REMINDER: Graduate students must be enrolled appropriately to be hired as a GA. Please make sure the GAs you are hiring are fully enrolled PRIOR to starting the extension/hire process.

For all new GA hires, please follow the Graduate Assistant Hire Process QRG.
- Graduate students who have never been hired as a GA and/or have been previously termed from their GA position.
- Graduate students who may have been hired as a GA in another department, but first time being hired as a GA in your dept. or no longer have an active GA assignment in your dept.

For continuing GAs, please follow the Entering New Costing for Current Graduate Assistants QRG.
- Graduate students who are current GAs within your dept. and/or who have not been termed as a GA from your dept. (active assignment).
  - When entering the stipend amount, it is the total stipend amount for the AY or semester (if only hiring on a semester basis).
  - You must enter the tuition, fee and student health insurance information since this is a new AY – if you do not enter this info. completely, your submission will be rejected.
    - If student declined student health insurance, please insert in the ‘Comment’ section on the t/fees line – ‘student declined student health insurance’.
    - Please reference the student medical insurance web page within the Risk Management Office and pass along to your GAs.
      - Even though a student is able to select ‘yes’ to the insurance it does not necessarily mean they are eligible.
  - You must enter an end date (i.e. – 12/31/22 or 5/31/23).
Please review the information and links below before you start the GA hire process.

### Additional GA Information

- GA allocations funded through Graduate Education (GE) are for the academic year only and not to be used for summer payments (reference GA hire/term dates link above). This includes the OGE/college base GA allocations.

- **ALL** state-funded GA positions allocated through GE, must contain a teaching component while supported on this funding.
  - GA Job Descriptions and Time Limits

- GTA teaching obligations must be appropriately recorded in the BANNER system – Adding GTAs into Banner.

- All Graduate Assistants (GAs) with first time teaching responsibilities broadly defined, or graduate students who will have teaching responsibilities and have not yet attended, are required to attend the GA Teaching & Learning Symposium to assume their duties. Please inform each of your department’s Graduate Assistants with first-time teaching responsibilities about this symposium.
  - [http://www.uwyo.edu/uwgrad/enrolled-students/symposium.html](http://www.uwyo.edu/uwgrad/enrolled-students/symposium.html). Students must register to attend by August 15, 2022. Click here to register for the symposium.

- The PhD level GE state-funded GA stipend amount is **$17,838** (academic year only) and the Master’s level state-funded GA stipend amount is **$12,825** (academic year only). The stipend
amounts listed are the minimums you can pay a graduate assistant for an AY (acad. year), whether being supported with GE state funds or other funding sources.

- If you elect to pay your GAs more than the $17,838 (PhD) or $12,825 (masters) GE provides, **you must augment the amount from another funding source – not with GE funds.**
  - This includes the “base” GA allocations from the deans’ offices.
- Full-time GA (50% FTE = 20 hrs./wk.) is eligible for tuition and *mandatory* fees, up to 9 graduate credit hours per semester (at the normal resident rate), and student health insurance.
- Half-time GA (25% FTE = 10 hrs./wk.) is eligible for tuition, up to 5 graduate credit hours per semester (at the normal resident rate), 50% of *mandatory* fees and ⅓ the cost of health insurance.
- 3/4-time GA (37.5% FTE = 15 hrs./wk.) is eligible for tuition, up to 7 graduate credit hours per semester (at the normal resident rate), 75% of *mandatory* fees and ⅓ the cost of health insurance.
- Audited courses are **not** covered
- Non-graduate level courses are **not** covered
- J-term courses are not covered, unless the course is required curriculum specific to the student’s degree
  - J-Term courses are reflected on transcripts as Spring courses and charged OCP tuition and fees
- **International graduate students hired on a state-funded (GE) GA and/or who are teaching must demonstrate oral proficiency in order to fulfill duties of the GA position**

  - Please contact the International Students and Scholars office if you have additional questions regarding international student requirements while attending UW.
- **GA eligibility reminders**
  - Refer to the [Graduate Assistantship & Fellowship Policy](#)
  - Student must be a degree-seeking (graduate) student to be hired as a GA and enrolled in 9 graduate credit hours (for exceptions, please reference the [graduate assistant & fellowship policy](#))
- **GAs are NOT allowed to be enrolled in continuous registration.** NOTE: as the UW fee book states – “Graduate students NOT on Assistantship may enroll in Continuous Registration 5920 and 5940. Tuition will be assessed at $120 per credit hour on these courses only. Mandatory fees may be applicable.”
- The GA payroll schedule applies to **all** GAs, not only GE state-funded GAs.
  - Note: the GA’s AY total stipend amount is split between the fall and spring semesters evenly – ex. AY stipend amount is $17,838; $8,919 is earned for the fall semester and $8,919 is earned for the spring semester. Please keep this in mind when you are switching a GA’s funding and/or position for the spring semester.

Reminder: the [Optional Student Fee Package Petition (pdf)](#) is available for qualified GAs as well as
(non-GA) graduate students. Please be sure to read the form carefully to see if this option is appropriate for your graduate student.
