Another school year has come and gone. Congratulations to all the seniors for completing your high school education and good luck with the future. For now, it is summer time! We are getting ready for another exciting summer full of classes, camps, trips, and fair time. Please read through this newsletter and mark your calendar so you don’t miss out! This summer, I hope you all take advantage of what we offer here in the 4-H program as volunteers, interns, office staff all take extra time and effort to make these events the best that we can.

When you go to the different events, remember that you are not only representing yourself, but your 4-H club, Campbell County 4-H, and the State 4-H Program so dress for success! Jeans with no holes, no spaghetti strap shirts or short shorts are a NO GO. When you get ready for classes and fair, think of how it is best to present yourself. PLEASE do not come to 4-H activities in your PJs! And remember, correct shoes are a must!

In other exciting news, on May 30th, I married my best friend and boyfriend of 7 years. Please no small fry, french fry, etc. jokes (luckily there weren’t too many tinker bell and taco bell jokes before)!

Yours Truly,

Kimberly Fry

Dear Campbell County Fair Friends:

We are making plans for our 2015 Campbell County Fair and we would like to ask for your help. Each year we fund the awards and are always looking for donors. We sincerely appreciate those who have contributed year after year to our youth. If you haven’t donated in the past, we hope you will consider helping us out this year.

If you have particular areas that you are interested in, please mark them below and we will see that your donation is applied to those projects. **Some projects fill up faster than others, so please mark a second and third choice also.** For your information, we try to find awards in the $15 to $50 range. Belt buckles range from $100 - $125.

Any help or support you may contribute to help us purchase awards for our 4-H and FFA youth will be greatly appreciated. It is people like you that make our Fair a success and make it possible to provide all the awards necessary to recognize the outstanding achievements of our 4-H and FFA youth.

Sincerely,

Garrett with 21 Divide reported on the Hunter Safety classes in Wright at the end of February; the profit from serving lunches both days was $150.00. Entry fees totaled up to be $865.00 minus a paid out adult prize of $25.00, for a total of $840.00. The Youth received trophies and the Pee Wee age division got candy bars. They also made $82.43 from the bake sale at the shoot. HDC MEETING MINUTES for April & May

April 13, 2015

**PRESIDENT:** Heidi Vossler called the meeting to order at 6:01 pm.
**AGENDA:** Treasure report of $3,720.40 in HDC. The March 8th roping clinic was a huge hit. Unfortunately no new members showed up for the Beginner’s Horse Progress Show on April 4th, Easter weekend. The group discussed a survey Kim sent out to beginner horsemen. Saunda is willing to host another event this year. Nelda decided to take over the Rodeos for the summer series and Heidi will take over the Progress Shows with Cindy’s help. Kim will resend the flier out to surrounding counties. There was discussion on the dates for 2016 at the Cam-Plex. Karen has a location to use at no cost, but it has to be picked up and left better than before. Another group of people were organized to go over the award wants and needs. They will come up with a donation letter to raise funds for this year. The state horse camp registrations will be open soon. Meeting ended at 7:00 pm with the next meeting being May 11th at 6:00pm.

**MEMBERS PRESENT:** Cindy Beaver, Kim Bell, Karen Cunningham, Amanda Jundt, Dalayna Jundt, Kayla Jundt, & Heidi Vossler

May 11, 2015

**PRESIDENT:** Heidi Vossler called the meeting to order at 6:03 pm.
**AGENDA:** The Treasurer reported $3,790.79 in HDC. Nelda moved to reimburse the Beaver & LaTorres families funds for attending camp as the club held a fundraiser and voted to pay for camp. Nelda reported on the Rodeos. Members will be allowed to register for all rodeos at the beginning. She will got to the Extension Office and go through supplies. Ryan Hayden agreed to provide goats and Whiskers agreed to provide the calves. Saunda reported on Progress Shows. JD has agreed to work with Saunda to take over the Progress Shows as this is Saunda’s last year. Discussion was had to switch a Progress Show date with the Little Levi Rodeo to help accommodate that group as they help out the 4-H shows greatly. For next year’s progress shows, Kim will look into adjusting the schedule for June 18, July 2, and July 16 between the Cam-Plex and the Triple K Arena. The 4-H Council approved for the HDC to send out sponsorship requests for awards for the series. Celeste has a form that will be used by Horse members to get donations. Kim brought up the issue of Horse Safety. The current list of members with Horse Safety Forms turned into the Extension Office is outdated. The HDC agreed to look more into safety of our members. Meeting ended at 6:54 pm with the next meeting being June 8th at 6:00pm.

Responsibility

Responsibility is doing your best to take care of the things around you that need to be done.

Responsibility involves a few things:
- Accountability
- Using Self Control
- Having Goals
- Choosing a positive attitude
- Doing your duty
- Being proactive
- Setting a good example

After looking at these things, do you think you are responsible?

How do we learn to be responsible? When we practice being responsible, we learn how to be more responsible. We also learn responsibility from good role models.

A big part of being responsible is making good choices. The two fundamental principles of good decisions are:
1—We all have the power to decide what we do and what we say.
2—We are all morally responsible for the consequences of our choices.

Remember, being responsible isn’t always easy. If we work hard, and take responsibility for ourselves, it will be worth it in the end. Being responsible helps us achieve great things, and helps us feel good about ourselves and all of our accomplishments.

4-H Activity

The Six Letter Solution

Prep: Have the following group of letters written on a flip chart or white board before club members arrive. Be sure to keep this exact order: RSIESX-PLOENTNSIBELRISTY.

Directions: Hidden in this jumble of letters is a specific word in the English language that can only be found if you remove six letters. If you find it, write it down so everyone has a chance to discover it. What questions do you have? (The trick to the activity is to eliminate the letters “s-i-x-i-e-t-t-e-r-s” to reveal the hidden word of responsibility.)

After the youth have figured out the activity or you show them the trick, discuss the different aspects of responsibility. Possible discussion starters are:
What does responsibility mean to you?
How have you seen others act responsibly?
Do you think responsibility is important? Why?
How can we be responsible 4-H members?
Why be responsible?
