Read carefully the General Policies of the Sweetwater County Fair. 4-H participants/exhibitors and chaperones will abide by all policies.

1. All Wyoming 4-H members in good standing are eligible to enter exhibits in the 4-H Department’s Divisions and Classes. A member must be enrolled in the project in which he/she exhibits and the exhibit must be the result of the 4-H member’s project during the current 4-H year.

2. All 4-H contests and activities will be supervised by Extension Educators and support staff, 4-H Leaders, and 4-H Junior Leader Council members.

3. The Sweetwater County 4-H fair contests/classes will follow all the same rules and regulations as the Wyoming State Fair 4-H contests/classes.

4. Contestants MUST register for all county contests to be eligible for awards and premiums.

5. The University of Wyoming Extension (UWE) Staff are responsible for the organization and supervision of the 4-H Department.

6. All 4-H members must be properly chaperoned. 4-H Leaders and parents must be accountable for members at all times and cooperate with the UW Extension Staff and Fair Management.

7. THE USE OF ALCOHOL, TOBACCO, AND ILLEGAL DRUGS IS PROHIBITED AT ALL 4-H SPONSORED EVENTS OR ACTIVITIES.

8. Conduct – Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.

9. Medical Emergencies and Health Forms-- In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the county fair. After immediate attention is addressed, please contact your UW County Extension Educator.

10. Mandatory State Fair Meeting—All those interested in attending the Wyoming State Fair MUST attend the State Fair meeting held Saturday at 9:00 a.m. in the Small Hall. Discussions will include: responsibilities, meal tickets, housing, transportation, etc. All paperwork required for attendance at State Fair must be completed at this time. Livestock members need to check in and let the 4-H staff know whether you will attend the auction and/or State Fair for the auction book. If you fail to check in at this time, the Superintendent will follow up with the next placed individual, if applicable.

11. Grievances - (1) Must be submitted in writing and must be accompanied by a $50.00 check. If the protest is granted, the check will be refunded to the owner. (2) The protest must be submitted to the appropriate superintendent. (3) The protest must be filed in writing at least 12 hours before the show begins or within 12 hours after the end of the show. (4) The show superintendent and a representative of the County 4-H Office and Fair staff will make up the grievance committee to hear the concern.

EXHIBIT INFORMATION

1. It is the responsibility of 4-H and FFA youth for correct entry of their exhibits.

2. The Sweetwater County Fair, UW Extension Staff or FFA Staff will not be responsible for the loss of or damage to any article or animal.

3. Entries - All entries must be entered online. Youth may make multiple entries. Exhibits should demonstrate different skills learned by the youth.

4. Any project entered by two or more Youth members shall be entered as a club or group entry, unless the project can be demonstrated (uniquely) by each member.

5. All 4-H members with static exhibits will participate in Interview Judging. However, due to the absence of interview judging at the Wyoming State Fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing (Skills Summary Questionnaire) should your project be entered at the State Fair.

6. Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered. i.e. Entry in leathercraft is evaluated on leathercraft skills.

7. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to pegboard. If the items cannot be hung, they will be displayed on the floor or table. Display boards or poster boards must be able to stand “on their own” on a table.

8. Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the local 4-H office or FFA staff may not be allowed to be publicly displayed and/or judged.

9. Oversized exhibits will be displayed as space permits.

10. 4-H and FFA static exhibits are placed as judged using the Danish system of recognition (Purple, Blue, Red, White).

11. 4-H Static (Non-Live) Exhibits—all 4-H static exhibit judging will begin at 12:00 p.m. on Monday, August 01, 2016. Please check in your item and obtain an exhibit tag. Please tag exhibits so exhibitors name can be viewed from the front.

12. FFA Static (Non-Live) Exhibits—all FFA static exhibits are due to the Sweetwater County Fair by 8:30 pm, Sunday, July 31st. Judging will take place prior to the 4-H Static Exhibit judging on Monday, August 1st at 12:00 pm.

13. Exhibits released-Exhibits will be released from the Exhibit Hall beginning 8:00 a.m. to noon on Sunday, August 07, 2016. Any remaining exhibits will be disposed of.

14. The number of youth receiving State Fair trips will depend on the quota set for Sweetwater County by the State Fair.

15. Unsportsmanlike conduct will not be tolerated, and the offending exhibitor will forfeit premiums and may immediately be dismissed from the fairgrounds.

16. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service involving 4-H youth was reviewed and amended to read as follows: “If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H members may carry the same type of supervised occupational experience program in vocational agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project.”

GENERAL YOUTH LIVESTOCK INFORMATION

1. A 4-H or FFA youth may bring a total of four animals to the Sweetwater County Fair.

2. There will be no muzzles, of any type, allowed on livestock unless approved in writing by a licensed Wyoming veterinarian and presented to the specific Show Superintendent.

3. All animals brought to the Sweetwater County Fair must be accompanied by a current certificate of veterinary inspection obtained within 30 days of an Animal Trade. Read as follows: When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the County Fair Veterinarian and recommend an action to the Fair Management. Animal may be dismissed or quarantined, if necessary.

4. Horse exhibits must adhere to current state veterinary procedures.

5. All livestock brought to the Sweetwater County Fair must be accompanied by a current brand inspection and other necessary paperwork.

6. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service, involving 4-H and FFA youth, was reviewed and amended to read as follows:

“If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H or FFA members may carry the same type of supervised occupational experience program in Vocational Agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project.”

7. Ownership
   • Market Beef - February 1
   • 4-H Dogs - May 1
   • Sheep, Swine, Poultry, Rabbits Breeding Beef, Dairy Cattle, Dairy Goats, Meat Goats, 4-H Cats, and 4-H Pocket Pets - June 1.

Market animals not having the proper tags in place will not be eligible to show at the Wyoming State Fair. NO EXCEPTIONS!
8. Unsportmanlike conduct will not be tolerated, and the offending exhibitor will forfeit premiums and may immediately be dismissed from the fairgrounds.

9. YOUTH ANIMAL CARE/FITTING POLICY: Youth exhibitors must accompany, care for and exhibit their own livestock at the Sweetwater County Fair. A Youth member is expected to take care of and groom/fit their own animal at the Sweetwater County Fair. However, in the interest of safety or education, a Youth Member may be assisted by another bona fide Sweetwater County 4-H or FFA member.

   Assistance is defined as a learning situation, where a person doing the assisting is teaching another member a technique in fitting or showing. This person is allowed only to show the Youth member the proper skill or techniques, and the Youth member is expected to perform the majority of each technique/skill required.

   Violations of this rule must be reported to the Show Superintendent before the animal enters the show ring. A decision by the Show Superintendent will be made before the animal is allowed in the ring.

If a Youth is found to be in violation of the fitting rule, he/she may be disqualified from competition in any Youth division entered at the Sweetwater County Fair, including the Showmanship Contest.

10. During official class judging, only the exhibitor will be allowed in the show ring. In Showmanship classes, exhibitors must show their own animal. In case of sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona-fide Wyoming 4-H or FFA member and the Show Superintendent grants permission in writing in advance of the show.

11. All adults except those qualified to be in the show ring, must remain outside the show ring while the show is underway.

12. Each Youth member having livestock for show is required to keep their display area c and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards. Herdsmanship is an important feature of the Youth Shows at the Sweetwater County Fair. Stall cards are to be completed and on display for the duration of the fair.

13. Youth members will keep their livestock well-groomed at all times during the fair. Cattle should be tied securely and gates of sheep and hog pens kept closed.

14. Grievances: (1) Must be submitted in writing and must be accompanied by a $50.00 check. If the protest is granted, the check will be refunded to the owner. (2) The protest must be submitted to the appropriate superintendent. (3) The protest must be filed in writing at least 12 hours before the show begins or within 12 hours after the end of the show. (4) The show committee, superintendent, 4-H Educator and/or FFA Advisor will make up the grievance committee to hear the concern.

15. There will be no dogs allowed in the Livestock Barns.

16. All livestock fans must be mounted at least five (5) feet high, on stationary mounts. No fans in pedestrian walkways. Fans or equipment in use by exhibitors that is deemed by Fair Management to be obstructing safety, needed pen space or barn operations will be requested to be removed. Safety guidelines must prevail.

17. All Youth Show animals must be housed in the designated Youth Livestock Barns, unless given special written permission by the Youth Livestock Superintendent.

18. Youth Livestock Shows will be placed according to their merit-1st, 2nd, and 3rd placings. In larger classes, more placings may be made according to the size of the class.

19. Youth Dress Code—4-H members in the horse show, market animal and showmanship and livestock classes are encouraged to emulate the following dress code: dark pants, white long sleeved shirt, and designated 4-H neckwear, ribbon or armband. Dairy cattle and dairy goat 4-H members are encouraged to emulate the following dress code: white pants, white long sleeved shirt, and designated 4-H neckwear, ribbon or armband. For safety reasons, large animal entrants of all classes (beef, sheep, swine, and goat) will be required to wear boots (no soft soled footwear such as tennis shoes). Dog entrants may substitute the dark pants for a functionally appropriate dark shirt.

   FFA youth are encouraged to follow the Official FFA Dress (see official FFA Manual).

20. Livestock loading will begin at 8:00 a.m. on Sunday morning.

21. The Sweetwater County Fair Grievance Committee reserves the right to interpret these rules and regulations and arbitrarily to settle and determine all matters, questions and differences in regard thereto arising out and not covered by them.

22. Swine, lambs and beef considered underweight shall be placed in Feeder Classes.

23. THE DECISION OF THE JUDGE TO “NO SALE” ANY ANIMAL THAT IS EITHER UNDER-FINISHED OR OVER-FINISHED WILL BE UPHOLD.

24. The Sweetwater County Fair will not condone bracing of lambs during any contests. Bracing is defined as the act of pushing against a lamb, while the lambs are being judged. The following rule will be enforced. NO LIFTING, OR USE OF ABUSIVE FORCE TO STIMULATE BRACING OF LAMBS WILL BE TOLERATED.

25. All livestock must be on the Sweetwater County Fairgrounds no later than 8:00 p.m. on Monday and will not be released until Sunday at 8:00 a.m. Weigh-in schedule will be: SWINE Tuesday at 6:30 a.m.; followed by BEEF at 9:00 a.m.; SHEEP & GOATS follows at 11:00 a.m. All animals housed at the Sweetwater County Events Complex for county Fair must be fed by 7:00 a.m. and again at 7:00 p.m. Beef must tie-out by 7:00 p.m. Please tie-in before 8:00 a.m. each morning.

THE FOLLOWING INFORMATION REPRESENTS THE WYOMING STATE FAIR POLICIES AND PROCEDURES RELATING TO THE JUNIOR LIVESTOCK SHOWS. SWEETWATER COUNTY FAIR FOLLOWS THE WYOMING STATE FAIR POLICIES & PROCEDURES.

IAFE NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to all livestock shows as open as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics,” fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is prohibited.

2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3) 4-H exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4) Animals shall be presented to show events where they will enter the food chain of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer, transfer to the laboratory and analysis of the sample are correct and accurate and the report
received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9) The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11) The act of entering an animal in a fair or livestock show is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

2016 WSF ANIMAL CARE STATEMENT:

Wyoming State Fair has developed an Animal Care Committee with representatives from: Wyoming State Fair, Wyoming Department of Agriculture; and Wyoming Livestock Board. The committee is charged with determining proper care is given to all species of livestock while they are on the Wyoming State Fairgrounds as well as upholding high standards of animal husbandry and ethical practices of exhibiting animals (as addressed in Wyoming Statute 11–30–114).

The Animal Care Committee shall be comprised of the Wyoming State Fair Director or their designee; the Director of the Wyoming Department of Agriculture or their designee; the Wyoming State Veterinarian or their designee; and the Superintendent for each species specific division of the Wyoming State Fair. The division Superintendent will be a non-voting member in cases where they (as an individual) bring matters of concern or violation before the committee.

The Animal Care committee shall be convened for matters of concern raised by Wyoming State Fair Officials (Superintendents; Staff; or Judges) or individual members of the Animal Care Committee. The Animal Care Committee may determine the need to contact Wyoming Livestock Board Law Enforcement Division personnel regarding potential violations of statute. Wyoming Livestock Board Enforcement Division personnel may be present on the Fair Grounds at any time to identify or to investigate alleged violations of statute.

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair, agrees to submit any animal so entered to inspection by the Animal Care Committee. The exhibitor further agrees to have such animal submitted to any tests designated and requested by the Animal Care Committee. The exhibitor agrees that protests to conclusions and decisions reached by the Animal Care Committee shall be subject to the Wyoming State Fair protest process, and that further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Committee. A unanimous decision by the Animal Care Committee is necessary for disqualification. Selection of confirmatory testing method(s) will be at the discretion of the Animal Care Committee. The animal in question will not be disqualified until confirmatory tests are complete. Cost(s) of confirmatory test(s) will be borne by the exhibitor of the animal in question if the results are positive (disqualification), and borne by the Wyoming State Fair if the results are negative. Refer to Rule # 9 (DISQUALIFICATION), page 24 of the Wyoming State Fair Premium Book in the JUDGES AND JUDGING section.

c) Any person who violates this section shall be punished as provided by W.S. 11-1-103.

d) As used in this section:

2016 WSF TAIL DOCK POLICY

Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Committee, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Animal Care Committee and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibited area. Determinations and decisions of disqualification by the Animal Care Committee are final and subject to confirmatory testing as specified in the Animal Care Statement section of the this premium book.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal’s health and wellbeing.

Out-of-State Origin Animal Import Requirements
Import requirement information for out-of-state origin animals and entry permits may be obtained by calling the Wyoming Livestock Board at (307) 777-7515; http://wlsb.state.wy.us. Entry permits are required on bison, cattle, sheep, and swine.

Brand Inspection Requirements:
A Brand Inspection is required on any Bovine, Equine and Ovine moving intrastate across a county line prior to entry. A Brand Inspection is also required on any Bovine, Equine and Ovine leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Document need to be presented for inspection at time of animal health check-in.

ANIMAL HEALTH REQUIREMENTS

Animals will not be allowed on grounds until they have completed the necessary steps at Animal Health Check-In.

A stamped veterinary certificate is then to be made available to security and the entry office for the youth show or open show department superintendents for review as needed. This requirement includes all pets brought to the State Fair by exhibitors and/or guests.

No animal will be allowed to exhibit or compete at the Wyoming State Fair and Rodeo without a Certificate of Veterinary Inspection.

The Wyoming State Veterinarian or his designee may implement any special inspection or quarantine procedures that are believed necessary to prevent the spread of contagious and infectious disease to humans or to other animals. An animal showing symptoms of a contagious or infectious disease shall be placed under quarantine or not allowed on grounds or removed from State Fair Park at the discretion of the State Veterinarian. The professional judgment of the State Veterinarian or a Deputy State Veterinarian will be the final deciding factor on all animals.

Any exhibitor/animal not meeting these requirements of the Wyoming Livestock Board rules are subject to civil and/or criminal action.

The Fair Management Team reserves the right to develop, employ and enforce individual animal health inspections at any time. The Management Team, or Fair Advisors, will make this decision if they feel it is necessary for the health and/or wellbeing of animals, public health, or other specific health concerns.

Out-of-State Origin Animal Import Requirements

**IMPORTANT!** Sweetwater County 4-H will adhere to the following information and recommendations by the Wyoming Livestock Board (WLSB) concerning Porcine Epidemic Diarrhea virus (PEDv) and swine:

All swine exhibition event (sales, jackpots, weigh-ins, and fairs) managers and swine exhibitors are encouraged to help prevent the introduction and spread of the very contagious Porcine Epidemic Diarrhea virus (PEDv) which has proven to be extremely damaging to the swine industry nationwide.

The virus has spread to nearly 30 states since first being identified in the United States in April of 2015, and it has caused the death of millions of pigs in numerous herds across the country. The disease does not affect humans or other species of livestock. It does affect, primarily, suckling piglets and young pigs, and can remain in the swine operation in carrier pigs. PEDv is very lethal in swine production units and producers raising piglets can be hard hit if this virus is introduced into their herd. The disease can spread from pig to pig, but can also be spread mechanically by transmission from manure, feed, tack, trucks, boots and clothing, etc., that are contaminated with the virus.

Wyoming Livestock Board (WLSB) staff veterinarians will provide biosecurity recommendations to fair/exhibition managers and exhibitors to attempt to minimize the risk of introduction/spread of the PEDv in exhibition swine.

The Wyoming Livestock Board (WLSB) veterinary staff, in cooperation with the national swine industry, is recommending some measures that can help us to prevent and mitigate the risks of PEDv being spread to swine in Wyoming.

**WLSB Recommendations:**

1. All Wyoming swine exhibition events should require an affidavit (page 13) from exhibitors stating that the swine have not in the past 60 days been exposed to or ever been diagnosed with PEDv. Event managers should collect such affidavits and keep them on file for at least 6 months to be reviewed by WLSB veterinary staff upon request.

2. Exhibitor must provide event management with a copy of the bill of sale for all swine entered at an exhibit. **The bill of sale should accompany the affidavit.**

3. Swine not born in Wyoming are not to be exhibited at any Wyoming event in 2016 unless they have resided in Wyoming for a minimum of 30 days prior to the WY event/show with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv.

4. If swine are taken to an out of state event, they must return to Wyoming and remain there for 30 days prior to attending a Wyoming event/show with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv.

5. If swine are taken to a Wyoming event that has in attendance “out of state swine”, then these swine must remain in Wyoming for 30 days prior to attending another Wyoming event/show with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv. *(For these purposes “out of state swine” are defined as swine that have not resided in Wyoming for the past 30 days with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv.)*

6. Those individuals who own breeding swine should be made aware that if the virus (PED) is present at a show/event, the likelihood of swine bringing the virus back home and transmitting it to their breeding stock is extremely high. Additionally, the potential for people to bring the virus home on clothing or boots and transmit it to their breeding stock exists.

As a reminder, it is a state of Wyoming and a federal (USDA-APHIS) rule that all swine entering the state must be officially identified, must have a certificate of veterinary health inspection and a WLSB entry permit before coming into Wyoming. Compliance with these rules is mandatory for all importers of swine, and violations will be addressed. WLSB import requirements can be found on the WLSB website at [http://soswy.state.wy.us/Rules/RULES/8634.pdf](http://soswy.state.wy.us/Rules/RULES/8634.pdf).

We appreciate your cooperation in helping to maintain a good health status for all of Wyoming’s livestock.
Questions & Answers
Regarding State Recommendations for PEDv and Events

Q: Do these requirements apply to all Wyoming fairs and who is going to enforce them?
A: These are NOT requirements – they are recommendations to fairs and organizations designed to create awareness of the current threats posed by the new PED virus and to provide guidelines to minimize risk and enhance response. The only requirements mentioned in the documents are the requirements for the importation of swine to Wyoming. These import requirements are, and have been, straight-forward, and exceptions are not allowed. Local fair or exhibit organizers will be responsible for enforcing those recommendations they choose to apply to safeguard the health of the animals attending.

Q: Should we accept out-of-state entries at any of our events?
A: Yes, for pigs born in Wyoming to enter any Wyoming event and therefore the hold before another Wyoming event should be the same: they must remain in Wyoming for 30 days prior to attending a Wyoming event/show with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv.

Q: What if we attend an event in Wyoming that has out of state swine at it – that is not following these recommendations?
A: For the purposes of these recommendations, “out of state swine” are defined as swine that have not resided in Wyoming for the past 30 days with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv. Attending an event with out of state swine would be similar risk to attending an out of state event and therefore the hold before another Wyoming event should be the same: they must remain in Wyoming for 30 days prior to attending a Wyoming event/show with no signs of PEDv evident in these swine or swine on the premise during that time unless the swine with such signs are cleared by a veterinarian as non-PEDv.

Q: We purchased our swine from an out-of-state farm that had PEDv 4 months ago but is clean now. Do they carry the disease and what can we do to be able to show them?
A: There is no evidence indicating that infected swine are contagious for more than 30 days. For exposed swine this will be longer due to incubation period and length of infection. The recommendations now allow for swine that have never been infected, and have not been exposed to PEDv within the past 60 days, to be shown regardless of whether the premise they came from previously was infected or not.

Q: How can Wyoming swine show out of state and then return to Wyoming to show?
A: The risk of exposure is higher at out-of-state events where their in-state incidence of PEDvCom is greater than Wyoming’s and the state is not taking the same precautions that Wyoming is. However, the recommendations would allow swine that have been to an out-of-state event to attend a Wyoming event if the swine have been held for at least 30 days at the owner’s property after returning to Wyoming. Also, keep in mind that, if you take your swine out of state, you will need to fulfill the other state’s import requirements. When the vet fills out the CVI to go to the out of state event, it should indicate the return date to Wyoming.

Q: If we show out of state and then wait 30 days, is there any risk?
A: If you have breeding swine yourself, you will be potentially putting them at a higher risk, especially if the event you attend does not have good biosecurity guidelines in place. Keep in mind that it isn’t just your swine that can transmit the virus to your herd. Trailers, equipment, and you, yourself, can also bring the virus home to your herd.

Q: Does the Wyoming State Fair Market tag serve the identification purpose for fairs if these animals don’t leave the state?
A: Wyoming State Fair Market tags will be acceptable forms of identification for the purposes of these recommendations. Additionally, they will be sufficient for swine going out of state directly to slaughter. Finally, each county/group will also have Wyoming State Fair Breeder Tags available. Please keep in mind that any swine born or purchased from out of state still require official ID (USDA swine tag or registration ear notch/flank tattoo and a CVI in order to come into Wyoming.

Q: What if we have individuals who purchased swine from out of state that do not have a Health Certificate (CVI) and or official ID (USDA swine metal tags, registration ear notch, or registration flank tattoo)?
A: Regardless of whether these swine are shown or not, they entered Wyoming illegally. It is not the intent of our office to issue citations for those not aware of these requirements this year; however, it is important that those swine become compliant with Wyoming regulations. This can be accomplished by having a veterinarian apply official swine identification - which they can obtain from the WLSB office in Cheyenne if they do not already have them - and write a health certificate if they did not come in with one.

Q: Could breeding swine also get the State Fair tags to avoid being tagged twice?
A: Yes, for pigs born in Wyoming – but be sure to use the breeding tags that are new this year and being supplied by the state fair, not the market tags. Also, keep in mind that swine leaving Wyoming will require official ID (USDA swine tags or registration ear notches/flank tattoos). Fair tags are not recognized as official ID for interstate shipment by the USDA. Please keep in mind that any swine born or purchased from out of state still require official ID (USDA swine tag or registration ear notch/flank tattoo) and a CVI in order to come into Wyoming.

Q: A youth calls and tells me that they saw Timmy show their hog at a jackpot in Colorado. Now what?
A: The responsible thing to do would be to investigate and make sure they follow the 30 hold or whatever requirements are put in place for your event. If our office is advised of the movement we can independently look into their compliance on having a CVI.

Q: A youth indicates that his pig had diarrhea a couple weeks ago and we isolated it to keep an eye on it but we didn’t take it to the vet. It’s fine now, but the youth isn’t sure if that is considered by the affidavit as being a “clinical sign”. What do I tell them?
A: You should advise that they consult their veterinarian. He/she should be able to determine the potential of the PEDV being involved based on clinical signs and other animals affected. The veterinarian may deem it necessary to examine the animal before clearing it.
The Sweetwater County Fair strives to make the livestock shows for Sweetwater County 4-H and FFA youth more meaningful, with special emphasis on the development of responsible young citizens through wholesome competition in an agriculturally oriented, educational environment. Designated youth with project animals will have the privilege of exhibiting in this Youth Livestock Show. All bona-fide Sweetwater County 4-H or FFA members, in good standing, are eligible to enter the Sweetwater County Youth Livestock Shows upon proper qualifications. Individual 4-H or FFA members must show at county fair in order to qualify and become eligible for State Fair entry.

NOTE: All Youth Livestock Show exhibitors who are going to attend the Wyoming State Fair must complete and submit registration & medical release forms which can be obtained at the State Fair Meeting, Saturday, August 6, 2016. All entries must be finalized by noon on Monday, August 08.

LIVESTOCK POLICIES AND PROCEDURES

1) Absolutely no mistreatment of animals will be tolerated. Animal mistreatment will result in disqualification of the violating exhibitor and loss of all Fair premiums and awards.
2) There will be no muzzles, of any type, allowed on livestock unless approved in writing by a licensed Wyoming veterinarian and presented to the specific Show Superintendent.
3) All animals brought to the Sweetwater County Fair must be accompanied by a current certificate of veterinary inspection.
4) When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the 4-H Educator or FFA Advisor and County Fair Veterinarian and recommend an action to the Fair Management. Said animal may be dismissed or quarantined, if necessary.
5) All livestock brought to the Sweetwater County Fair must be accompanied by a current brand inspection, when applicable.
6) All livestock must be owned by the individual members in compliance with the ownership dates:
   - Market Beef – February 1
   - All other youth livestock—June 1
7) All market animals shown must be properly tagged, by the above dates, with the current, designated Wyoming State Fair ear tags. Market animals not having the proper tags in place will not be eligible to show NO EXCEPTIONS!
8) YOUTH ANIMAL CARE/FITTING POLICY: Youth exhibitors must accompany, care for and exhibit their own livestock at the Sweetwater County Fair. A 4-H or FFA member is expected to take care of and groom/fit their own animal. However, in the interest of safety and education, a 4-H or FFA member may be assisted by another bona-fide Sweetwater County 4-H or FFA member. Assistance is defined as a learning situation where the person doing the assisting is teaching the 4-H or FFA member a technique in fitting or showing. This person is allowed only to show the 4-H or FFA member the proper skill or techniques, and the 4-H or FFA member is expected to perform the majority of each technique/skill required.
   Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Show Superintendent and 4-H Educator or FFA Advisor will be made before the animal is allowed to enter the ring.
   If a 4-H or FFA member is found to be in violation of the fitting policy, he or she will be disqualified from competition in any 4-H Division at the Sweetwater County Fair, including Showmanship Contests.
9) During official class judging, only the exhibitor will be allowed in the show ring. In Showmanship classes, exhibitors must show their own animal. In case of sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona-fide Sweetwater County 4-H member and the Show superintendent grants permission in writing and is recorded in advance of the show.
10) Each 4-H or FFA member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards. Herdsmanship is an important feature of the Youth Livestock Show. Stall cards are to be completed and on display for the duration of the fair.
11) Unsportsmanlike conduct will not be tolerated and offending exhibitors may forfeit awards and premiums; be dismissed immediately from the fairgrounds and/or lose future eligibility from the Sweetwater County Fair.
12) Any person or group is encouraged to offer constructive criticism and/or provide recommendations to improve the Sweetwater County Youth Livestock Show to benefit all youth participants, at the present time and for the future.
13) The Sweetwater County 4-H and FFA exhibitors in the Youth Livestock Show must adhere to the 4-H Dress Code (see page 9, #19) or the FFA Official Dress (see official FFA manual).
14) The Sweetwater County Fair management reserves the right to interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.
15) NATIONAL CODE OF SHOW RING ETHICS
   Refer to page 9-10.
16) WYOMING STATE FAIR FOREIGN SUBSTANCE PREVENTION AND RESIDUE AVOIDANCE PROGRAM
   It is the policy of the Wyoming State Fair to prevent the usage of illegal, unapproved or unethical drugs; growth stimulants or hormones; and any improper foreign substance in animals entered for exhibit at the State Fair. The Wyoming State Fair reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the State Fair to be in violation of this policy.

1. All classes will be divided by contestants’ age as of January 1, 2016–2018. Juniors 8-10 years of age, Intermediates 11-13 years of age and Seniors must be 14-18.

2. When a youth needs assistance, a parent or leader/advisor may help check tack and hold the horse prior to the member entering the arena.

3. In the interest of safety, a contestant’s horse may be saddled, bridled, and tack change made by someone other than the youth, i.e., another FFA or 4-H member, parent, leader or a friend.

4. There will be a final five minute call before each class. Contestants will be denied entry into the class if not present for the last call into the ring.

5. Programmed Ride: Juniors will ride Training Level Test 1, and Intermediates will ride Training Level Test 2, and Senior Exhibitors will ride Training Level Test 3. All tests can be found at http://www.usef.org (be sure to refer to the USEF Dressage Tests; Training Level).

6. Working Cow Horse and Goat Tying will be open to Intermediate and Senior exhibitors who have had instruction only and must be certified by the 4-H Educator or FFA Advisor. Other cow events participants must be certified.

7. A member may only show one horse in each event. Each horse can be shown only once per age division. Members using the same horse may have to choose between classes and/or exhibitors.

8. NO cross entry between Walk-Trot and other loping riding classes.
   • Walk-trot is for Junior members only. Horse may not be led.
   • Walk Trot Pleasure is for those 1st year in project age 11 years and up.

9. YOUTH HORSE SHOW TIMED EVENTS
   1. In the Youth Horse Shows, safety should be the most important factor. Therefore, in all timed events the horse may enter the arena in the quickest and safest way, whether it is led or ridden. After the horse and rider are in the arena, all gates will be closed and the rider will complete his/her ride.

   2. If safety measures dictate, a parent or leader may hold or lead the horse into the arena.

   3. The rider must enter the arena wearing a western hat or hard hat, long sleeve shirt, long pants and cowboy boots. The hat must be worn into the arena, but once inside the arena the hat may be worn or removed, whichever the contestant chooses.

   4. For further details refer to the “Wyoming 4-H Equine Competition Guidelines.”

Horse Show High Point will be figured on the basis of one horse and one rider. The point system will be used on a sliding scale, i.e., if there are six or more contestants in a class the points would be 6-5-4-3-2-1. If only one contestant is in a class the points awarded would be only 1. A tie breaking method may be used for high point.

Points will not be awarded if a horse is changed or substituted after fair begins. Changing or switching a horse after fair begins will result in disqualification in the all-around.

Awards will be given for first place High Point Performance, Walk Trot, Gymkhana, Miniature Horse, and Showmanship in each age division. Showmanship for Miniatures will be included with the Miniature Horse high point total only.

**SHEEP FITTING CONTEST – DIVISION 1612**

Contestants MUST register for all county contests through the University of Wyoming Cooperative Extension Service office in Sweetwater County to be eligible for awards and/or premiums.

1. Open to 4-H seniors (age 14 and older) and intermediates (11-13 years of age).
2. Contestants will be provided an unfitted and unwashed sheep made available locally.
3. Contestant will be allowed 30 minutes to work on the sheep and do as much as they can to prepare the sheep for show. Following the initial 30 minutes allowed for preparing the sheep for show, the judge will take additional time in evaluation the contestant’s performance.
4. Judging will be based on the skills demonstrated to prepare the sheep, including correct use of equipment, handling of sheep, and quality of end result. In the interest of time, contestant’s attention to things like trimming feet (1 front and 1 hind) and work on “one side of the animal” including the head, will constitute a complete effort.
5. Contestant will be required to supply all the equipment and supplies including brushes, card, hand shears, and blocking table, as needed. Electric clippers will be allowed.
6. The contest superintendent and judge will meet with all contestants prior to the contest to go over specific details and instructions.
7. Each contestant is permitted an assistant to keep the sheep in proper position and from falling from the stand. The assistant may hand equipment to the contestant, but may not help or consult with the contestant in the actual trimming.

110 Blackface breed
111 Whiteface-wool breed
No more than one pen per club may compete. If two pens are entered from the same club, the club leader may select the pen from those members chosen to represent that club with market lambs. All lambs must have been shown in the appropriate class.

2. Wethers and/or ewes may be selected to make up a pen, but exactly five head must be shown and owned by at least three different members.

3. Each pen of five will be allowed two additional handlers to help set up and exhibit the pen. All five exhibitors must be 4-H sheep exhibitors.

4. Pens to be judged on overall appearance, uniformity and market lamb quality. Showmanship, appearance, and attitude of exhibitors will also be considered.

5. This class must be pre-entered with all 4-H Sheep Show entries.

1. All swine exhibited must be owned in the name of one individual member by June 1, 2016.

2. All swine must meet animal health requirements on page 11-12.

3. Adhere to the Wyoming Livestock Board (WLSB) recommendations concerning Porcine Epidemic Diarrhea Virus (PEDv). Refer to pages 13-14.

4. Swine entries in the breeding show are not eligible to show in the market swine show and vice versa.

5. All swine will be inspected before being penned. Health papers will also be checked at this time. Suspect hogs and all hogs transported with suspect hogs may be dismissed from the fairgrounds.

6. No oil or powders allowed on hogs. WATER ONLY

1. Breeding Swine must have a WSF green eartag from 4-H office.

2. No gilts or boars farrowed prior to 2016 will be allowed to show.

3. Date for determining boar and gilt ages:
   a. Jr. boar or gilt-farrowed after March 1, 2016
   b. Sr. boar or gilt-farrowed between January 1 and February 28, 2016

3. **PREPARATION OF FLEECES:**
   1. Spread out the fleece on a clean table or floor, skin side down, taking care not to pull or open fleece as it is handled. The fleece will look like a pelt or hide. At this stage, before rolling or tying, remove all heavy tags, stained wool, and obvious foreign matter. Rolling the fleece takes four easy steps:
      a. Begin at one side and loosely fold 8 to 10 inches of the edge toward the center of the fleece.
      b. Do the same on the other side, but fold toward the center two times-until the twice folded portion lies on top of the first fold.
      c. Fold in the head wool.
      d. Roll the entire fleece from the breech toward the shoulder and long side wool. Fleece is now ready to be tied. Using paper fleece twine, wrap it in two directions and tie as you would a package. There should be no loose ends hanging from the fleece. It should be loose enough to make judging easy, yet compact enough to prevent it from falling apart when handled.

Seller’s copy

1. Access to the Sweetwater Co. 4-H & FFA Livestock Auction is a privilege, not a right.
2. Only 4-H & FFA members, that are in good standing with their respective organization and are enrolled in market beef, sheep, goat, swine, meat pen of 3 rabbits or poultry projects are permitted to consign the exhibited market animal to the Sweetwater Co. 4-H & FFA Livestock Auction.
3. The judge will have the prerogative to declare an animal unfit for market standards. All judges are clearly informed that animals they deem unfit for market standards will not be permitted to sell in the Sweetwater Co. 4-H & FFA Livestock Auction.
4. Market beef over 950 lbs, market lambs over 90 lbs, market swine over 210 lbs, and market goats over 50 lbs are eligible for sale.
5. Market swine over 300 lbs may sell in the Sweetwater Co. 4-H & FFA Livestock Auction with the restriction of only selling 300lbs of the market swine’s live weight. The only exception to this rule is to the owner/s of the Overall Grand & Reserve Champion Market Swine in that those animals will be permitted to sell for their entire weight that was recorded during check-in at the start of the fair week.
6. Participants may consign only one animal per exhibitor. Exhibitors competing in both 4-H & FFA will only be permitted to sell one animal total.
7. Members must own the animal by ownership deadline (Feb 1st for market beef, June 1st for sheep/goat/swine/rabbit projects).
8. All 4-H members enrolled in a new age group within the 4-H program (ex. 1st year at a junior, 1st year as an intermediate, or 1st year as a senior) must have completed a Youth Quality Assurance to be allowed to participate in the 4-H & FFA Livestock Auction.
9. All first year FFA members with livestock exhibits must have completed a Youth Quality Assurance to be allowed to participate in the Sweetwater Co. 4-H & FFA Livestock Auction. If the FFA member is also a 4-H member and is currently in good standing with the requirements of Youth Quality Assurance through the 4-H program, then they would be the exception to this rule.
10. Participants must have shown the animal in the junior market livestock show at the Sweetwater County Fair.
11. Checks will not be issued to participants until all buyers have paid the Auction Committee. Exhibitors with market beef projects from the previous year may or may not be issued their sales checks before other exhibitors who participated in the Sweetwater Co. 4-H & FFA Livestock Auction, as to enable those market beef exhibitors to purchase the up-coming year’s beef projects earlier on in the 4-H year.
12. There will be up to a 3% commission retained by the Auction Committee on the sale price of each animal sold through the Sweetwater Co. 4-H & FFA Livestock Auction.
13. Consignors with multiple market livestock projects must determine which of their animals they wish to sell in the 4-H & FFA Livestock Auction.
14. It is the responsibility of the market steer, swine, goat & meat pen of three rabbit consignors to inform the superintendent of their shows, the tag number of the selected livestock that will be consigned to the 4-H & FFA Livestock Auction, by 9:00 am on Friday of fair week. Market Lamb consignors must declare their sale animal by 3:00 pm on Friday.
15. Owners of the Grand or Reserve Market Champion animals may reserve the right to forfeit their opportunity to sell their respective champion animal/s in the 4-H & FFA Livestock Auction and must declare this decision to the respective superintendent by 9:00am on Friday of fair week, with the exception of Market Lamb Grand and Reserve Champion who must declare immediately after Youth Market Sheep Show.
16. If owners of the Grand or Reserve Market Champion animals choose to NOT sell their respective market champion livestock, then they will also be forfeiting the right to receive the recognition of their champion titled animal, which is bestowed to exhibitors who choose to sell their champion livestock, while in the sale ring.
17. Once sold, the animal belongs to the buyer, however the consignor will accommodate the needs of the sold livestock until delivery of the sold animal is completed.
18. The Auction Committee will bear no responsibility for private treaty animals; sales, transportation etc.
19. If a consignor does not have the animal present when animals are scheduled to be transported to slaughter (with the exception of predesignated 4-H or FFA state fair delegate animals), the consignor is agreeing to assume all further responsibility for the animal including slaughter and delivery of product to the buyer.
20. All beef, swine, sheep and goats sold through the Sweetwater Co. 4-H & FFA Livestock Auction must be loaded on the truck to slaughter, before extra animals not sold through the Sweetwater Co. 4-H & FFA Livestock Auction can be loaded.
21. The Auction Committee will pay brand inspection fees.
22. Members must reserve state fair privilege prior to sale.
23. The Auction Committee encourages buyers to make payment on sale day and will send invoices within the week.
24. The Auction Committee may assess late payment charges on outstanding accounts (18% APR).
