

**Wyoming Agricultural Experiment Station
Research Plot and Animal Fees**

Approved as of July 1, 2017 (FY18)

Information from the University of Wyoming Fee Book for 2018 is shown below (pages 96-100). For the full fee book, go to http://www.uwyo.edu/administration/_files/docs/fee-book/feebook-fy-18-final-081117.pdf.

Note that approved fees have increased for this year. There is a new fee for research conducted off Research and Extension Center locations if the work is to be done with AES employees and equipment.

Please use these fees for future proposal development. If you have an existing grant based on older fees, please let the relevant Research and Extension Center Director know and accommodations can be negotiated.
