

UW ECHO for Families: Autism Session Agenda

Facilitator(s):	Canyon Hardesty
Collaborating Entities:	UW ECHO, Family to Family, WIND
Professional Development Presenter:	Melisa Genaux
Professional Development Training Description and Objectives:	In this session, parents will learn practical, easy-to-implement strategies for improving child behavior. They will learn the components for preventing behavior escalation, improving compliance with directions, developing consequences for not following directions and other problem behavior, and the effectiveness of positive reinforcement to increase desired behaviors. 1. Identify the steps of child behavior escalation and identify four adult behaviors that contribute. 2. Identify specific strategies adults can use to prevent behavior escalation and to improve following directions. 3. identify common errors in establishing negative consequences and steps for creating effective consequence hierarchies. 4. Identify four strategies for increasing the power of positive reinforcement. 5. Identify how to specifically utilize rules and routines to prevent problem behavior.
