THE UNIVERSITY OF WYOMING
MINUTES OF THE TRUSTEES

March 16, 1943

For the confidential information
of the Board of Trustee
The Trustees of the University of Wyoming met in regular session at 10 o'clock a.m. Tuesday, March 16, 1943.

Members answering roll call were Mr. Simpson, Mr. Johnson, Mr. Sill, Dr. Cunningham, Mr. McCraken, Mr. McGuckin, Mr. Keeney, Governor Hunt, and Dr. Morrill.

President Morrill welcomed the newly appointed Trustees. The terms of Board officers having expired, President Morrill called for nominations and election of officers to serve the unexpired terms until the June meeting, for president, vice president, treasurer, and two members of the executive committee. The following were elected: Mr. Simpson, President; Mr. McCraken, Vice President; Dr. Cunningham, Treasurer; Dr. Cunningham and Mr. McCraken to be members of the Executive Committee. The President of the Board is an ex officio member of the Executive Committee and serves as its chairman.

It was moved by Mr. Sill, seconded by Mr. Johnson, and carried that a copy of the minutes of the February meeting be mailed to each of the new Trustees. The minutes of the meeting of the Board held on February 8 were approved as read.

Mr. Johnson proposed that the Board consider the salary paid to the President of the University and Dr. Morrill withdrew from the room. After discussion Mr. Johnson moved that the President and Secretary of the Board negotiate a contract for the services of Dr. J. L. Morrill as President of the University for a three year term beginning July 1, 1943 and that the present contract of the President be cancelled. This motion was seconded by Dr. Cunningham and carried. Dr. Morrill
was then invited in and asked his opinion of what the new salary rate should be. He assured the Trustees that any figure which the Board might fix would be acceptable to him. The President again withdrew and Mr. Keeney moved, it was seconded by Mr. Johnson and unanimously carried that the President's salary be raised $2,500 to $10,500 per year effective July 1, 1943.

President Morrill then explained his memorandum in respect to the projected establishment of "The University of Wyoming Research Institute" and asked authority to proceed thereunder. After discussion Mr. Johnson moved that the President be given authority to proceed as outlined in the memorandum including the expenditure of the $28,000 appropriation and to hire such personnel as may be necessary. The motion was seconded by Mr. McRackin and carried.

Mr. McRackin then moved that the University of Wyoming's Coed Victory Garden Contest Scholarship, equivalent to the high school honor scholarship, be expanded during 1943 to provide for four scholarships instead of one by dividing the state into four geographical regions. This motion was seconded by Mr. Johnson and carried.

Mr. Keeney moved approval of the June E. Downey seminar as follows:

Coincident with the arrival of the first books purchased through the Downey Library Fund, the faculty of the psychology department and the Wyoming chapter of Psi Chi, a national honorary society for students of psychology, wish to propose for your approval that the psychology seminar be dedicated to the memory of the late Dr. Downey and be named the June E. Downey Seminar.
As indicated in many places, particularly in the Downey memorial volume published by the University of Wyoming in June, 1943, this small honor is eminently earned. Furthermore, it is hoped that such dedication, if approved, would move future students in psychology to investigate her work and emulate her virtues. Should it be possible, either through donations or a small budget allowance, to add certain furnishings to the room the general effect would be greatly enhanced.

It was moved by Mr. Sill, seconded by Dr. Cunningham and carried that the names of the departments of Physical Education for men and women be changed to the Department of Health and Physical Education for Men and the Department of Health and Physical Education for Women.

Upon the motion of Mr. McCraken, seconded by Mr. Johnson and carried, President Morrill was authorized to make a speaking tour of the southwestern part of the state March 22 to 26, and to attend a meeting of the American Council of Education Committee Advisory to the Man Power Commission and of the Committee on Relationship of Higher Education to the Federal Government in Washington April 9 to 10. The expense of the Washington meetings will be paid by the American Council. The President will visit the University of Illinois and the Ohio State University to make inquiries concerning someone who might be considered for an appointment to the directorship of the projected new University of Wyoming Research Institute. The President will spend at least a day in Washington on University business in connection with the Army-Navy Training Programs.
