Bylaws of the University Faculty, UW Regulation 6-700, Article IV, Section 1, states "All committees of the University Faculty shall be responsible to the Faculty Senate, and it shall establish or dissolve committees as it deems necessary."

a. Goals of the Committee Structure. The system of standing committees of the Faculty Senate of the University of Wyoming is intended to:

i. Be broad enough to encompass all areas of University activity in which faculty are involved on a policy making level requiring the endorsement of the Faculty Senate, in accordance with UW Regulation 6-700;

ii. Be specific enough to consider the problems, grievances, or concerns of each faculty member of the University community;

iii. Be advisory to the University Administration only in those matters requiring Faculty Senate approval of proposed action; and iv. Provide an effective and efficient legislative committee system to work for the Faculty Senate through the Executive Committee.

b. General Committee Functions. The primary function of committees of the Faculty shall be to consider bills or proposals submitted to the Senate and assigned to their areas of responsibility. Committees shall be expected, in a reasonable time, to return appropriate recommendations to the Senate for action. Committees shall also initiate and draft bills establishing Faculty regulations or recommendations as needs arise in their areas of responsibility. Committee chairs or their designee shall introduce such bills to the Senate for adoption or other action.

c. Individual Committee Responsibilities. The duties of each committee are individually detailed, and incorporated as a faculty regulation. However, the intention of this committee system is to provide a dynamic, timely, and effective aid to progress of the University. For this reason, each committee is charged with the responsibility for continual review of its delegated duties. If changes of a committee's duties, composition, or existence are deemed advisable, the committee shall make such recommendations to the Faculty Senate through the Committee on Committees.

d. Sub-Committee Structure. The responsibilities of most Faculty committees are intentionally broad in order to prevent duplication of effort and conflicting recommendations. Therefore, it may well be advisable for certain committees to establish sub-committees from their own membership to perform more specialized functions or to handle particular issues within the overall responsibility of the committee. The establishment and dissolution of such sub-committees shall be left entirely to the discretion of the committee concerned.

e. Meeting and Reporting. A committee shall generally meet whenever its responsibilities require that it should, whenever directed to do so by the Faculty Senate and in no case less frequently than once a semester. Reports shall be made to the Faculty Senate at such times as to keep the Senate well informed of committee activity, on call of the Executive Committee of the Faculty Senate, and no less than once per year.
f. Commencement of Service. Committee assignments shall be effective with the beginning of the Fall semester unless the assignment is otherwise stated. The Senate shall select committee members to fill known vacancies prior to the end of each Spring semester. Committee members may succeed themselves on a particular committee (once) with the exception of the REAPPOINTMENT, Tenure and Promotion Committee. Following the selection of committee members by the Faculty Senate, the Executive Committee shall notify the individual of selection, provide a written copy of the committee charge, and provide the name of the current committee chair. The committee chair shall receive notification of the election of new members.

g. Election of Officers. By March 31st, each committee shall elect a chair and such other officers as it deems necessary, to begin service at the start of the Fall semester. Each committee shall forward the names of these officers to the Committee on Committees and the Executive Committee. Students shall not be eligible to chair Faculty Senate committees. In the event a committee is left without a chair, the Committee on Committees’ chair will call the first meeting to elect the chair.

h. Alternate and Permanent Replacement Committee Members. When a committee member is to be absent from one or more committee meetings and the chair and/or the committee deems the presence of a temporary replacement to be desirable, the chair shall select an alternate committee member after consulting the rest of the committee and forward this person's name to the chair of the Committee on Committees. In the event a permanent replacement is deemed necessary, the chair of the affected committee shall notify the Committee on Committees and the replacement shall be appointed in the same manner as the original appointment. The replacement shall be appointed to complete the term of the original appointment.

i. Absenteeism and Notice of Removal. In the event that a committee member has failed to attend three (3) consecutive committee meetings, and the committee chair has determined that such absences have been detrimental to the Committee's function, the committee chair shall petition to the Committee on Committees to recommend to the Executive Committee of the Faculty Senate removal of the non-attending committee member. Upon removal for non-attendance, the vacancy shall be filled in by requesting the Committee on Committees for a replacement. All permanent committee replacements must be approved by the Faculty Senate. A copy of the petition for removal shall be sent to the offending committee member, and he/she shall have ten days from the date of the petition in which to challenge in writing before the Committee on Committees, the committee chair's determination that he/she has had continuous absenteeism as defined herein. Thereafter, he/she shall be deemed to have waived his/her right to challenge the petition and may be removed.

j. Ex officio. The words "ex officio" shall be interpreted as "ex officio without vote" throughout UW Regulations 6-701, 6-702, 6-703, unless otherwise stated.

k. Associated Students of the University of Wyoming (ASUW). The ASUW representatives on faculty committees shall be appointed by the ASUW Senate but shall not be required to be ASUW Senate members.

4. ACADEMIC PLANNING COMMITTEE.

a. Rationale. The overall development of the University, the determination of academic goals and the establishment of academic priorities are fundamental responsibilities necessarily shared by trustees, administrative officials, faculty, and students. The Academic Planning Committee operates
as a forum in which educational directions may be discussed, and specific recommendations
developed.

b. Functions. The committee's function is to review and make recommendations to the Faculty
Senate on matters related to the structure and organization of the academic activities of the
University. This review will be carried out in the context of the University's comprehensive
development. The committee will recommend policies regarding priorities for long range
development. It will make recommendations concerning the initiation, quality, modification or
termination of academic programs. When changes in programs are related to the University's
physical facilities the Committee will also make recommendations with respect to them. In making
recommendations the Committee will take into consideration the educational system and needs of the
State of Wyoming as well as University considerations.

individuals. All substantive committee actions will be reported to the Faculty Senate regularly.
