The following is a guide for the UW iECHO website. This guide will show you how to search for and view a UW ECHO session didactic presentation, case presentation, video, or search for specific content in a session.

Please allow two weeks after a session for a session video to be posted. The session agenda, didactic and case presentation will be posted during each session.

Logging into UW iECHO sessions:
You’ll need a username and password to log into the iECHO website. To obtain a username and password, please email us at projectecho@uwyo.edu.
Dashboard
Once you are logged in, you'll be taken to the Dashboard. Here you can choose Clinic Records to view posted sessions. Click on Clinic Records.

Clinic Records
Here you can choose the session date. To choose a session, move your mouse over a date. Click on the highlighted chosen session date.
Session Activity

On this page you can choose to view the didactic presentation, patient presentation, administrative documents, session agenda, or the session video. The next four pages will go into detail about each link.

Didactics

When you click on Didactics, you can view the session’s didactic presentation. Click on the didactics’ title and it will take you to the next page.
On this page you can view the didactic session documents, such as the PowerPoint or related handouts.

Patient or Case Presentation

When you click on Patient Presentations you can view the session’s case presentation(s). Click on the title and it will take you to the next page.
On this page you can review any related documents to a specific case presentation such as the PowerPoint, case presentation, handouts, and case recommendations.

Session Video
When you click on Videos you can view the session’s video by clicking on the title. Please remember, it can take up to two to three weeks for the session video to be uploaded.
On this page you can watch the recorded session video.

Administrative Documents or Session Agenda
When you click on Administrative Documents, you can view the session’s agenda by clicking on the title.
The agenda provides all the specific details about the session, such as who the facilitator is, titles of case and didactic presentations and who the presenters are, what are the objectives, as well as the Zoom and captioning links.

Resources
When you return to the Dashboard, you can choose Resources and search each clinic session for specific content using the search option.
Your search results will show up on this page. You can click on specific links.
