Meeting Minutes - Equality State Research Network

Location: Wind/ Zoom
Date: December 3, 2019
Time: 12:00pm-1:00pm
Facilitator: Tai Baker

Attendance

WIND (5) | NETWORK (5)

Agenda Items

1. Introductions
2. Jargon Jar - Commitment to refrain from using jargon and acronyms. We hold one another accountable and ask what a term means.
3. Overview of the Network
 - a. Core Values: equal contributions, collaborative approach and relationships between partners
 - b. Community outcomes and innovative research
 - c. Network goals include community engagement, scientific inquiry, and improved quality outcomes
 - d. Practice based – a group of practitioners to come together and conduct research. Connect to stakeholders who have a voice in shaping the health care in our state.
 - i. Voices which direct the research in the community can include: community organizations, child development centers, people with health concerns, community members, etc.
4. Research Project Updates
 - a. Sherrie Rubio-Wallace: Practice improvement project with Laramie Reproductive Health in Wyoming to incorporate a substance use prevention screener. Screeners provide brief interventions for patients.
 - b. Michelle Heinen - UPLIFT awarded a grant from the National Institute of Mental Health to conduct a 3-year project looking at peer support and health outcomes.

Action Items

1. Further recruit community members and Network
2. Plan to begin building the Network Advisory Council

Other Notes
