

## UW ECHO in Assistive Technology Session Agenda

Facilitator(s):	Wendy Warren
Collaborating Entities:	Wyoming Department of Education (WDE) and Wyoming Assisive Technology Resources
Professional Development Presenter:	Shelly Haven
Professional Development Training Description and Objectives:	For all of their benefits, laptops and tablets can also be a major source of distraction. This session will introduce selected utilities, apps, and services for minimizing distractions and restricting access to selected websites, the Web in general, and specific programs. 1. Name at least three ways computers and tablets can distract students from their school work 2. Describe at least four features used by various utilities, apps, and services to minimize and help manage device distractions 3. Describe where to find user management tools built into a device's operating system
Case Presentation:	ECHO ID #TBD
