Stick-Ups
Evaluation Activity

Objective:
Evaluate Fun Days.

Age:
10 years and older.

Length:
Approximately 5 to 10 minutes.

Supplies and Materials:
1. Approximately 250 small round stickers. Draw smiley faces on 110, straight faces on 70, and frowny faces on 70. Optional: make each emotion a different color.

2. What I Think Sheet handout – one per person.

Activity Directions:

1. After the last Fun Days event, tell participants they are going to share what they thought of the session. Distribute the What I Think Sheet. Have a table or central location for the stickers. Ask participants to respond to each statement by placing one sticker next to each statement. The stickers have the following meanings:
   A smiley face means great, the best, super.
   A straight face means okay, so-so, fine.
   A frowny face means bad, boring, no-fun.

2. Collect the sheets.
