INVITATION TO BID 17-029
Central Energy Plant Chiller #1 Replacement Project

University of Wyoming Operations, Utilities Management Office, will accept bids submitted through the Public Purchase website, until 10:00 a.m., Friday, September 22, 2017, for the Central Energy Plant Chiller #1 Replacement Project. A public bid opening will be held at that time in Conference Room 130 of the Service Building on the University of Wyoming’s Laramie campus.

Project Description: Removal of existing 800-ton chiller and replaced with owner-furnished 1,200-ton chiller at the University of Wyoming’s Central Energy Plant. Work will include installation of new condenser water supply and return headers, concrete work, building piping and instrumentation retrofits, and the construction of pipe chases. Alternate work to include additional chiller water air separator and appurtenances and replacement of a plate and frame heat exchanger. The estimated project completion date is April 20, 2018.

A Mandatory Pre-Bid meeting, including a walk-through, will be held on September 14, 2017, 10:00 A.M., at the Central Energy Plant, 654 N 19th Street, University of Wyoming, Laramie, WY 82071.

Bid documents are available by logging on to Public Purchase at www.publicpurchase.com

Only bids submitted electronically through the Public Purchase site and on University of Wyoming forms will be considered.

Each base bid over $150,000 must be accompanied by a Bid Bond, executed by the Bidder, as Principle, and a satisfactory surety company, executed in favor of the Owner in the amount of 5% of the maximum amount of the bid. Bid Bond shall be accompanied by a certified copy of Power of Attorney, and be signed or countersigned by an agent of the bonding company. No other form of Bid surety will be accepted.
