FINANCIAL SUPPORTS FOR EYE CARE

There are options to help you pay for eye care for your child. This document will help you determine which options will work best for you. Please see our website at: www.uwyo.edu/wind/vision and go to Resources for more information.

THE AFFORDABLE CARE ACT

All Affordable Care Act (ACA) compliant plans have vision coverage available for children. But, families have to select the plan that is labeled “D”. This indicates that the plan includes dental, vision, and hearing. All different plans, regardless of its classification as a bronze, silver, or gold level insurance, have the “D” option. Within this plan, at the minimum it will cover a vision exam and one pair of glasses or contact lenses annually for children under age 19.

Health insurance plans for families purchased on the private market that are ACA compliant also have the plan “D” option. A private market plan is defined as any plan not enrolled in through healthcare.gov (and/or does not qualify for a subsidy, which is when you can get money to help you pay for insurance). Please note, families can sign up both through healthcare.gov or through the private market to purchase a separate vision insurance plan.

All insurance companies have to be ACA compliant. However, short term policies do not have to offer ACA compliance, and therefore they will not offer dental, vision, or hearing coverage. Furthermore, people who want a short term policy can only qualify if they do not have pre-existing conditions.

ACA AND WYOMING

Currently there is one ACA compliant insurance company in Wyoming:

- Blue Cross/ Blue Shield (available through the ACA website)

QUALIFYING FOR A SUBSIDY

In order to qualify for a subsidy (money to help you pay for insurance) through ACA, a person or family must answer the following:

1. Is anyone in the family offered health insurance through their employer? If so, then they do not get a subsidy.
2. How many people are in the household? Based on number, they are given an amount for which their income.

Subsidies (discounts) for insurance through the Affordable Care Act Marketplace may apply to people that make from 100% to 400% of the Federal Poverty Level. For more information on subsidies and qualifying income levels, please visit: www.obamacarefacts.com/obamacares-medicaid-expansion and www.obamacarefacts.com/federal-poverty-level.

Wyoming Optometric Association’s “Give One Day” Program, through the Wyoming Department of Family Services:

*Please note, this is intended as an initial guide to help families understand what resources are available. Call your local health agent and/or reference [www.healthcare.gov](http://www.healthcare.gov) for the most up-to-date information. There are local health insurance agents around the state that can walk you through the process, step-by-step, free of charge. These agents are extremely helpful in answering any questions you may have. All agents are listed at: [www.localhelp.healthcare.gov](http://www.localhelp.healthcare.gov). Enter your zip code, and a list of local agents will appear. On the left side of the screen, you can refine your search results.
