

UW ECHO in Waiver Services Session Agenda

Facilitator(s):	Corey Jenkins
Collaborating Entities:	Wyoming Department of Health (WDH)
Professional Development Presenter:	Staci Horsley
Professional Development Training Description and Objectives:	<p>A Functional Behavior Assessment (FBA) is a comprehensive and individualized, problem solving process that addresses challenging behavior. It incorporates a variety of techniques and strategies to gather information as a means of understanding the specific reasons for the student's problem behavior and how a student's behavior relates to or is affected by his/her environment. Identifying the function of behavior allows us to then teach desired replacement behaviors that serve the same function.</p> <ol style="list-style-type: none"> 1. Participants will be familiar with defining target behaviors. 2. Participants will be familiar with the components of a functional assessment 3. Participants will be familiar with the purpose of identifying and teaching replacement behaviors
