

UW ECHO in Student Health Session Agenda

Facilitator(s):	Corey Jenkins
Collaborating Entities:	Johnson & Johnson School Health Leadership Program
Professional Development Presenter:	Ann Burkett
Professional Development Training Description and Objectives:	This session will discuss the role of school nurses, and others involved in student health, to recognize and treat allergic reactions including anaphylaxis. The importance of educating other staff to handle allergic reactions will also be covered. 1. Participants will increase their knowledge of food allergies and other allergies that could result in anaphylaxis. 2. Ideas for educating school staff how to better manage student allergies in the absence of school nurse will be discussed.
Case Presentation:	ECHO ID# TBD
