipal bond counsel to the effect that the amount in the Rebate Account is in excess of the amount required to be contained therein, such excess may be transferred to the Income Fund.

**Section 5.11. Payment of Additional Subordinate Securities.** Subject to the aforesaid provisions, but subsequent to the payments required by Sections 5.04 through 5.10 hereof, any moneys remaining in the Income Fund may be used by the Issuer for the payment of Bond Requirements of subordinate bonds or other subordinate securities hereafter authorized to be issued in accordance with Article VII hereof, including reasonable reserves therefor and for rebate of amounts to the United States Treasury with respect to such subordinate securities, as the same accrue.

**Section 5.12. Use of Remaining Revenues.** After the payments hereinabove required to be made by Sections 5.04 through 5.11 hereof are made, any remaining Net Pledged Revenues in the Income Fund may be used at the end of any Fiscal Year or whenever in any Fiscal Year there shall have been credited to the Bond Fund, the Reserve Funds, and each reserve account pertaining to any subordinate securities and to the Capital Fund and the Rebate Account all amounts required to be deposited in those special accounts for all of that Fiscal Year, both accrued and thereafter becoming due in the balance of the Fiscal Year, as the Issuer may determine.
ARTICLE VI

GENERAL ADMINISTRATION

Section 6.01. Administration of Accounts. The special accounts designated in Articles IV and V hereof shall be administered as provided in this Article VI.

Section 6.02. Places and Times of Deposits. Each of such special accounts (other than each account terminated pursuant to this Resolution, if any, after the withdrawal of all moneys accounted for in the account and its termination) shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor. The moneys accounted for in such special book accounts (except for any moneys accounted for in the Government Royalty Fund or the University Account within the Permanent Land Income Fund and held by the State Treasurer for the benefit of the University) shall be in one or more bank accounts in a Commercial Bank or Commercial Banks as determined and designated by the Treasurer of the University except as otherwise expressly stated herein. (ii) As to certificates of deposit and bankers’ acceptances: the face amount thereof, plus accrued interest thereon; and

(iii) As to any investment not specified above: the value thereof established by prior agreement among the Issuer and the Paying Agent.

Section 6.04. Meaning of Mature. For the purpose of any such investment or reinvestment, securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 6.05. Accounting for Investments. The securities so purchased as an investment or reinvestment of moneys in any such book account shall be deemed at all times to be a part of the account. Except as herein otherwise provided, any interest or other gain in any book account from any investments and reinvestments in securities and from any deposits of moneys in a Commercial Bank pursuant to this Article shall be credited to the account, and any loss in any book account resulting from any such investments and reinvestments in securities and from any such deposits in a Commercial Bank shall be charged or debited to the account. No loss or profit in any account on any investments or reinvestments in securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the securities or the certificates of deposit prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the Issuer until such gain is realized by the presentation of matured coupons for payment, or otherwise. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this Article shall be accounted for as Operation and Maintenance Expenses.

Section 6.06. Redemption or Sale of Investment Securities. The Treasurer of the University shall present for redemption or sale on the prevailing market at the best price obtainable any securities so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary so to do in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Treasurer of the University nor any other officer of the Issuer shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Resolution.

Section 6.07. Character of Funds. The moneys in the Bond Fund shall consist either of lawful money of the United States, Federal Securities or other securities to the extent permitted by law including, but not limited to, money market funds or proprietary funds of a Commercial Bank as permitted by Section 6.03 hereof. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of a Commercial Bank pursuant to Section 6.02 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 6.08. Accelerated Payments. Nothing herein prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum
rate provided therefor in Article V, as the case may be; but no payment shall be so accelerated if such acceleration shall cause the Issuer to default in the payment of any obligation of the Issuer pertaining to the Gross Pledged Revenues or the Facilities. Nothing herein requires, in connection with the Gross Pledged Revenues received in any Fiscal Year, the accumulation in any account for the payment in the Bond Year of Bond Requirements due in connection with any series of bonds or other securities payable from the Net Pledged Revenues and herein or hereafter authorized, in excess of such Bond Requirements due in such Bond Year, or of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided herein.

Section 6.09. Payment of Securities Requirements. The moneys credited to any account designated in Article V hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Net Pledged Revenues shall be used, without requisition, voucher, warrant or further order or authority other than is contained herein, or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such securities become due, upon the respective redemption dates, if any, on which the Issuer is obligated to pay such securities, or upon the respective interest payment and maturity dates of such securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor.

Section 6.10. Payment of Redemption Premiums. Notwithstanding any other provision herein, this instrument requires the accumulation in any account designated in Article V hereof for the payment of any series of bonds or other securities payable from the Net Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon but also the prior redemption premiums due in connection therewith, as the same become due, whenever the Issuer shall have exercised or shall have obligated itself to exercise a prior redemption option pertaining thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In such event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

ARTICLE VII

LIENS AND ADDITIONAL SECURITIES

Section 7.01. First Lien Bonds. The Series 2016 Bonds constitute an irrevocable first lien but not necessarily an exclusive first lien upon the Net Pledged Revenues on a parity with the lien thereon of the other Parity Bonds.

Section 7.02. Equality of Parity Bonds. The Series 2016 Bonds and any other Parity Bonds are equitably and ratably secured by a first lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Series 2016 Bonds and any other such Parity Bonds, it being the intention of the Issuer that there shall be no priority among the Series 2016 Bonds and any such other Parity Bonds regardless of the fact that they may be actually issued and delivered at different times.
Section 7.03. Issuance of Parity Securities. Nothing herein, subject to the limitations stated in Section 7.08 hereof, prevents the issuance by the Issuer of Additional Bonds payable from the Net Pledged Revenues and constituting a first lien thereon on a parity with, but not prior nor superior to, the first lien thereon of the Series 2016 Bonds, nor prevents the issuance of Additional Bonds refunding all or a part of the Parity Bonds; but before any such Additional Bonds are authorized or actually issued (excluding any refunding Additional Bonds other than any securities refunding subordinate bonds or other subordinate securities as permitted in Section 7.05 hereof):

(a) **Absence of Default.** At the time of the adoption of the supplemental instrument authorizing the issuance of the Additional Bonds as provided in Section 7.08 hereof, the Issuer shall not be in default in making any payments required by Sections 5.04 through 5.08 hereof.

(b) **Historic Earnings Test.** The Net Pledged Revenues derived in the Fiscal Year immediately preceding the date of the issuance of such Additional Bonds shall have been at least sufficient to pay an amount equal to 130% of the Combined Maximum Annual Principal and Interest Requirements with respect to the Parity Bonds to be paid during any one Bond Year in which the then Outstanding Parity Bonds and the Additional Bonds proposed to be issued (excluding any reserves therefor) are Outstanding, except as hereinafter otherwise expressly provided. For purposes of this test, Net Pledged Revenues shall be determined after considering payments of Bond Requirements with respect to subordinate securities in such Bond Year as Operation and Maintenance Expenses.

(c) **Adjustment of Pledged Revenues.** In any computation of such earnings test as to whether or not Additional Bonds may be issued as provided in subsection (b) of this Section, the amount of the Gross Pledged Revenues for the next preceding Fiscal Year shall be decreased and may be increased by the amount of loss or gain conservatively estimated by an independent accountant resulting during the Fiscal Year following the completion of the betterments of, enlargements of, extensions of, and other improvements to the Facilities or any one or combination thereof, to be acquired wholly or in part with all or a portion of the proceeds of such Additional Bonds, to the extent of the estimated gain or loss in revenues from the use of such additional Facilities, after appropriate provision is made for the payment of the Operation and Maintenance Expenses pertaining thereto; but if additional housing Facilities are so to be acquired, such estimate shall not be computed on the basis of more than 80% occupancy.

(d) **Reduction of Annual Requirements.** The respective annual Bond Requirements (including as such a requirement the amount of any prior redemption premiums due on any redemption date as of which the Issuer shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of bonds for payment then) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Bond Years with moneys held in trust or in escrow for that purpose, by any Trust Bank located within or without the State, including the known minimum yield from any investment in Federal Securities.
Section 7.04. Certification of Revenues—Additional Parity Securities. A written certification by an independent accountant that such annual revenues, when adjusted as hereinabove provided in Sections 7.03(c) and (d) hereof, are sufficient to pay said amounts, as provided in Section 7.03(b) hereof, shall be conclusively presumed to be accurate in determining the right of the Issuer to authorize, issue, sell and deliver Additional Bonds.

Section 7.05. Subordinate Securities Permitted. Nothing herein, subject to the limitations stated in Section 7.08 hereof, prevents the Issuer from issuing other additional securities payable from the Net Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Series 2016 Bonds and other Parity Bonds.

Section 7.06. Superior Securities Prohibited. Nothing herein permits the Issuer to issue Additional Bonds or other additional securities payable from the Net Pledged Revenues and having a lien thereon prior and superior to the first lien thereon of the Series 2016 Bonds.

Section 7.07. Issuance of Refunding Securities. At any time after the Series 2016 Bonds are issued and remain Outstanding, if the Issuer shall find it desirable to refund any Outstanding bonds or other Outstanding securities payable from and constituting a lien upon any Net Pledged Revenues, such bonds or other securities, or any part thereof, may be refunded as provided in the University Securities Law.

Section 7.08. Supplemental Resolution. Additional Bonds or other additional securities payable from any Net Pledged Revenues shall be issued only after authorization thereof by an instrument of the Issuer stating the purpose or purposes of the issuance of such additional securities, directing the application of the proceeds thereof to such purpose or purposes, and determining the date, principal amount, maturity or maturities, interest payment dates, designation and numbers thereof, the maximum rate or the rate or rates of interest to be borne thereby, any prior redemption privileges of the Issuer with respect thereto, and other provisions thereof in accordance with this Resolution. All additional securities shall bear such date, shall bear such numbers and series designation, letters or symbols prefixed to their numbers distinguishing them from each other security, shall be payable at such place or places, may be subject to redemption prior to maturity on such terms and conditions, and shall bear interest at such rate or at such different or varying rates per annum and payable on such dates, as may be fixed by instrument or other document of the Issuer.

ARTICLE VIII

MISCELLANEOUS PROTECTIVE COVENANTS

Section 8.01. General. The Issuer hereby particularly covenants and agrees with the Owners of the Series 2016 Bonds and makes provisions which shall be a part of its contract with such Owners to the effect and with the purpose set forth in the following provisions and sections of this Article.

Section 8.02. Performance of Duties. The Issuer shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the Facilities required by the Constitution and laws of the State and various instruments of the Issuer, including,
without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or the use of the Facilities, as herein provided, and the proper segregation of the proceeds of the Series 2016 Bonds and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor. The Issuer may contract with third parties to perform specified duties with respect to the Gross Pledged Revenues and the Facilities so long as such contract does not violate any other covenant set forth in this Resolution, including, without limitation, Section 8.29 hereof.

Section 8.03. Contractual Obligations. The Issuer shall perform all contractual obligations undertaken by it toward the sale of the Series 2016 Bonds by the Issuer and their purchase by the Purchaser, and any other agreements relating to the Series 2016 Bonds, the Gross Pledged Revenues, the Series 2016 Refunding Project or the Facilities, or any combination thereof, with any other persons.

Section 8.04. Further Assurances. At any and all times the Issuer shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver, and file or record all and every such further instrument, act, deed, conveyance, assignment, transfer, other document and assurance as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Net Pledged Revenues, other moneys pledged for the payment of the Series 2016 Bonds and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the Issuer may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Resolution and to comply with the Refunding Act and the University Securities Law. The Issuer shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Net Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Series 2016 Bond hereunder, against all claims and demands of all persons whomsoever.

Section 8.05. Conditions Precedent. Upon the date of issuance of any Series 2016 Bonds, all conditions, acts and things required by the Constitution or statutes of the State, including, without limitation, the Refunding Act, the University Securities Law, or this Resolution, to exist, to have happened and to have been performed precedent to or in the issuance of the Series 2016 Bonds shall exist, have happened, and have been performed; and the Series 2016 Bonds, together with all other obligations of the Issuer, shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 8.06. Efficient Operation and Maintenance. The Issuer shall at all times operate, or cause to be operated, the Facilities properly and in a sound and economical manner; and the Issuer shall maintain, preserve and keep the same properly or cause the same so to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the Facilities may be properly and advantageously conducted. All salaries, fees, wages and other compensation paid by the Issuer in connection with the maintenance, repair and operation of the Facilities shall be reasonable and proper.
Section 8.07. Payment of Governmental Charges. The Issuer shall pay or cause to be paid all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon or in respect of the Facilities, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Facilities or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The Issuer shall not create or suffer to be created any lien or charge upon the Facilities or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this Resolution for the payment of the Bond Requirements due in connection with the Series 2016 Bonds, and except as herein otherwise permitted. The Issuer shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects, which, if unpaid, might by law become a lien upon the Facilities, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the Issuer to pay or to cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith.

Section 8.08. Protection of Security. The Issuer and the officers, agents and employees of the Issuer shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Parity Bonds.

Section 8.09. Prejudicial Action Prohibited. No contract shall be entered into nor any other action taken by which the rights of any Owner of any Parity Bond might be prejudicially and materially impaired or diminished.

Section 8.10. Prompt Payment of Bonds. The Issuer shall promptly pay the Bond Requirements of every Series 2016 Bond at the places, on the dates, and in the manner specified herein according to the true intent and meaning hereof.

Section 8.11. Other Liens. Other than as provided herein or in the proceedings relating to the Series 2009 Bonds and Series 2010 Bonds there are no liens or encumbrances of any nature whatsoever on or against the Facilities, or any part thereof, or on or against the Net Pledged Revenues derived or to be derived.

Section 8.12. Corporate Existence. The Issuer shall maintain its corporate identity and existence so long as any of the Series 2016 Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the Issuer and is obligated by law to operate and maintain the Facilities and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Series 2016 Bond.

Section 8.13. Competing Facilities. As long as any of the Series 2016 Bonds remain Outstanding, the Issuer shall not grant any franchise or license to any competing facilities, so that the Gross Pledged Revenues shall not be sufficient to meet the minimum requirement of the rate maintenance covenant in Section 8.20 hereof.
Section 8.14. Loss From Condemnation. If any part of the Facilities is taken by the exercise of a power of eminent domain, the amount of any award received by the Issuer as a result of such taking shall be paid into the Capital Fund or another capital account pertaining to the Facilities for the purposes thereof, or shall be applied to the payment of the Outstanding Parity Bonds at maturity or prior thereto if the authorizing proceedings authorize the prior redemption of such securities, or held as a reserve for deposit subsequently into such a capital improvement account or for such prior redemption of securities or for both such deposit and such redemption, as the Issuer may determine.

Section 8.15. Competent Management. The Issuer shall employ experienced and competent management personnel for the Facilities, who shall have full control over the Facilities and shall operate the Facilities for the Issuer, subject to the reasonable control by and direction of the Issuer.

Section 8.16. Employment of Management Engineers. If the Issuer defaults in paying the Bond Requirements of the Series 2016 Bonds or any other securities payable from the Net Pledged Revenues promptly as the same fall due, or in the keeping of the covenant contained in Section 8.20 hereof; and if such default continues for a period of 60 days, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Parity Bonds and any other securities, including all reserves therefor specified in the authorizing proceedings, including, without limitation, this Resolution, payable from the Net Pledged Revenues in the Bond Year, the Issuer shall retain a firm of competent management engineers skilled in the operation of such Facilities to assist the management of the Facilities so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 8.17. Fidelity Bonds. Each official of the Issuer or other individual having custody of any Gross Pledged Revenues or of any other moneys pertaining to the Facilities, including, without limitation, bond proceeds, or responsible for the handling of such moneys, shall be bonded at all times in an amount of at least $100,000, which bond shall be conditioned upon the proper application of such moneys but need not necessarily be limited thereto. The Issuer may provide a single corporate surety fidelity or blanket bond or equivalent commercial insurance covering the officials and individuals required to furnish individual bonds. The costs of each such bond or a reasonably allocated share of the costs of any such blanket bond or equivalent insurance shall be regarded and paid as Operation and Maintenance Expenses.

Section 8.18. Budgets. The Issuer shall annually, and at such other times as may be provided by law, prepare and adopt a budget pertaining to the Facilities.

Section 8.19. Reasonable and Adequate Charges. While the Series 2016 Bonds and any other securities payable from the Net Pledged Revenues, or any of them, remain Outstanding and unpaid, the fees, rates and other charges due to the Issuer for use of or otherwise pertaining to and services rendered by the Facilities to the Issuer and to other users shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the Facilities, the Operation and Maintenance Expenses, the proper and necessary allowances for the depreciation thereof, and the amounts necessary to meet the Bond Requirements of all Outstanding
Parity Bonds and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and replacement accounts therefor.

Section 8.20. Adequacy and Applicability of Charges; Rate Maintenance Covenant. There shall be charged against users of service pertaining to and users of the Facilities, including the Issuer, but not necessarily all such users, except as provided in Section 8.21 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding sections hereof. Such charges pertaining to the Facilities shall be at least sufficient to pay in each Fiscal Year:

(a) **Operation and Maintenance Expenses.** An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year, including in such expenses all Bond Requirements with respect to securities payable from Net Pledged Revenues other than Parity Bonds.

(b) **Principal and Interest.** An amount equal to 130% of both the principal of and the interest on the Series 2016 Bonds and all other Parity Bonds payable in such Fiscal Year including the reserves therefor.

(c) **Deficiencies.** Any amounts required to meet then existing deficiencies pertaining to any fund or account including the Rebate Account relating to the Gross Pledged Revenues or any securities payable therefrom; but the foregoing rate maintenance covenant is subject to compliance by the Issuer with any legislation of the United States or the State or any regulation or other action taken by the federal government or any State agency or political subdivision of the State pursuant to such legislation, in the exercise of the police power thereof for the public welfare, which legislation, regulation or action limits or otherwise inhibits the amount of fees, rates and other charges due to the Issuer for the use of or otherwise pertaining to and all services rendered by the Facilities, including, without limitation, increases in the amounts of such charges. All of such Gross Pledged Revenues, including any revenues received from the Issuer, shall be subject to distribution to the payment of Operation and Maintenance Expenses, to the payment of the Bond Requirements of all securities payable from the Net Pledged Revenues, including reasonable reserves therefor, and to the funding of the Rebate Account, as herein specifically provided.

Section 8.21. Limitations Upon Free Service. No free service or facilities shall be furnished by the Facilities, except as hereinafter provided. If the Issuer elects to use the Facilities or any part thereof, any such use will be paid for from the Issuer’s general fund or from other available revenues other than Gross Pledged Revenues at the reasonable value of the use so made, but during any Fiscal Year in which surplus revenues from the Facilities are available for use pursuant to Section 5.12 hereof, the Issuer need not pay for any such use by the Issuer of any properties which are part of the Facilities or services pertaining thereto. All the income so derived from the Issuer shall be deemed to be income derived from the operation of the Facilities, to be used and to be accounted for in the same manner as any other income derived from the operation of the Facilities.
Section 8.22. Levy of Charges. The Issuer shall forthwith and in any event prior to the delivery of any of the Series 2016 Bonds, fix, establish and levy the fees, rates and other charges which are required by Section 8.20 of this Resolution, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the Facilities may be made:

(a) Proper Application. Unless the Issuer has fully complied with the provisions of Article V of this Resolution for at least the full Fiscal Year immediately preceding such reduction of the initial or any other existing rate schedule; and

(b) Sufficient Revenues. Unless the Issuer determines that the estimated revenues resulting from the proposed rate schedule for the Facilities, after the schedule’s proposed reduction, shall be at least sufficient to pay the sum of:

(i) an amount equal to the Operation and Maintenance Expenses for the next Fiscal Year, including in such expenses all Bond Requirements for such Fiscal Year with respect to securities payable from Net Pledged Revenues other than Parity Bonds; and

(ii) an amount equal to 130% of both the principal of and the interest on the Series 2016 Bonds and any other Parity Bonds for the next Fiscal Year.

Section 8.23. Collection of Charges. The Issuer shall cause all fees, rates and other charges pertaining to the Facilities to be collected as soon as reasonable, shall prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the Facilities, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues of the Facilities shall be adequate to meet the requirements of this Resolution and any other instruments supplemental thereto.

Section 8.24. Maintenance of Records. So long as any of the Series 2016 Bonds remain Outstanding, proper books of record and account shall be kept by the Issuer, separate and apart from all other records and accounts.

Section 8.25. Audits Required. The Issuer, within 90 days following the close of each Fiscal Year, shall initiate the process for an audit for the Fiscal Year of such books and accounts to be made forthwith by an independent accountant, and shall further initiate the process for an audit report showing the receipts and disbursements for each account pertaining to the Facilities or to the Gross Pledged Revenues. All expenses incurred in the making of the audits and reports required by this Section shall be regarded and paid as Operation and Maintenance Expenses.

Section 8.26. Accounting Principles. Books and accounts, and audits thereof, with respect to the Facilities and the Gross Pledged Revenues, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for institutions of higher education comparable to the University, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this Resolution.

Section 8.27. Insurance and Reconstruction. The Issuer shall at all times maintain fire and extended coverage insurance, worker’s compensation insurance (as a supplement to
Issuer’s participation in the monopolistic workers’ compensation program mandated by law),
public liability insurance, and all such other insurance as it determines is customarily maintained
with respect to facilities of like character against loss of or damage to the Facilities and against
public and other liability to the extent reasonably necessary to protect the interests of the Issuer
and of each Owner of a Series 2016 Bond or any other security payable from the Net Pledged
Revenues, except as herein otherwise provided. If at any time the Issuer is unable to obtain
insurance to the extent provided herein, the Issuer shall maintain such insurance to the extent it is
reasonably obtainable. If any useful part of the Facilities shall be damaged or destroyed, the Issuer
shall, as expeditiously as possible, commence and diligently prosecute the repair or replacement of
the damaged or destroyed property so as to restore the same to use. The proceeds of any such
property insurance pertaining to the Facilities shall be payable to the Issuer and shall be applied to
the necessary costs involved in such repair and replacement and to the extent not so applied, shall
be deposited in the Income Fund as Gross Pledged Revenues. If the costs of such repair and
replacement of the damaged or destroyed property exceed the proceeds of such property insurance
available for payment of the same, moneys in the Capital Fund and the Income Fund may be used
to the extent necessary for such purposes, as permitted by Sections 5.09 and 5.12 hereof.

Section 8.28. Reliability and Payment. Insurance required by Section 8.27 hereof shall
be carried with a reliable insurance company or companies authorized to do business in the State
or the Issuer may be self-insured if deemed prudent under the circumstances; and the premiums on
such insurance, or, in the event of insurance pertaining to the Gross Pledged Revenues or the
Facilities, or both, and also to other unrelated revenues or unrelated facilities, or both, an allocable
and pro rata share of such premium, shall be paid as Operation and Maintenance Expenses except
for any such costs defrayed other than by the Issuer pursuant to contract with it or otherwise.

Section 8.29. Federal Income Tax Exemption. The Issuer covenants for the benefit of
the Owners of the Series 2016 Bonds that it will not take any action or omit to take any action with
respect to the Series 2016 Bonds, the proceeds thereof, any other funds of the Issuer or any
facilities financed or refinanced with the proceeds of the Series 2016 Bonds if such action or
omission (a) would cause the interest on the Series 2016 Bonds to lose its exclusion from gross
income for federal income tax purposes under Section 103 of the Code or (b) would cause interest
on the Series 2016 Bonds to lose its exclusion from alternative minimum taxable income as
declared in Section 55(b)(2) of the Code except to the extent such interest is required to be included
in the adjusted current earnings adjustment applicable to corporations under Section 56 of the
Code in calculating corporate alternative minimum taxable income. In furtherance of this
covenant, the Issuer agrees to comply with the procedures set forth in the Tax Compliance
Certificate. The foregoing covenant shall remain in full force and effect notwithstanding the
payment in full or defeasance of the Series 2016 Bonds until the date on which all obligations of
the Issuer in fulfilling the above covenant under the Code have been met.

Section 8.30. List of Bondowners. The Paying Agent will keep on file at its Principal
Corporate Trust Office a list of the names and addresses of the Owners of all Series 2016 Bonds
which are from time to time registered on the registration records in the hands of the Paying Agent
as registrar for the Series 2016 Bonds. At reasonable times and under reasonable regulations
established by the Paying Agent, said list may be inspected and copied by the Issuer or by the
Owners or a designated representative thereof of 10% or more in principal amount of Series 2016
Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the reasonable satisfaction of the Paying Agent.

**Section 8.31. Continuing Disclosure.** The Issuer shall comply with its obligations under the Continuing Disclosure Undertaking.

**ARTICLE IX**

**MISCELLANEOUS**

**Section 9.01. Defeasance.** When all Bond Requirements of the Series 2016 Bonds have been duly paid, the pledge and lien and all obligations hereunder except as specifically provided shall thereby be discharged and the Series 2016 Bonds shall no longer be deemed to be Outstanding within the meaning of this Resolution. ADDITIONAL PROVISIONS

This bond is one of an authorized series of bonds issued under the hereinafter described Resolution designated The Trustees of the University of Wyoming Facilities Refunding Revenue Bonds, Series 2016 in the aggregate principal amount of $__________ (the “Series 2016 Bonds”) for the purpose of providing moneys: (i) to advance refund all or a portion of the Issuer’s outstanding Facilities Improvement Revenue Bonds, Series 2011A (the “Refunded Bonds”) for the University (the “Series 2016 Refunding Project”), under the authority of and in full conformity with the Constitution and laws of the State, including, without limitation, W.S. 21-17-402 through 21-17-451 (the “University Securities Law”), which is known and cited as the “University Securities Law,” and pursuant to the Resolution, adopted and made a law of the Issuer prior to the issuance of this bond.

This bond is issued pursuant to the University Securities Law; pursuant to Section 21-17-416 of the University Securities Law, this recital is conclusive evidence of the validity of the Series 2016 Bonds and the regularity of their issuance; and pursuant to Section 21-17-446 of the University Securities Law, the Series 2016 Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof.

The Series 2016 Bonds are subject to optional redemption and mandatory sinking fund redemption prior to maturity as set forth in the Resolution.

Upon any partial prior redemption of the Series 2016 Bonds, Cede & Co., in its discretion, may request the Paying Agent to authenticate a new Series 2016 Bond or shall make an appropriate notation on this Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case this Bond must be presented to the Paying Agent prior to payment.

The Series 2016 Bonds do not constitute a debt or an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation, shall not be considered or held to be general obligations of the Issuer, nor to be obligations general, special or otherwise of the State, nor to be bonds or debt of the State, and shall not be enforceable against the State. The issuance of the Series 2016 Bonds shall not, directly or indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation therefor or to make any appropriations for their payment. The Series 2016 Bonds are special obligations of the Issuer payable and collectible solely out of and secured by an irrevocable pledge of income derived directly or indirectly by the Issuer from the operation and use of the Facilities (as defined in the Resolution) (the “Gross Pledged Revenues”), after provision is made only for the payment of the Operation and Maintenance Expenses of the Facilities (as defined in the Resolution) (such remaining revenues being the “Net Pledged Revenues”).

The Net Pledged Revenues are so pledged for the payment of the Series 2016 Bonds; and the Owner hereof may not look to any general or other fund for the payment of the Series 2016 Bonds except the special funds pledged therefor.
Payment of the Series 2016 Bonds shall be made solely from, and as security for such payment there are irrevocably but not exclusively pledged, pursuant to the Resolution, two special accounts identified as the “University of Wyoming First Lien Revenue Bonds, Interest and Bond Retirement Fund,” and as the “University of Wyoming Pledged Revenues Facilities Capital Improvement and Replacement Fund,” into the first account the Issuer covenants to pay, respectively, from the Net Pledged Revenues, sums sufficient to pay when due the principal of, premium, if any, and interest on the Series 2016 Bonds, any other Outstanding Parity Bonds as defined in the Resolution and any other parity securities subsequently issued by the Issuer and to create and to maintain a reasonable and specified reserve which may be funded in whole or in part with surety bonds for such purpose.

The Series 2016 Bonds are equitably and ratably secured by a lien on the Net Pledged Revenues, and the Series 2016 Bonds constitute an irrevocable and first lien but not necessarily an exclusive first lien upon the Net Pledged Revenues. Bonds and other securities, in addition to the Series 2016 Bonds, subject to expressed conditions, may be issued and made payable from the Net Pledged Revenues having a lien thereon subordinate and junior to the lien, or subject to additional expressed conditions, having a lien thereon on a parity with the lien of the Series 2016 Bonds, in accordance with the provisions of the Resolution.

The Series 2016 Bonds are issuable only as fully registered bonds in denominations of $5,000 and integral multiples thereof. Series 2016 Bonds may be exchanged for an equal aggregate principal amount of Series 2016 Bonds of the same maturity of other Authorized Denominations as defined in the Resolution, but only in the manner, subject to the limitations and conditions, and upon payment of the charges provided in the Resolution.

This bond is transferable by the Registered Owner hereof in person or by his attorney duly authorized in writing, on the registration records kept at the principal corporate trust office of the Paying Agent, upon surrender of this bond together with a duly executed written instrument of transfer satisfactory to the Paying Agent. Upon such transfer a new fully registered Series 2016 Bond or Bonds of the same maturity, of Authorized Denomination or Authorized-Denominations and for the same aggregate principal amount will be issued to the transferee in exchange herefor, all subject to the terms and conditions set forth in the Resolution.

Except as otherwise provided with respect to Record Dates for the payment of interest, the Issuer and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment and for all other purposes and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

The Paying Agent will not be required to transfer or exchange any Series 2016 Bond during the period of 15 days next preceding any interest payment date, nor during the period beginning on any date of selection of Series 2016 Bonds to be redeemed and ending on the day on which the applicable notice of redemption is given, nor at any time after selection of a Series 2016 Bond for redemption.

In the event that this Bond is called for redemption in part only, upon surrender and cancellation of this bond, a new fully registered Series 2016 Bond or Bonds of the same maturity, of Authorized Denominations, and in an aggregate principal amount equal to the
unredeemed portion hereof shall be executed and delivered by the Paying Agent to the Registered Owner hereof.

The Series 2016 Bonds shall not be transferable or exchangeable, except as set forth in the Resolution.

The Registered Owner of this bond shall have no right to enforce the provisions of the Resolution or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Resolution, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Resolution. Modifications or alterations of the Resolution, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Resolution.

No recourse shall be had for the payment of the principal of or interest on any of the Series 2016 Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Resolution contained, against any past, present or future officer, agent or employee of the Issuer or any officer or similar official, agent or employee of any successor body, agency or instrumentality, as such, either directly or through the Issuer or any successor body, agency or instrumentality, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer or similar official, agent or employee as such is hereby expressly waived and released as a condition of and consideration for the execution of the Resolution and the issuance of any of the Series 2016 Bonds.
