To the Johnson County 4-H Community,

The Johnson County and Wyoming State Fairs (WSF) have come and gone with lots of anticipation, anxiety, hard work, great (and some not so great) projects submitted, incredible livestock, big smiles, and a few tears by both youth and parents. I have been tremendously excited at the level of engagement and enthusiasm by the youth, families, and friends of those involved in the 4-H program. Hard to imagine but there was well over 2,500 views on the Johnson County 4-H Facebook page during the WSF week watching what our Johnson County kids were doing. As, I said in the last Clover Chatter. “There is a great feel about the direction the 4-H program is going and I am excited to be involved.”

A special thank you goes out to the adults who gave so much time to make the Junior Livestock Sale a tremendous success. The Fair Board, Junior Fair Board, Livestock and Sale Committee folks provided the best possible opportunity for our youth to get the best price for the critters sold. Other counties are envious over the average prices the Johnson County sale brought. An incredible clerking crew went through three extensive training sessions to make the sale experience better for the buyers thus ultimately for the youth selling. Thanks to Nancy Jo Kessler, Jennifer Jackson, Carmen Rodriquez, Kassie Kales, and Rhonda Schlichting for providing such a high level of customer service. Chanda Rule, Amanda Kaufmann, Amanda Hulet, Kristen Hepp, and Donna Nelson also need special thanks for what they did to make it all happen. Thanks, as well, to Commissioners Linda Greenough and Jim Hicks for their involvement and a special thanks to Commissioner Bill Novotny for working directly with me during some of the shows.

Along with savoring all the accomplishment of the 4-H 2015 year, I am excited to launch another 4-H year. I am looking forward to the end of the year club evaluations and strive to get all clubs on the same page. 4-H has a strong tradition in Johnson County and with that carries the responsibility by all involved to understand and follow clearly established 4-H program expectations. With new 4-H State Office requirements, including many more online steps, and the need to conduct 4-H club matters under best practices guidelines, I feel it essential to meet with every club leader and other parents interested in stepping up this fall.

During the week of WSF, I was able to visit with other Extension Educators, parents and friends from other Counties, and all expressed amazement with what Johnson 4-H youth accomplish and what our youth brought to Douglas. Since I came to the 4-H position late in the year, having jumped in only three months ago, I am delighted at the level of competitiveness and commitment to excellence Johnson County brings. This is a testament to the quality of the kids and the dedication by the adult leaders (exactly what I saw when my kids were in Kountry Kids years ago).

I also have seen issues and areas of concern and plan to work with the 4-H Council to make 2016 better. The single most important point of emphasis is that 4-H is designed to include the family. All aspects are dependent upon parental involvement. WSF was a prime example of how critical parental involvement is for the success of the program. Elizabeth Downare and Gary Bessler were in Douglas for the duration of WSF and provided me and our Johnson County kids insights and clear direction. I, and we all, need to thank them again for their commitment to 4-H.

Caring... Have you done it today?

If you can’t think of anything nice to say, you’re not thinking hard enough!” ~ Kid President

Have you ever taken a moment to watch a Kid President video? If not, take a few moments to google it, you will be inspired to become AWESOME!

Awesomeness is not just about doing the right thing, it’s also about caring for those around you. When you care for someone, you show how much you appreciate the person they are, flaws and all.

One of the easiest ways to show you care is to speak kind words. Along with kind words, listen to how others are feeling. Pay attention to their words as well as their body language, show compassion for their thoughts.

A great way to teach caring behavior is to model it yourself. Pass around high-fives, smile at others, compliment your peers, and listen when others are speaking. Praise kind behavior, and never tolerate rudeness.

Caring is not something that comes naturally to everyone, sometimes it takes PRACTICE!

Make a conscious effort

4-H Activity:

Snowball Fight!

Materials: A large pile of paper and pencils.

Procedures:

1. Have members sit in a circle on the floor.
2. Distribute a sheet of paper and pencil to each member
3. Ask each member to write their name at the top of the paper.
4. Once members have

sheet of paper, ask them to crumble them into a ball.
5. Tell members to throw their paper balls like a snowball fight!
6. Once the fight has died down, ask them to choose a ball, un-fold it, and write something nice about the person on the ball.
1. Crumble the papers again and have another snowball fight!
2. Once the fight has died down, repeat step 6. Repeat as many times as compliments you wish to have members write.
3. Ask each member to read the last ball they pick up to the group.

Thanks to all attending the 2015 Wyoming State Fair! We had a great representation from Johnson County and it was an exciting to watch the kids competing and excelling in a wide variety of activities.

The youth in Johnson County have been very fortunate to have great sponsors who help defray the costs for the trips to state fair. Due to the combined efforts of the Johnson County Fair Board, Johnson County 4-H Council, ANB Bank, and the Wyoming 4-H Foundation our youth exhibitors need to come up with a very limited amount of money to cover the costs stall fees, gate entrance, meal tickets, etc. for attending the Wyoming State Fair. For those families that purchased extra items such as gate passes for family members or Livestock Exhibitor passes, billing is being processed with the remaining youth exhibitor fees.

The Johnson County youth making the trip to the 2015 Wyoming State Fair included:

The Congressional Award is about challenge. It is a fun and interesting way to get more involved in something you already enjoy or something you would like to try for the first time. To earn the Award, young people between the ages 13 ½ – 23 years old, set goals in ALL four Program Areas: Voluntary Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. Once a young person registers, they are on their way to earn the Gold Medal. The Award is meant to be a challenge, yet achievable, with goal setting and a long term commitment to these goals in the forefront.

4-H youth are already on their way to success and are eligible to earn the most prestigious award given to youth by the Wyoming delegation. The Gold Medal is presented in Washington, DC where youth from all over the country celebrate their success together with state delegations and national representation.

Our club meeting took place at Buffalo City Park at 5:00. Those in attendance were Barrett Freise, Elsa Freise, Bella Johnson, Maddi Johnson, Max Kessler, Nathan Kessler, McKinley Kessler, Vivi Ostheimer, Dawson Palser, Sage Palser, Hannah Qualm, Holly Qualm, Kendra Schultze, Andy Wages and Hamlin Wing. As soon as we got there, we did our community service project and raked the horse shoe pits by fluffing up the dirt with a shovel, then raking the dirt down smoothly. Everyone was participating and it went smoothly. We did a great job and finished our work quickly. Jim Dawson stopped by to say hello at this meeting. Demonstrations were next with Hannah doing a presentation on making popcorn, Sage and Holly doing their presentation on volleyball skills, and Maddi did her presentation on ironing. We had a break and had potluck. There were a lot of delicious foods and we ate until we were full. Thank you parents for their help by bringing food. We played on the park equipment for a bit then grouped together to finish our meeting. Our current budget is $297. We also brainstormed ideas for fundraisers. Suggestions were a car wash, and personal lemonade stands in desired location (in own neighborhood, in front of stores, etc.) on your own time, then bringing the money you made to Maddi's house (our treasurer), to deposit into our savings account. Please brainstorm more ideas for next meeting and think upon ones suggested. Also please fill out your youth survey and bring it to next meeting. Our next meeting will be June 29th, 2015 at 7:00 at the Park. Meeting adjourned.

Thank You,
Elsa Freise
Club Secretary
