In order to eliminate the inconvenience of having the entire faculty sign diplomas the following resolution, which has received the approval of the University Attorneys, was adopted upon the motion of Mrs. Grieve seconded by Mr. Elliott.

**BE IT KNOWN THAT:**

The Board of Trustees of the University in accordance with the authority specified in Section 471 of the Revised Statutes of Wyoming for 1920 authorizes the "President and Professors of the University -- -- styled 'the faculty'" to delegate the signing of diplomas, certificates and other testimonials to be presented to students entitled thereto, as provided for in Section 473 Revised Statutes of Wyoming for 1920, to such officers of that faculty body as it may designate but including particularly the President of the University, the Dean of the College from which the student is entitled to graduation, and such other faculty members as that body itself may designate.

**BE IT FURTHER KNOWN THAT:**

The Board of Trustees directs that this provision shall neither alter nor in any way be interpreted as conflicting with the provision for the signing of such diplomas by the Board's President and Secretary.

The President then reported upon the Wyoming Exhibit at the California State Fair at Sacramento. Upon the motion of Mr. Schwoob, Dr. Crane's action in authorizing the University's participation was approved. This motion was seconded by Mrs. Oviatt and carried.

Mr. McAllister, of the Gem City Grocery Company, then came before the Board for a discussion of the best way for the University to purchase meat for the Commons, an item amounting to several thousand
dollars a year. It was brought out in the discussion that the University could buy to better advantage direct from the packer. Upon the motion of Mr. Lynn, Mr. Fuller was instructed to purchase to the best advantage of the University. This motion was seconded by Mr. Bond and carried.

Dr. Crane then mentioned the radio situation. Upon the motion of Mr. Schwoob, it was moved that the consensus of opinion of the Board is that Dr. Crane should continue his efforts towards securing a radio station for the University. This motion was seconded by Mr. Geddes and carried.

Mr. Fuller then presented his report.

Upon the motion of Mrs. Oviatt, it was voted to make necessary repairs to radiators, install weather stripping around windows and doors where needed, install eaves troughs, and sand paper and repair furniture of Hoyt and Merica Halls. This motion was seconded by Mrs. Grieve and carried.

The Secretary then presented the financial report.

Upon the motion of Mr. Bond, Mr. Smith was instructed to make transfers between the Operating Budget and the Building Budget so that the purchase of books would be made from the Operating instead of the Building Fund Budget, these transfers to be placed before the Executive Committee for approval.
