

## UW ECHO in Secondary Transitions Session Agenda

Facilitator(s):	Wendy Warren
Collaborating Entities:	Wyoming Department of Education (WDE), Department of Vocational Rehabilitation (DVR), and Wyoming Department of Corrections (DOC)
Professional Development Presenter:	Jennifer Wilson
Professional Development Training Description and Objectives:	Our kids may be too cool for school, but no one is too cool for a J-O-B, particularly when the student is getting paid. In this presentation educators and agency members will see what one high school is doing to make school more relevant to the student and to personalize the transition process. Whether creating an elevator pitch, electronic cover letter or video interviewing, it is critical our students know their strengths and limitations and can communicate why they are a good match at the business, as well as how they can contribute the organization. Please join us for a fun and informative presentation. 1. Attendees will discover fun resources for student job preparation. 2. Attendees will see what we are doing in the area of transition services. 3. Attendees will have fun, ask questions and make connections. Professional Networking!
