RESPECT

What is respect?

Respect is very important in our relationships with others. When we respect others, we treat them with consideration and courtesy both verbally and physically. Respect for others should always be demonstrated and characterizes how we live our lives. It is a very important quality that will enable you to relate to and work well with others. Follow the Golden Rule; treat others the way that you would want them to treat you. Good manners matter and respect is demonstrated when consideration and kindness is shown to others. Respect is very important to a person of character.

Check for Respect 4-H

The laughs gained with playing this game with your club can add some fun and give your club members the judgment to understand that the humor can be funny to listen to, but not funny if it is acted out. Some examples include:
- You feel a sneeze coming, so you
  a) look for someone to sneeze on
  b) cover your mouth and nose with your hands
  c) turn your head away from people and let the sneeze out as loudly as possible.
- Company is over. And you notice that after the meal, your mom has a big piece of lettuce on her tooth. You
  a) point at it and start laughing as loud as you can.
  b) ask if anyone can tell which of your mom’s teeth is not like the other.
  c) quietly whisper in your mom’s ear that she should check her teeth in the bathroom.

Clover Connection

Head - think before you say something or before you act.

Heart - treat others the way you would want to be treated.

Hands - manners matter...use them.

Health - be respectful of your body and take care of yourself.

Winchesters:
Rowdy Raiders:
Krazy Kittens: Made carnival posters and general business.
Clover Colts: Made carnival plans and next meeting is 4-28
Cactus 4-H: Went bowling for Jason’s Friend fundraiser, and made carnival plans
Stir Ups: Made carnival posters and had election of officers

Secretary’s Report: The January minutes were read and approved, Carla moved to approve and Kristen seconded the minutes. Motion carried to approve minutes.

Treasurer’s Report: Kristen reported the account balances as; Checking: $27,508.58, Wyoming Foundation: $17,921.20. Carla made the motion to approve the financial report. It was seconded and motion carried.
Carla moved that we renew our membership to the Kaycee chamber of commerce, Elizabeth seconded the motion and the motion carried.
Carla moved that the Council pay for the Dog Club manuals, Lisa seconded the motion the motion carried.

Shooting sports asked for rest of the grant funds to be transferred to their account so they can get a detailed report to the rec board to show how funds were spent.

Committee Reports:
Fundraising: The carnival is Friday March 20 from 4-8 at Bomber Mountain, set up is at 3:00, everyone needs to bring 1 white elephant gift and 2 cakes per family. Carla will be stepping down from the fundraising committee after this carnival. PSA have been recorded, and other advertising done. Wednesday is the cut off for the top raffle ticket seller. Need to advertise the raffle ticket drawings winner.
Awards & Recognition: None
Livestock: The MOU was tabled, they went over the show rules that will be passed out at the required meetings on April 19, 21, or 26, and showmanship is required in market classes. Next meeting is May 7th
Jr. Leaders: none present
Mountain Camp: We will start planning soon and need volunteers. The dates are June 17-20
Jr. Fair Board: Everyone is on board and applications will be going out soon.

Old Business:
Casey has spoken with Jeremiah, Jenn Bishop offered to help however they need it. They need to get the checkbook back and the signature card at the bank done. Kami Kennedy, Katie Bray and Donna Nelson are all on the committee.
Jr. Leaders were discussed, and the difference between that and Jr Fair Board. It was decided to wait until the new educator gets here.
The Council Bylaws will be looked at the next meeting.
Amanda and Blaine discussed how the educator interviews went. If all goes well, we could have an educator by the end of the month and in the office in May.

New Business:
Ryan旖旎 asked to use the raffle for the Cowboy Tough Exhibition Race. Carla moved that we allow Ryan to use the raffle as long as he signs a usage agreement and liability waiver. Jeff seconded the motion, the motion carried.
The Wild West 4-H club is no longer, there was some discussion as to what to do with the club funds. Kristen will call to see what needs to be done to close the account.
Donna asked for some start up funds for the stir up 4-H club. Carla recommended that they do a 50/50 raffle at the small business expo. This has been tabled until we see how they do with the 50/50 raffle.

Kountry Kids 4-H Meeting

Kountry Kids had their 3rd 4-H meeting at the fire hall on Monday the 16th of March. Rowen called the meeting to order at 6:45 p.m. First Elizabeth talked about how the council meeting went, then how the livestock meeting went. Sophia also talked about how the shooting sports meeting went. Then we talked about the 4-H caravel, and what we needed to bring. Quin told the Kountry Kids how much money we have raised with the Cyrrstalux fundraiser this year, and that is about $800.00 dollars. Rowen talked to the Kountry Kids about our fun day, and we had to vote on what we wanted to do. We decided to go to the water park in Gillette. The Kountry Kids high way clean up date would be on May 5th. Then we had 4 people do demonstrations. Delanie did a demonstration on the titanic, and how it sank. Kaya did a demonstration on what you can us milk goat for. Hollis did a demonstration on her favorite kind of chicken. Finally Olivia did a demonstration on her flute, which was very beautiful.

MAKE SURE YOU ARE READY TO TRAVEL!

If you are planning to attend a show with your 4-H animals, make sure you have the proper paperwork to avoid crossing county and state lines illegally. This will save you time and possible fines for not being compliant with the current brand and health inspection laws of the state of Wyoming.

Look inside this brochure for the necessary transportation requirements. You’ll want to be sure to check on rules for that particular show. If you leave Wyoming, you’ll want to check requirements through the animal health unit of your destination state.

Good luck at your shows!

I Pledge my HEAD to clearer thinking,
My HEART to greater loyalty,
My HANDS to larger service, and
My HEALTH to better living,
For my Club, My Community, My Country, and My World.

Livestock Transportation Guidelines

STEERS AND SHEEP

To travel across county lines, sheep and cattle need a brand inspection (refer to the middle panel for available forms). To travel across state lines, animals need a brand inspection and a health certificate. Look below to determine which forms your sheep or cattle will need to travel to the show!

To Cross the County Line:
- Brand inspection A Forms, H Forms, C Forms, and L Forms all work for sheep and cattle to cross county lines.

To Cross the State Line:
- Brand inspection A Forms and L Forms are the only forms that allow animals to cross a state line.
- A health certificate from a licensed veterinarian is required to cross a state line.
  - Keep in mind that health inspections costs vary and they must be written and used within 30 days of travel.

PIGS AND GOATS

To Cross the County Line:
- No paperwork is required for pigs and goats to travel across the county line.

To Cross the State Line:
- Pigs and goats must have a health inspection from a licensed veterinarian to cross a state line. You may need to call your destination state for extra permit requirements.
  - Keep in mind that health inspections must be written and used within 30 days of travel.

Available Brand Inspection Forms:
- A Form
  - Allows animal to travel once to a destination.
  - Cost: $1.50 for cattle, $0.30 for sheep, $0.35 for swine
- H Form
  - Allows animal to travel around the state for one year.
  - Cost: $2.00 per animal
- L Form
  - Allows any animal to travel anywhere in the country for the animal’s lifespan.
  - Cost: $13.00 for any species
- C Form
  - Allows any number of animals to travel to a livestock auction only.
  - Cost: The livestock auction will charge for the brand inspection upon arrival.

HORSES

To travel across county lines, horses require a brand inspection only (refer to the middle panel for available forms). To travel across state line, horses require a brand inspection, a health certificate, and a negative Coggins test.

To Cross the County Line:
- Brand inspection A Forms, H Forms, and L Forms all work for horses to cross county lines.

To Cross the State Line:
- Brand inspection A Forms and L Forms are the only forms that allow animals to cross a state line.
- A health certificate from a licensed veterinarian is required to cross a state line.
  - Keep in mind that health inspection costs vary and they must be written and used within 30 days of travel.
- A negative Coggins test performed by a licensed veterinarian is required to cross a state line as well.
  - Keep in mind that it takes 3-4 business days for a Coggins to be completed and costs will vary.

* Be sure to call your veterinarian and brand inspector ahead of time to make an appointment!
In 2011 the Johnson County 4-H Council developed the program 4-H @ Work to Help Johnson County youth ages 15 to 18 gain life skills such as interviewing, resume writing, job performance and responsibility with an internship. The intern will have the opportunity to observe, learn, and participate with the employer of their choice. The hope is through the internship, the intern can find a career that they may pursue after high school.

Interns will experience as many aspects of their chosen career as possible and work with their employer to learn skills necessary for the job. The professional work force of the intern’s choice may be welding, accounting, retail, banking, law, carpentry, and the list goes on. The intern is required to work 120 hours between May 1, 2015 and March 1, 2016. Once timesheets, evaluation forms from employer and intern are turned in to the Johnson County Extension Office (by 03/01/16) a stipend of $1,200 will be issued to the intern with no cost to the employer.

This opportunity is available to all Johnson County youth. However, if an internship is awarded, the youth must become a 4-H member. This year the program has funds for four internships.

**How to Apply**

Step 1: Think of a career you would like to learn more about through real-life experience.

Step 2: Contact a professional or business owner in this field and inquire if they would be interested in having an intern work for them for 120 hours at NO cost to them.

Step 3: Fill out the application, resume, and other required application materials. These may be picked up at the Johnson County Extension Office.

Have You Given Your Presentation?

Want to develop self confidence and share something you know? Learn the basic steps of giving a presentation and it is as easy as 'pie'! Did you know that just about anything from the many ways of opening a can of soup to horse gait can be talked about for 5, 10, or even 15 minutes and qualify as a topic?

First, there are demonstrations (usually show how to do something with actual materials and equipment) and illustrated talks (show how to do something using posters, illustrations or a model). These are the two main ways to share information or show someone how to do something. It is easy and fun, too! Follow the three basic steps. In a nutshell, they are:

The **Introduction** introduces yourself and your topic. The purpose is to create interest. Be as clever and interesting as you can to catch the interest of an audience! Avoid, “Hello, I am Sue Cool and I am going to…”

The **body** of the presentation should expand on the topic as much as you can in the time available. It is important to keep the audience interested by CLEARLY explaining information and providing examples.

In **conclusion**, the audience should be told only those things that you feel they should be sure to remember. Just one or two major points is all that is needed. Re-reading a recipe is not a conclusion nor is just asking for questions (which you should do upon completion). A conclusion is important because it helps the audience remember the most important points you have presented.
