

Early Childhood Leadership Track

Sessions in this track focus on supporting early childhood program leaders including directors, assistant directors, curriculum coordinators, pedagogical leaders, coaches, mentors, and lead teachers. Participants will be supported in better understanding key aspects of early childhood leadership and applying evidence-based best practices in early childhood programs.

Early Childhood Education Track

Sessions in this track are focused on early childhood educators working in center-based childcare and preschool settings, as well as all other early childhood professionals. They will focus on supporting best practices and developmentally appropriate care and education in all settings.

Family Home Childcare Track

Sessions in this track are focused specifically on the unique experiences, challenges, and opportunities in Family Home Childcare. Participants will learn and apply tools of family centered practice along with designing and supporting rich learning opportunities for young children in the home setting.

2020 Cowboy State Conference

September 25th: 8:30am to 7:00pm

September 26th: 8:30am to 4:30pm

The Wyoming Early Childhood Professional Learning Collaborative is excited to invite you to the Cowboy State Virtual Conference. Now more than ever, we are inspired by Early Childhood Professionals, your commitment to your families, and your passion for your profession. Over the two days of this virtual conference, you'll have the chance to learn from experts, chat with speakers, other attendees, and take away information, ideas, and inspiration you can put into practice today.

Session Highlights

We are excited to announce that we have a wonderful group of presenters and keynotes, which include Leading for Children, Debbie LeeKeenan, Tina Jimenez, Rachel Giannini and the Wyoming Early Childhood Learning Collaborative.
