The Trustees immediately returned to the board room for a study of the bids. Upon the motion of Mr. Barrett, seconded by Mr. Linn and carried, the Secretary was instructed to call the office of the Secretary of State in order to ascertain if the three low bidders, namely James Leek Co., Green Brothers, and Woehler and Force Co., could do business in this state as Wyoming corporations or companies. The Secretary of State reported that the James Leek Co. and Woehler and Force were so qualified. He had no record of Green Brothers.

Mr. Linn then moved that Bid No. 1 and Bid No. 2 be added together and this sum be the contract price for the construction of the building. The motion was seconded by Mr. Marshall and carried.

Mr. Simpson moved that we accept the combination bid of Woehler & Force, a Wyoming corporation and the low bidder, for the sum of $184,040.00. This motion was seconded by Mr. Sill and carried.
Mr. Facinelli moved that a contract between the Trustees and Woehler and Force be drawn; that, upon approval of the Attorney General, the President and the Secretary of the Board are authorized to sign and execute this document; that the Secretary is instructed to give official notice of this award to the contractor; and that the contractor be required to qualify by furnishing the required bond and complying with Wyoming Workmen's Compensation laws. The motion was seconded by Mrs. Plummer and carried.

Mr. Linn then moved that the order of low bids received is:

1. Woehler and Force Co. $184,040.00
2. Green Brothers 184,300.00
3. James Leek Co. 184,966.00

all residents of Wyoming and that, in the event of the failure of the low bidder to qualify, the President and Secretary of the Board are authorized, upon the approval of the contract by the Attorney General, to make said contract with the next low bidder or bidders in the order named without reconvening the board. Motion seconded by Mr. Marshall and carried.

It was then moved by Mr. Simpson, seconded by Mr. Marshall and carried, that the Board wishes to compliment the Administration and the Buildings and Grounds Department upon the completion of such excellent quarters for the Board.

The Trustees then received Gregg Smith and Mr. Hale of the Northwestern National Life Insurance Co. and Mr. Roberts, vice-president and general counsel of the Minnesota Mutual Life Insurance Co. This conference brought out that our retirement plan, for the present at least, appears to be lost due to the failure of the contract between the Trustees and these insurance companies to be approved by the Wyoming State Insurance Commissioner. The Secretary was instructed to call and invite Mr. McDonald, State Insurance Commissioner, to this board meeting for a conference. Mr. McDonald, being out of the state, this conference could not be arranged.

Mr. Simpson moved that the deadline for the acceptance of the retirement
plan by University employees be extended to July 1, 1940, and that a commit-
mittee of Trustees be appointed to work with the retirement committee and
the insurance commissioner. Mr. Marshall, Mr. Simpson and Mr. Sill were
appointed members of this committee. The motion was seconded by Mrs. Plum-
mer and carried.

Then followed a discussion of the renewal of President Crane's contract.
Mr. Simpson was requested to read his own informal notes and minutes of the
executive session held at the Connor Hotel on January 7th, 1940.

The Secretary was instructed to include the following as a matter of
record in the minutes of this meeting: "The Board in general was not apprised
of President Crane's willingness to meet with the Trustees on that evening
due to the fact that President Bond counseled him not to meet with the Board
on that occasion."

The board then went into executive session at 5:20 p.m. President
Crane and the Secretary retired. The Board recessed for dinner at 7:00
o'clock p.m., reconvened at 8:45 p.m., and the executive session was resumed.
The Board recessed at 10:15 until 9:00 o'clock a.m., March 27th. A roll call
at this hour failed to show a quorum. Business was resumed at 11:45 a.m.
with the same members present as on the previous session.

Mr. Facinelli read and moved adoption of the following resolution. The
motion was seconded by Mr. Barrett and carried.

as to the management of the University of Wyoming, and,

WHEREAS, due to the great growth and consequent increased volume of busi-
ness some of the financial and business affairs of the University have been
handled in a decidedly loose and unsatisfactory manner and the Trustees

WHEREAS, it is to the best interests of the people of the State of Wyoming
that the management of the University be handled in substantially the same

ters with other departments of the State and that the several business offices
of the Institution be consolidated with and centered in the hands of a
Comptroller appointed by and be under the supervision of and answerable only to this Board, and,

That by reason of the fact that the duties and services of the President are considerably reduced under the division of powers and duties above mentioned that the salary of the President be lowered from $8,000.00 to $6,000.00 per year, and
