A special meeting of the Board of Trustees of the University of Wyoming was called to order by President Bond at 10 o'clock a.m., Saturday, July 9, 1938. Those present included Mrs. Harriett T. Grieve, Mr. J.A. Guthrie, Mr. C.H. Friday, Dr. S.H. Diggs, Mr. D.P.B. Marshall, Mrs. Evelyn S. Plummer, Mr. V. J. Facinelli, Mr. Ralph S. Linn, Governor Leslie A. Miller, and Dr. A.G. Crane. The object of this meeting was to consider making application to the Public Works Administration for grant and aid in the construction of buildings.

Dr. Crane presented his report. Upon the motion of Mr. Marshall, seconded by Mr. Facinelli and carried, the following appointment and leaves-of-absence were approved:

Dr. Walter S. Wilde, Instructor in the Department of Zoology, for the period from September 1, 1938, to June 30, 1939, at a salary of $1,800 per year. Dr. Wilde will serve as Supply Instructor for Dr. Mary Brown, who is on Sabbatical leave.

Dr. Arthur R. Hambert, Professor of Law, leave without pay, for the period from September 1, 1938, to September 1, 1939. Dr. Hambert will serve as Assistant to the Chairman of the Temporary National Economic Committee.

Mr. John D. McGowen, Assistant Professor of Political Science and Law, leave without pay for the academic year 1938-9, so that he may avail himself of a Graduate Fellowship at Cornell.

Upon the motion of Mr. Marshall and in accordance with recommendations by the Deans and the President, the Trustees approved the appointment, from the faculty, of a Board of Admissions with authority to consider and determine the eligibility for entrance of out-of-state students. This motion was seconded by Mrs. Plummer and carried.

Dr. Crane then informed the Board of the proffer of gifts to the Student Welfare Foundation from D. C. Abrams and from the estate of Paul Paulson. After discussion Mr. Facinelli moved that consideration of the Abrams' offer be left in the hands of the Executive Committee, and that the Board, acting
as trustee for the Student Welfare Foundation, accept the gift of Mr. Paulson, and release the story of this acceptance to the newspapers. The motion was seconded by Mr. Guthrie and carried.

President Crane submitted a new schedule of rates for the various dormitories which are a small increase over the present rates, but are not up to the standard rates of several years ago. Dr. Diggs then moved that these rates, as set forth on page 4 of the President's report, be approved. The motion was seconded by Mr. Marshall and carried.

The Trustees then received the following committee: Mr. Lou Holliday, Chairman, Mrs. Carrie Michelson, Mrs. Frank Burrage, Mr. Glenn Parker, Mr. Jack Adams, Mr. Tom Barratt, and Mr. Carl Arnold, representatives of fraternities and sororities that wish to ask aid of the Trustees in the construction of houses for the various chapters in Fraternity Park. No action was taken but the Board expressed sympathy with the request and a willingness to cooperate in any legal manner.

Architect Dubois then entered the meeting, and Dr. Crane placed voluminous data before the Board, showing the need for various buildings, including those that could be financed through self-liquidating projects, as well as instructional and service buildings. Mr. Dubois distributed plans and drawings. After discussion, Dr. Diggs moved that we authorize applications to P.W.A. requesting aid in construction as follows: Three buildings, including furnishings, not to exceed the total of $550,000.

- Infirmary - 36 beds - estimate $122,000

The motion was seconded by Mr. Facinelli and carried.

The question of another self-liquidating project—that of student houses in Fraternity Park was placed before the Board. After discussion, Mrs. Plummer moved that we apply to P.W.A. for not to exceed $250,000 for use of University fraternities and sororities for housing facilities, if the fraternities and sororities desire to apply for such aid under this plan. The motion was seconded by Mrs. Grieve and carried.

Mr. Friday then moved that Dr. Crane be authorized to go to Omaha and Washington to submit these applications and to work with P.W.A. officials in an effort to secure favorable consideration of the various projects. Dr. Crane is further authorized to take such men with him as he thinks advisable. The motion was seconded by Mr. Facinelli and carried.

Dr. Diggs then mentioned that he would like to see the University begin work in archaeological research, particularly the study of Indian pictographs and writings. President Crane was requested to appoint a committee to begin this work and the small expenses of this committee were authorized.
