ALTERNATIVE BREAKS PROGRAM MISSION

The Alternative Breaks (AB) Program provides unique opportunities where students can address local and global issues they are passionate about through direct service and education. Furthermore, AB provides an outlet for students to develop leadership skills and a commitment to service, promoting future leaders.

STUDENT LEARNING OUTCOMES:

Through interactions with a collaborative model of Alternative Breaks Programming, students will:

1. Gain a sharpened sense of civic duty.
2. Gain a deeper understanding of issues facing the world.
3. Develop meaningful relationships.
4. Gain a greater appreciation for diversity.

BACKGROUND INFORMATION ON THE UW ALTERNATIVE BREAKS PROGRAM

The Alternative Breaks (AB) program is a component of the Service, Leadership, and Community Engagement (SLCE) office at the University of Wyoming. The AB program allows students the opportunity to work on community-based service projects both nationally and internationally. Through this unique program, students spend their winter, spring, or summer breaks performing volunteer service that addresses pressing social and environmental issues in a variety of locations across the globe. Trips focus on issues ranging anywhere from education to conservation to economic development. Past service sites include: Washington D.C., Florida, Belize, Jamaica, and the Dominican Republic.

The AB program is distinct in its students-leading-students model. Every year, students are selected by an application process to serve as Team Leaders for the service trips. Their responsibilities include planning and organizing the trips, team building activities, guided reflection, as well as overseeing the group's needs while at their host site.

STAFF EXPECTATIONS

One full-time professional staff member will be selected to attend each international Alternative Break trip. A committee of past student leaders will review, interview, and select staff leaders. Selected staff members will have all expenses paid for and will be responsible for assisting Team Leaders throughout the preparation and duration of the trip. While Team Leaders have the largest role in constructing the trip and coordinating participants, staff members have a significant supporting role as well. Staff members are expected to attend a minimum of 75% of the Team Leader meetings/classes and all trip specific group meetings, unless excused. Staff members should follow the protocol laid out for notifying AB leaders of absences. Staff members are also required to participate in The Big Event.
TEAM LEADER EXPECTATIONS

Each year the Alternative Breaks program selects several students to lead AB trips as Team Leaders. In return for service to the AB program, Team Leaders’ trip cost is covered. AB Team Leaders must be at least junior status by the fall semester in order to lead an international AB trip. The following is a list of expectations for Team Leaders:

- Complete a minimum of **four hours of service per week**. This includes working a minimum of two office hours per week in the SLCE office and serving a combination of other hours through team meetings, fundraising, advertising, recruiting and other duties as assigned.
- Attend and participate in an introductory Service Orientation shortly after Team Leader selection.
- Attend and participate in The BIG Event and MLK Day of Service.
- Attend weekly Alternative Breaks team leader trainings. Additionally, Team Leaders must enroll in and pay for the one credit hour course in the spring semester titled CNSL 2800: Fundamentals of Alternative Break Leadership.
- Be involved in the selection, research, and logistical planning for their trip.
- Organize and provide pre-trip education for team members including preparing information packets and pre-trip training for participants.
- Be actively involved in Alternative Breaks advertising and promotion.
- Participate in Alternative Breaks fundraising. Among other things, this includes working a minimum number of concessions. (That number TBD)
- Be responsible for recruiting participants for their trip.
- Behave in a safe and responsible manner that adheres to the UW Student Code of Conduct (Appendix A) and the Break Away 8 Components of Quality Alternative Breaks (Appendix B).
- Respect the customs and local community in which they are serving.
- Respect fellow participants, team leader and faculty/staff advisor.
- Lead and facilitate reflections for group before and during the trip.
- Process the Alternative Break experience individually and with the group through reflection, conversation and other group activities.
- Provide proof of medical insurance for the entire duration of the trip.
- Be in good standing with Dean of Students Office, Office of the Registrar, and Accounts Receivable.
- Inform Alternative Breaks Coordinators of a known excused absence at least one week prior to the event being missed.
- Team Leaders may have a maximum of three excused absences per semester and must make up all meetings/classes with the AB Coordinator.
- Be an appropriate ambassador at all times while representing the UW Alternative Breaks program. This includes anytime service is being completed for the program, both locally and during the trip.
TEAM LEADER SELECTION PROCESS

In the Fall semester, a call for applications for the positions of Team Leaders will be sent out via a variety of sources. Applications will be reviewed in a committee and applicants will be invited to interview. The AB program will hire two Team Leaders for each domestic trip and one for each international trip to be assisted by a staff member. Team Leaders for international trips must be at junior status at the time of application. Team Leaders must sign a Waiver of Liability and Hold Harmless Agreement (Appendix D).

PARTICIPANT EXPECTATIONS

All participants must sign and agree to the Participant Agreement (Appendix E), Waiver of Liability and Hold Harmless Agreement and the AB Policy Manual. At the time of sign-up, participants agree to attend all group meetings. One absence will be allowed without advance notice, but a make-up assignment will be required of the participant. The Team Leader will assign the task for the absence with the guidance and approval of AB staff. Advanced notice is required for absences and should be done, in writing, to the Team Leader. By joining an AB Team, participants agree to actively engage in all activities pre, during, and post-trip. If a participant fails to comply with these standards or jeopardizes the safety and manageability of the group, the individual may be removed from the trip without a refund, at the discretion of the AB Coordinator and other AB staff.

Acceptable excuses include: class, illness, family emergency, weather/road closures, and other situations approved by the Team Leader(s) and AB staff.

Participants are required to stay in regular contact with their Team Leader(s); this means responding to Team Leader phone calls and/or emails within 48 hours. The first time this issue comes to the attention of the AB staff, there will be a verbal warning. The second time the issue occurs will result in removal from the trip without a refund.

PARTICIPANT SELECTION PROCESS AND DEPOSITS/PAYMENTS

Participation in the Alternative Breaks program is on a first-come, first-serve sign-up basis. A deposit is required at the time of sign-up to reserve a space. No participant is guaranteed a spot on a trip until payment is received. The deposit and cost of each trip will vary each year, but will not change after the amount is set for the year; please check with the Alternative Breaks Coordinator for payment details. After a deposit is received, the remainder of the balance for each trip will be divided into two equal payments due on specific dates. At the time of sign-up, participants will be notified of the dates that the remaining payments will be due. Payments for participants with late admission will be coordinated on a case-by-case basis. Payments may be made in the form of check or credit/debit card. All payments are non-refundable and students without payment in full at the time of the trip will not be permitted to go!

The cost of the trip covers all transportation costs, food, lodging, and service activities. Other costs, such as free-day activities, tourist activities, and souvenirs are the responsibility of the participant. Also,
if a participant breaks the alcohol and drug free policy (see p.7) they will be sent home immediately, will be responsible for the cost of their return trip home, and will be subject to the UW Code of Conduct.

Participants must have the following complete in order to attend the Alternative Break trip:

- All payments made, in full
- Participant Agreement Form signed (Appendix E)
- Medical Clearance Form signed (Appendix F)
- Waiver of Liability and Hold Harmless Agreement signed (Appendix D)
- Proof of Insurance and International Insurance, if applicable
- Proof of valid Passport (for international trips)
- Model Release Form signed (Appendix G)
- Approval from the Dean of Students Office, Office of the Registrar, and Accounts Receivable upon sign-up and again before the trip departure
- Fulfillment of all pre-trip obligations, including meetings

The Alternative Breaks Program and the Service, Leadership, and Community Engagement Office do not discriminate based upon age, gender, race, national origin, color, disability, religious beliefs, sexual orientation, political views, marital, veteran, or medical status, or any other legally protected status.

BEHAVIORAL EXPECTATIONS

All staff members, Team Leaders, and participants are representatives of the University of Wyoming and are expected to behave in accordance with the Student Code of Conduct. In addition to the UW Student Code of Conduct, the AB program requires all parties to adhere to a high standard of expectations. These expectations include: actively participating in activities prior to and during the trip, respecting the local cultures and people, as well as others on the trip, and ensuring a safe environment for all people involved. Any person found to jeopardize the safety and/or group dynamics prior to or during the trip may be subject to removal from the trip. If removed prior to trip departure, the individual will not receive any refunds; if removed during the trip, the individual will be sent home and be responsible for all expenses incurred by UW for their travel and accommodations of being sent home.

FUNDRAISING

AB participants are encouraged to take advantage of fundraising opportunities available to them to help assist with the cost of their trip. Participants will be notified of such opportunities, when they become available. If, however, a participant agrees to take part in a fundraising activity and then does not show up for said event, they will no longer be allowed to participate in AB fundraisers. Additionally, if a participant works a fundraiser and then does not attend a trip for any reason, the individual has forfeited the funds to the Alternative Breaks program which will be utilized to offset program costs and assist with scholarships for others.
One large fundraiser that AB participates in each year is Men’s Basketball Concessions. Participants may sign-up to work a concession stand in the basketball stadium; each game will earn a participant a certain amount of money (to be determined each year) to be applied directly to the cost of their AB trip. Participants must follow the rules of the Athletics Department when working these events. If work slots are available, participants may enlist one person to work on their behalf; but preference will be given to AB participants. If a participant chooses to enlist another person to fundraise with them and then that person does not show up for said event, the AB participant may no longer participate in AB fundraisers.

SCHOLARSHIPS

Participants will be notified of applicable scholarship opportunities as they become available. Awards for scholarships are decided by a committee based on merit and need and, most often, require the awardee to present to a group on their trip.

Cheney International Scholarships—The AB program applies for scholarships from the Cheney International Center each year on behalf of international AB trip participants. Participants interested in being considered for a Cheney scholarship will be notified of required information and must have a minimum of 3.0 GPA. Participants applying for scholarships will work with the AB office to provide the needed information, including an essay and demographic information.

USE OF PHOTOS

On occasion, the SLCE and AB programs use photos of participants, Team Leaders, and staff members in promotional advertisement and other media. All participants, including Team Leaders and staff members, will be asked to sign a Model Release (Appendix E), which allows the use of such photos. Additionally, the SLCE and AB programs may use individuals’ photos, without compensation, that have been submitted to AB staff.

TRANSPORTATION TO DENVER INTERNATIONAL AIRPORT (DIA)

All participants, Team Leaders, and staff members are required to travel to DIA together as a group, but may be picked up upon arrival from DIA with prior written notification. If different accommodations are needed regarding travel arrangements to and from DIA, they can be arranged with the AB Coordinator. All requests for special arrangements must be made in writing and approved by the AB Coordinator.

ALCOHOL AND OTHER DRUG FREE POLICY

At no time, nor under any circumstance are participants, Team Leaders, or staff members permitted to consume alcohol or any other substance while participating in an AB program. This includes traveling to and from DIA. Additionally, no alcohol is allowed for purchase or transport on domestic or international trips.

All AB participants, Team Leaders, and staff members must sign a participant agreement prior to departure outlining the reasoning behind such a policy and terms and conditions thereof. Anyone who
breaks the policy will pay for all expenses incurred by UW for their travel and accommodations of being sent home.

If an infraction of the alcohol and other drug policy becomes apparent while on an AB trip, a Team Leader should:

- Diffuse the immediate situation to ensure the safety of all involved. This may include phoning the local police department or security force, if necessary.
- Phone the designated UW contact person and work with them to address the situation, including sending the violator home, if so determined.
- Record all pertinent information in writing for future use.

Upon returning to Laramie, if an infraction occurred on a trip, a Team Leader should:

- Meet with the designated UW contact person and AB Coordinator to discuss the situation.
- Complete an Incident Report (one can be obtained from the AB Coordinator).
- Work through the legal process, if necessary.

GRIEVANCE PROCESS

If, at any time, a participant, Team Leader, or staff member feels the need to file a grievance, they should follow the grievance process outlined below:

- The member should submit, in writing, an explanation of the situation within five (5) business days of the incident to the Associate Director or the Wyoming Union.
- The Associate Director or the Wyoming Union and/or Service, Leadership, and Community Engagement (SLCE) Coordinator must respond to the submitted grievance within ten (10) business days of receipt of the grievance.
- The grievance will be discussed and actions decided within a committee.

STUDENT CODE

ESTABLISHED THROUGH
UW REGULATION 8-30

INTRODUCTION: Welcome to the University of Wyoming community of students, faculty and staff. The University has provided a special relationship between these groups for well over a century. This relationship has been created to provide an exciting, creative and challenging learning environment for our community of scholars.

The partnership formed between students and the University is a participatory one. Both parties have very significant responsibilities and rights. We take each of these very seriously. It is also important to note that we provide opportunities for UW students to become involved in the judicial system by serving on several judicial boards. Faculty and staff members have opportunities for professional development by becoming hearing officers within the judicial system. The Code was created through the combined efforts of the administration, students, faculty and staff.

All members of the University community share a responsibility to maintain a climate suitable to an ethical community of scholars and to refrain from conduct that obstructs the work of the University, interferes with the lawful exercise of rights by other persons, endangers the safety or security of other persons or their property, prevents the proper use of the facilities of the University or impairs the maintenance of that kind of an environment which is essential to the operation of an institution of higher learning.

The primary responsibility for managing the instructional environment rests with each faculty member. The student has the right to participate in relevant, civil discussions, inquiry and expression in academic endeavors. Student academic performance shall be evaluated on an academic basis.

Students have the responsibility to maintain reasonable standards of conduct established by the instructor for each class.

B. Informal Process – Judicial Conference

1. Admission of responsibility. Students or student organizations that elect a judicial conference admit responsibility for misconduct. The purpose of the judicial conference is to determine what sanctions are appropriate for a violation of this Code. Students or student organizations that agree to a judicial conference waive any further right to further hearings or appeals regarding the admitted misconduct.

2. Hearing Officer’s Duties. A designated hearing officer will review the charges to determine the appropriate action or sanction.

3. Failure to appear. In the case of a student organization’s failure to appear, cancellation of the group’s University recognition or other judicial penalties may automatically occur.

4. Appeal. A student or student organization that participates in a judicial conference may appeal only the sanction(s) imposed by the hearing officer. The formal appeal shall be made in writing to the Dean of Students. Such disposition shall be final and there shall be no subsequent proceedings.

C. Formal Process – Judicial Hearing

1. General Procedures for Judicial Hearings

b. Appropriate accommodations will be made for students who have documented disabilities through the University Disability Support Services Office.

The responsibility for implementation of this policy lies with the Dean of Students, or his/her designee. Such notifications will become part of the student’s official judicial record maintained in the Dean of Students Office.

B. In hearings involving charges of sexual harassment or sexual violence, either or both the alleged perpetrator and the complainant may submit an appeal.

C. Appeals shall be made in writing and must be presented to the designated appeals officer within five (5) business days from the receipt of the hearing officer’s written decision. If mailed, the appeal should include a return receipt. The written appeal shall include the action being appealed and the justification for the appeal.

D. The designated appeals officer shall consider the appeal and any record in the case. The student or student organization shall be informed in writing of the final outcome of the appeal within forty-five (45) business days of its being presented.

   In appeals of charges of sexual harassment or sexual violence, both the alleged perpetrator and the complainant will be notified in writing about the outcome of any appeal.

E. Sanctions resulting from a formal judicial hearing shall not begin until either the time for appeal has expired without an appeal, or until the appeal has been concluded. The designated appeals officer may also impose temporary sanctions during the appeal process to ensure the safety and well being of members of the University community or preservation of University property.
Eight Components of a Quality Alternative Break

**Strong Direct Service**
Programs provide an opportunity for participants to engage in direct or “hands on” projects and activities that address unmet social needs, as determined by the community. Community interaction during service projects and throughout the week is highly encouraged.

**Alcohol and Drug-Free**
Issues of community impact, legality, liability, personal safety, and group cohesion are of concern when alcohol and other drugs are consumed on an alternative break. Programs will provide education and training on alcohol and other drug related issues, in addition to developing and communicating a written policy on how these issues will be dealt with on an alternative break.

**Diversity and Social Justice**
Alternative break programs include participants representing the range of students present in the campus community. Coordinators recruit for, design, implement, and evaluate their program with this in mind. Strong programs engage participants in dialogue that furthers understanding of how systems of power, privilege, and oppression relate to social issues present within communities. This deepened awareness enables students to do more responsible, sustainable, and impactful service work.

**Orientation**
Prior to departure, participants are oriented to the mission and vision of the community, community partner, or organization(s) with which they will be working.

**Education**
Effective education provides facts and opinions from all perspectives on the issue, including ways that participants' personal life choices are connected to the social issue.

**Training**
Participants are provided with adequate training in skills necessary to carry out tasks and projects during the trip. Ideally this training will take place prior to departure, although in some instances it may occur once participants have reached their site. Examples of training include teaching basic construction, learning how to work with children, or gaining first aid skills.

**Reflection**
During the trip, participants are encouraged to reflect upon the experience they are having, synthesizing the direct service, education, and community interaction components. Time is set aside for this to take place both individually and as a group.

**Reorientation**
Upon return to campus, participants transfer the lessons learned on break by identifying local organizations for continued education or service, sharing their experience to raise awareness of social issues, and by organizing or joining other small groups to take action on local issues through direct service, advocacy, and/or philanthropy.
