Here are some questions to help you understand your opportunities in Wyoming’s vision screenings.

1. **Resources and Services**: What are your organization’s responsibilities or services towards children’s vision? (This may include providing screenings; vision screening trainings; education; eye care services; low vision services; other)

2. **Training, Education, Communication, Resources, Services and Surveillance**: What areas of concern does your organization have in relation to children’s vision (i.e. poor follow up on referrals; no budget for equipment and services; lack of parental understanding; no communication on results, etc.)

3. **Communication**: How does your organization support information for families and the child’s medical home when vision issues are identified?

4. **Surveillance**: How will your organization benefit from a collaborative and consistent approach to children’s vision screening?
