

UW ECHO in Assistive Technology Session Agenda

Facilitator(s):	Wendy Warren
Collaborating Entities:	Wyoming Department of Education (WDE) and Wyoming Assisive Technology Resources
Professional Development Presenter:	Jane Korsten
Professional Development Training Description and Objectives:	Identifying interests and abilities provides the foundation on which potential tools can be matched to individual needs and abilities. This session will focus on completing the CLICKS and CHATS assessment processes and discuss strategies to support matching/identifying identifying the technology that will support the individual in communication and participation in educational opportunities. <ol style="list-style-type: none"> 1. Learn strategies for assessing switch skills 2. Identify assessment information relevant for developing functional communication systems 3. Understand how assessment information enables and supports matching technology to individual interests and abilities
