Mr. Hansen then moved that the following recommendations by President Humphrey covering fees for Extension classes be approved. This motion was seconded by Mrs. Patterson and carried.

1. **Extension Classes.** In view of the out-of-state demand for extension work, which continues to grow, and in view of the fact that the $5.00 per credit hour fee which is...
ing in the Addendum to the President's report be approved. This motion was seconded by Mr. Barwell and carried.

1. That there be authorized, effective September 1, 1948, the transfer of Miss Mae Baird from the position of State 4-H Club Agent to the position of leader of a new project on Program Planning, Field Studies, and Training, with the title of Specialist in Field Studies and Planning. There will be no change in her salary.

2. That there be authorized, effective September 1, 1948, the appointment of Mr. Charles G. Kepler as Instructor in Business Administration, at a salary of $3,504 for the academic year 1948-49.

3. That there be authorized, effective September 1, 1948, the appointment of Mr. Jack C. Routson as Instructor in Business Administration, at a salary of $3,504 for the academic year 1948-49.

4. That there be authorized, effective September 1, 1948, the appointment of Mr. Merton Bowling as Assistant Professor of Business Administration and Secretarial Science, at a salary of $3,800 for the academic year 1948-49.

now charged does not cover the cost of instruction, the
President recommends that the fee for out-of state ex-
tension classes be raised from $5.00 to $7.00 per credit
hour, effective with the beginning of the fall quarter.

The President also recommends that the fee for non-
credit courses be $5.00 for each ten-meeting course. If
the course is shorter or longer than the suggested ten
meetings, the charge for the entire course should be
proportional, that is, at the rate of 50¢ per meeting;
however, the total course fee should be charged to all
students even though some may register after a given
course has been running for several meetings.

Dr. Cunningham then moved, it was seconded by Mr. Del Monte and car-
rried, that the recommendation of President Humphrey covering certain fee
reductions be approved.

It is the recommendation of the President that the Uni-
versity fee charged student enrollees be discounted by
fifty per cent in the case of wives of faculty and ad-
ministrative staff members and of other employees who
are on a permanent full-time assignment, when they en-
roll for University work. Thus, under the fee chart
scheduled to appear in the 1948 catalog, the $42 regis-
tration fee for full-time students or the $5.00 per
credit hour fee for part-time students would be re-
duced by fifty per cent for the group mentioned. The
President also recommended that this group be exempt
from the payment of the yearbook charge of $5.50.

Dr. Cunningham then moved that the following appointments as appear-

2. Mr. William T. Kirk, Assistant Director of Extension, sabbatical leave for the period October 15, 1948, to June 15, 1949, for the purpose of taking postgraduate work at either Cornell University or the University of Minnesota in Public Policy and Administration.

Mr. Sullivan moved that the sum of $6,576 be appropriated for wage increases in the Department of Buildings and Grounds. This motion was seconded by Dr. Cunningham and carried.

Mr. Burwell moved that the sum of $1,062.42 be appropriated to cover the expense of moving the pectin pilot plant to the N.R.R.I. chemical laboratory. The west wing of the N.R.R.I. building in which this pilot plant is now located must be removed to make way for the new Agriculture building. This motion was seconded by Mr. Hansen and carried.

Mr. Sullivan moved that the following recommendations of President
Humphrey concerning Dr. Laura A. White who died June 29, 1948, be approved. This motion was seconded by Mr. Watenpaugh and carried.

The President recommends that the Board of Trustees authorize a memorial plaque for Dr. Laura A. White, as was authorized for Dr. June E. Downey and Dr. Grace R. Hebard, and also that the Trustees authorize the publication of a memorial brochure commemorating the services of Dr. White to the University.

The President recommends, too, that the Trustees authorize the establishment of a Memorial Seminar Room to Dr. White and that they authorize the President to appoint a committee to solicit funds for furnishing and equipping the room. A room is available in the History Department and the President already has two unsolicited checks—one for $25.00 and one for $100.00—for the purpose.

It is planned that, after the publication of the brochure, a memorial exercise be held honoring her. The procedure suggested is very similar to that which was followed in respect to two other great women professors of the University, Dr. Downey and Dr. Hebard.

President Simpson relinquished the chair momentarily and moved adoption of the following resolution. This motion was seconded by Mr. Hansen and carried.

WHEREAS, Professor Laura A. White, who died June 29, 1948, had devoted 35 years of her life to the University of Wyoming, and

WHEREAS, Dr. White through her scholarly attainments had gained the respect of historians throughout the nation, as is testified by her election in 1944 to the Council of the American Historical Association, a distinction which brought honor to the University as well as to herself, and
WHEREAS, Dr. White dearly loved the University of Wyoming, and gave much time to raising the academic standards, establishing faculty tenure, securing a chapter of Phi Beta Kappa, and to numerous other activities which further the interests of the University, and

WHEREAS, Dr. White was a superior teacher who insisted upon a high level of performance from her students and never turned one away who needed help, and

WHEREAS, Dr. White possessed rare humility, integrity and generosity, which gained the respect and admiration of all who were privileged to know her,

THEREFORE, be it resolved that we the Board of Trustees, as a group and as individuals, express a deep sense of loss in her death and pay merited tribute to the memory of this great scholar, teacher, and friend whose imperishable works have richly endowed the University of Wyoming, and we direct that this resolution be spread upon the official minutes of the Board and that a copy be sent to Mrs. R. W. Miller, sister of Dr. White, and to Dr. Clara Frances McIntyre, her lifelong friend.

The President then presented a letter from Dr. W. C. Reusser stating his position in respect to the title of the head of the Division of Adult Education and Community Service and also a statement concerning the setup of the Division. Mr. Watenpaugh moved that Dr. Reusser's title be changed from Director to Dean and that the setup of the Division be approved, both recommendations subject to the recommendations in the report of the University Developmental Study Committee and subsequent approval by the Board of Trustees. This motion was seconded by Dr. Cunningham and carried.

Mr. Hansen then moved that President Humphrey, and such others as he may select, be authorized to negotiate with the United States Bureau of Reclamation representatives in an effort to work out a Memorandum Agreement between the Bureau and the University. If such an agreement is written it is to be brought to the Board for approval before it is signed. This motion was seconded by Mr. Del Monte and carried.

Mr. Sullivan moved that President Humphrey be authorized to write
letters to Laramie city and Albany county officials stating that the University assumes responsibility for the actions of police officers in the employ of the University. This motion was seconded by Mr. Hansen and carried.

The Board then received the following delegation comprising ten persons from Rock Springs who wished to request aid and cooperation from the University in the continuance of the nurses training school in the Sweetwater County Hospital:

- John Tennent
- Mr. Foulger
- Dr. P. M. McCrenn
- Dr. G. M. Harrison
- Miss Edna Korvonen
- Mrs. Beverly Black
- Miss Frances Hersey
- Mrs. Christensen

They requested that a University Center emphasizing nurses training and possibly trades and industry might be established in Rock Springs. The Board concurred with this proposal and authorized the President to go to Rock Springs to meet with local citizens having authority in making these arrangements in an effort to save this school from being abandoned as it is at present financially impossibly for Sweetwater county to maintain this school alone. It was also brought out that nurses training schools should be established elsewhere in Wyoming.

Mr. Hansen then moved that $8,214.80 be appropriated for heat control and better ventilation in the Engineering building. This motion was seconded by Mr. Sullivan and carried.

Mr. Burwell moved that the sum of $1,081 be appropriated for heat control in the Hudson dormitory, and that the sum of $2,457 be appropriated for the purchase and installation of equipment to increase the heat in the
Federal dormitory. These monies are to come from dormitory funds. This motion was seconded by Mr. Sullivan and carried.

The Board then recessed until the following morning at 9:00 A.M.

President Humphrey presented the several University budgets. The Board went into Executive session and President Humphrey and the Secretary withdrew. President Humphrey was soon recalled and he unequivocally refused to accept an increase in salary which the Board wished to extend to him.

Mr. Burwell then moved that President Humphrey, at his discretion, be authorized to add a clause to salary contracts of all persons other than the academic staff and those closely associated with the academic staff permitting termination of the contract by either party upon thirty days notice.
