LEadership Commitment

- Collaborative – Work with people in respectful ways.
- Consultative – Treat faculty and staff as rich resources to be fully used and trusted when making decisions, plans, etc.
- Action Oriented – Git ’er done!
- Go for the win-win!
- Listen and learn before acting.
- Get to know people and programs. What’s working and not working.
- Seek to understand before seeking to be understood.
- Maintain confidences.
- Earn trust over time.
- Be equitable, fair, and open to others’ ways of thinking, knowing and being.
- Strategically position the UW COE to achieve “preeminent” national recognition for professional educator preparation!
- Always tell the truth.
- Always tell more of the truth than you have to.
- Always tell the truth before anyone asks you to.
