ADAPTIVE BIATHLON CAMP

We invite you to try Biathlon!

Casper Mountain Biathlon Club (CMBC) is hosting an adaptive Biathlon Development Camp. We invite you to attend! This camp is designed for veterans with disability and funded, in part, by the Dept. of Veterans Affairs and Wyoming Mission Redefined. Limited space available.

CMBC encourages you to experience the most challenging sport in both the Olympics and Paralympics. Biathlon combines the most physiologically demanding sport of cross-country skiing with the mentally challenging sport of rifle marksmanship shooting under the stress of the stopwatch and high heart rate!

Training will be led by Biathlon and Nordic coach, Rob Rosser. Rob served 21 years in the Army including OIF 1 and is an Olympian in the sport of Biathlon.
